OFFICE OF THE SUPERINTENDENT OF INSURANCE,

OTTAWA, 14th August, 1886.

To the Honorable

A. W. McLELAN,

Minister of Finance.

SIR,—I have the honor herewith to submit the statements in detail of Insurance Companies for the year 1885, together with such an abstract and analysis of them as appeared proper to exhibit the progress of the business and the condition of the Companies.

FIRE AND INLAND MARINE INSURANCE COMPANIES.

During the year 1885 the business of fire insurance in Canada was carried on by 29 active Companies; of these 6 were Canadian, 19 British and 4 American. Inland Marine Insurance was also transacted by 6 of them (3 Canadian, 1 British and 2 American), and Ocean Marine by 5 of them (3 Canadian, 1 British, and 1 American). This list of Companies does not differ from that of the previous year, but one additional Company, the Connecticut Fire Insurance Company of Hartford, Conn., has been licensed since the close of 1885.

FIRE INSURANCE IN CANADA, 1885.

The gross amount of policies taken during the year by Fire Companies was \$486,002,908, a decrease of \$27,980,470, as compared with the previous year. The rate of premium is somewhat greater than that of 1884, but the loss rate (55·22) is much lower. During the period of 17 years over which our tables extend, in only three previous years has a rate lower than that of the year 1885 been reached, viz., the years 1880, 1878 and 1874.

FIRE PREMIUMS AND LOSSES IN CANADA IN 1885.

The cash received for premiums during the year in Canada has amounted to \$4,852,460, being less than that received in 1884, by \$127,668; and the amount paid for losses has been \$2,679,287, which is less than that paid in 1884, by \$566,036. The ratio of losses paid to premiums received is shown in the following table:—

FIRE Insurance in Canada, 1885.

	Paid for Losses.	Received for Premiums.	Rate of Losses paid per cent. of Premiums received.	The same for 1884.

Totals.....	2,679,287	4,852,460	55·22	65·17

The corresponding results for the seventeen years over which our records extend, are given below:—

Totals.....	58,799,884	43,955,917	74·76

Taking the totals for the same seventeen years, according to the nationalities of the Companies, the following are the results:—

FIRE Insurance in Canada for the Seventeen Years—1869-1885.

	Premiums received.	Losses paid.	Rate of Losses per cent. of Premiums.

American do	4,648,426	3,311,667	71·24
Totals.	58,799,884	43,955,917	74·76

If we had excluded from these tables the year of the disastrous fire in St. John (1877), the average loss-rate would have come out 64·44.

FIRE INSURANCE IN FORCE IN CANADA, 1885.

The total net amount insured by fire policies in Canada at the end of 1885 was \$611,794,479, showing an increase of \$6,286,690 over that at the end of 1884. The increase among British Companies is \$7,763,816, and among American is \$2,732,429. Excluding the foreign business of the Citizens' and Royal Canadian, which, last year, was included in the business in Canada, the increase among the Canadian Companies has been \$3,841,521.

The details of the increase and decrease for the individual companies, are as follows:—

CANADIAN COMPANIES.

INCREASE.—British America, \$2,645,840; London Mutual Fire, \$2,516,480; Quebec, \$709,837; Western, \$3,799,036. Total, \$9,671,193.

DECREASE.—Citizens', \$4,288,805. Royal Canadian, \$1,540,867. Total, \$5,829,672.

Total increase, \$3,841,521.

BRITISH COMPANIES.

INCREASE.—Caledonian, \$1,033,010; City of London, \$1,338,193; Glasgow and London, \$1,633,287; Guardian, \$285,770; Lancashire, \$449,132; Liverpool and London and Globe, \$3,506,238; London Assurance, \$302,805; National of Ireland, \$1,228,043; North British, \$1,474,434; Norwich Union, \$78,022; Phoenix of London, \$170,733; Queen, \$281,805; Royal, \$2,103,329; Scottish Union and National, \$1,035,375. Total, \$14,980,176.

DECREASE.—Commercial Union, \$181,990; Fire Insurance Association, \$5,750,-921; Imperial, \$1,058,000; London and Lancashire, \$53,635; Northern, \$171,814. Total, \$7,216,360.

Total increase, \$7,763,816.

AMERICAN COMPANIES.

INCREASE.—Agricultural of Watertown, \$2,418,159; Phenix of Brooklyn, \$924,112. Total, \$3,342,271.

DECREASE.—Ætna Fire, \$475,045; Hartford, \$134,797. Total, \$609,842.

Total increase, \$2,732,429.

PREMIUMS AND LOSSES COMPARED WITH RISKS.

The net amount at risk at the end of the year being \$611,794,479, and the premiums charged thereon being \$6,852,003, it follows that the average rate of premium on every \$1,000 at risk was \$11·20, the highest of all from 1875; the rates have been as follows:—

	1875.	1876.	1877.	1878.	1879.	1880.	1881.	1882.	1883.	1884.	1885.
Rate	10·60	10·66	10·72	10·75	10·51	10·57	10·61	10·52	10·75	10·95	11·20

The same result is indicated if we consider the premiums charged on the whole amount of risks entered on during the year, thus including for each Company the short-term risks as well as those re-insured, and giving a rate which may fairly be considered as that at which business has been done during the year. In this way the average rate of premium charged on each \$1,000 of risks taken comes out \$11·697, as against \$11·547, which was the corresponding rate in 1884. The individual rates for the different companies will be found in an annexed table, and will be seen to vary a good deal, as might naturally be expected, considering the varieties of the business done by the Companies.

Obtaining an approximation to the losses incurred during the year, by excluding the payments for losses outstanding at the beginning of the year, and including the amounts estimated for those of the year still unsettled, the ratio of the losses incurred to premiums received comes out 56·56 per cent., which is decidedly lower than the 63·48 of the previous year. The following are the rates of incurred losses from 1878:—

	1885.	1884.	1883.	1882.	1881.	1880.	1879.	1878.
Canadian	56·10	65·30	1·17	72·84	112·04	54·50	67·81	52·11
British	56·62	64·29	65·94	65·27	72·14	37·28	67·83	47·24
American.....	57·45	50·17	52·05	54·33	60·94	46·73	79·39	59·13
<hr/>								
Total.....	56·56	63·48	66·11	66·37	83·94	43·82	68·63	49·67

The losses incurred (approximate) during the year, compared with the amount of risk current (taking for this the mean of the amounts in force at the beginning and end of the year) have been at the average rate of \$4.54 per \$1,000 current risk. The corresponding rates for 1881-2-3-4, were \$7.35, \$5.68, \$5.56, \$5.37, respectively, showing a marked and gratifying decrease of the fire-hazard in Canada.

The losses are, however, as usual distributed very unevenly among the different Companies, as appears from the following, computed on the above basis; where, for convenience of comparison, the corresponding rates for 1884 are appended within parentheses :—

London Mutual, 1.71 (2.04); Agricultural of Watertown, 2.01 (1.89); Royal, 2.84 (3.31); Scottish Union and National, 3.26 (3.00); Liverpool and London and Globe, 3.55 (3.93); North British, 3.65 (5.21); Western, 3.94 (6.45); Phoenix of London, 4.03 (7.44); Imperial, 4.68 (4.94); Quebec, 4.83 (5.62); City of London, 4.98 (6.61); Caledonian, 5.47 (8.41); Lancashire, 5.50 (6.99); Northern, 5.56 (9.90); Queen, 5.58 (6.48); Norwich Union, 5.61 (5.55); London and Lancashire Fire, 5.71 (5.52); Phenix of Brooklyn, 5.73 (4.61); Fire Insurance Association, 5.93 (5.98); London Assurance, 6.25 (4.71); Citizens', 6.25 (6.55); Hartford, 6.31 (6.01); Guardian, 6.48 (6.14); Royal Canadian, 6.83 (7.37); British America, 6.88 (5.79); Commercial Union, 7.00 (7.57); Glasgow and London, 7.22 (.....); National of Ireland, 7.92 (7.98); Ætna, 8.99 (7.11).

The annexed table gives the gross amounts of risks taken by the several Companies during the year, and the premiums charged thereon, and also the distribution of losses, with the proportionate rate of premiums to risks, and the proportion of the amounts paid for losses to those received for premiums during the year. For convenience of comparison the rates of 1884 are appended. It must be noted that the premiums in the second column are those charged on the whole gross amount of risks taken by each Company during the year.

BRITISH FIRE COMPANIES.

The total cash receipts from premiums were \$3,407,453, being a decrease of \$196,310 as compared with the previous year; the payments for losses were \$1,912,873, being \$377,716 less than for 1884; while the general expenses amounted to \$819,596, being \$49,659 less than in 1884, thus leaving a balance of \$674,984 in favor of the Companies. In the previous year this balance was \$443,919.

Paid for losses.....	\$ 1,912,873
“ general expenses.....	819,596
Total.....	\$ 2,732,469
Received for premiums	3,407,453
Balance in favor.....	\$ 674,984

The following detail gives the balances for the different Companies:—

Balances in favor—Caledonian, \$20,721.19; City of London, \$42,185.64; Commercial Union, \$61,070.42; Fire Insurance Association, \$4,534.76; Glasgow and London, \$12,570.66; Guardian, \$34,682.82; Imperial, \$60,228.02; Lancashire, \$45,834.55; Liverpool and London and Globe, \$42,814.30; London and Lancashire, \$2,895.14; North British, \$74,346.68; Northern, \$38,848.27; Norwich Union, \$18,208.41; Phoenix of London, \$64,424.70; Queen, \$45,650.85; Royal, \$79,526.02; Scottish Union and National, \$28,420.38. Total, \$676,962.81.

Adverse Balances—London Assurance, \$1,437.01; National of Ireland, \$541.80. Total, \$1,978.81.

Total balance in favor, \$674,984.00.

For every \$100 of premiums received there were spent, on the average, \$56.14 in payment of losses and \$24.05 for general expenses, leaving \$19.81 for the Companies.

In 1884 the loss rate was \$63.56, and the general expenses, \$24.12 for every \$100 of premiums received.

For the fire business the rate of premium was \$11.416 per \$1,000 of risks taken, as against \$11.446 in 1884.

Hence, these Companies have done a smaller volume of business than in 1884, at a slightly less rate of premium and rate of expense, and at a much smaller rate of loss.

Collecting the results for the eleven years, from 1875 to 1885, as regards the receipts for premiums and the expenditure of the British Companies, we find:—

Paid for losses (1875-85).....\$	20,832,295
“ general expenses.....	6,051,066
<hr/>	
Total payments.....\$	26,883,361
Received for premiums.....	26,628,840
<hr/>	
Excess of payments over receipts.....\$	254,521
<hr/>	

This adverse balance, due to the exceptional circumstance of the conflagration at St. John, in 1877, when the losses paid by the British Companies amounted to nearly five millions, is thus seen to be in course of reduction, and will probably be reversed in another year, unless some serious disaster intervene, as the following table indicates:—

AMERICAN COMPANIES.

The Marine business of the Phenix of Brooklyn will be here included, and also Inland Marine insurance done by the Aetna.

The receipts for premiums were \$396,683; the payments for losses, \$209,693; and the general expenses, \$86,206—leaving a balance of \$100,784 for the Companies. Last year this balance was \$91,136; hence, for every \$100 of premiums received

there were spent, on the average, \$52.86 in payment of losses, and \$21.73 in general expenses, leaving \$25.41 for the Companies.

The balance of \$100,784 in favor of the Companies is distributed as follows:—
 Aetna of Hartford, \$34,474; Agricultural of Watertown, \$5,830; Hartford, \$40,182; Phenix of Brooklyn, \$20,298.

The results of the total business of these Companies, from 1875 to 1885, inclusive, are as follows:—

Paid for losses (1875-85).....	\$ 2,577,918
“ general expenses.....	655,331
Total payments.....	\$ 3,233,249
Received for premiums.....	3,540,196

CANADIAN COMPANIES.

In considering the Canadian Companies, the business outside of the Dominion in Fire insurance of these Companies has to be taken into account, as well as their Marine business, since a separation of expenses between these branches is not made.

The following table gives the distribution of their Fire business between Canada and elsewhere, and shows that the foreign business has been, on the whole, less favorable to the Companies than the home business.

The assets of the six Canadian Companies doing Fire business amounted, at the end of the year, to \$3,885,351, covering a total amount of insurance of all kinds of \$271,930,565, being at the rate of \$14.29 for every \$1,000 of insurance in force; they have also a reserve of subscribed capital not called up, amounting to \$1,553,138, making a total security of \$20.00 for every \$1,000 insured. The liabilities of the same Companies amounted to \$2,223,107, made up as follows:—

Unsettled losses	\$ 251,877
Unearned premiums.....	1,898,229
Sundry	73,001
<hr/>	
Total	\$2,223,107
<hr/>	

The unearned premiums are here taken to be the *pro ratâ* proportions of the gross premiums for the time unexpired in the cases of Fire and Inland Marine insurance, and the whole premium in the case of a current Ocean risk. The surplus of assets over liabilities available for the protection of policy-holders, independent of the reserve of subscribed capital not called up, amounts to \$1,662,243.52.

The capital stock of these companies, paid up or in course of payment, amounts to \$1,481,662, and the result shows a surplus of this capital to the amount of \$180,582. At the end of 1884 there was an impairment of \$6,242.

The following table gives the condition, at the end of 1885, of all the Canadian stock Companies in reference to their surplus or impairment of paid-up capital.

†As reduced by Act of Parliament.

A comparison of this with the corresponding table for the previous year enables us to estimate the progress of each Company during the year, and shows the following results:—

Gain or improvement during 1885 :

British America, \$35,572.21; Citizens', \$632.31; London Mutual, \$18,153.83; Quebec, \$10,637.87; Royal Canadian, \$21,946.65; Western, \$71,073.15. In arriving at the "gain" for the year 1885 of the Royal Canadian and the Western, dividends declared and not due, to the amount of \$17,236 in the case of the former Company and \$16,000 in the case of the latter, have been excluded from the liabilities of these Companies, respectively, for the year 1884, the corresponding items not being included in the statements of the liabilities of these Companies for 1885.

Including the whole business of the mixed Companies, as well outside as within the Dominion, it appears that the Canadian Companies have received, during the year 1885, a total cash income of \$3,212,577.43 (exclusive of \$30,433.18 received on account of capital stock), which is made up as follows:—

	1885.	The same in 1884.	The same in 1883.
	\$ cts.	\$ cts.	\$ cts.
Premiums	3,089,381 09	2,990,995 28	3,005,945 52

Total	3,212,577 43	3,124,961 35	3,168,510 42

In the same way, the cash expenditure during 1885 has been \$3,003,032.99, distributed into—

	1885.	The same in 1884.	The same in 1883.
	\$ cts.	\$ cts.	\$ cts.
Losses paid	1,985,256 67	2,165,708 63	2,291,429 02

Total	3,003,032 99	3,139,421 19	3,327,879 43

Thus, it appears that for every \$100 of income there has been spent \$93.48, namely,—for losses, \$61.80; for general expenses, \$28.57; and for dividends to stockholders, \$3.11. Hence, also, for every \$100 of premiums received there has been paid out, \$64.26 for losses, \$29.71 for expenses, and \$3.23 for dividends to stockholders.

INLAND NAVIGATION AND OCEAN MARINE INSURANCE.

Including the Canadian business of the Phenix of Brooklyn, the *Ætna*, and the Commercial Union, and the whole business in these branches done by the three Canadian Companies, the following are the results of the year :—

For Inland Navigation.

Premiums received, \$210,782; losses incurred, \$107,442; of which were paid \$88,248, leaving a balance of \$19,194 of them still unsettled. There was also paid during the year \$22,532, on account of losses incurred in previous years, making the total payments during the year, on account of losses, \$110,780, while the total outstanding or unsettled losses at the end of the year were \$19,694.

Ocean Marine.

Premiums received, \$345,197; losses incurred, \$237,750; of which were paid \$231,164, leaving a balance of \$6,586 of them still unsettled. There was also paid during the year, \$35,501, on account of losses incurred in previous years, making the total payments during the year, on account of losses, \$266,665, while the total outstanding or unsettled losses at the end of the year were \$10,747.

The Inland Marine business has again been fairly prosperous, the losses incurred having amounted to 50·99 per cent. of the premiums received, while last year the rate was 58·44.

In the Ocean business the rate of losses incurred to premiums received was 68·87, while last year it was 64·44. The bulk of the Ocean business is transacted by companies which are not required to be licensed and do not report to this Department.

An abstract of the Inland Marine business will be found on page l, and details of this and the Ocean business for the individual companies on page lii.

LIFE INSURANCE.

The business of Life Insurance has been transacted by 29 active companies, of which 10 were Canadian, 11 British and 8 American.

Licenses were issued during the year to two companies, viz., the London Life and the Mutual Life of New York.

The London Life Insurance Company was originally incorporated by an Act of the Legislature of the Province of Ontario, being the Act 37 Vic., cap. 85, with

power to carry on the business of Life and *Accident* Insurance. By the Act of Incorporation the capital stock of the Company was declared to be \$100,000, with power to the board of directors to increase the capital from time to time to an amount not exceeding \$500,000. From the time of its incorporation, in 1874, until its application for a Dominion license the Company carried on in Ontario the business of Life and *Accident* Insurance. By an Act of the Parliament of Canada, 47 Vic., cap. 89, the capital of the Company was increased to \$1,000,000 and the Company was empowered to transact in any part of the Dominion, or in any other country, the business of Life Insurance in all or any of its forms or branches, but the Company as incorporated under the Dominion Act is not authorized to transact the business of *Accident* Insurance, but has the right to wind up such *Accident* business as had been undertaken by it when working under the Provincial charter. The Act 47 Vic., cap. 89, as amended by 48 and 49 Vic., cap. 94 was approved of on the 19th day of November, 1885, by the shareholders of the Company, and immediately thereafter went into force in pursuance of the terms of the statute.

The Mutual Life of New York was in business in Canada several years ago, but ceased to transact new business about the time of, or shortly prior to, the passing of the Insurance Act of 1868, 31 Vic., cap. 48. The company was not, however, licensed under the Act just referred to, nor under the Consolidated Insurance Act of 1877, until the 29th day of July, 1885, when a license was issued to it for the first time. As will be seen by reference to its statement there were in force at the beginning of the year, 130 policies, representing, of course, part of its old business, and during the five months after the issue of the license, 310 policies were issued.

Insurances effected during the year.

The total amount of policies in Canada, taken during the year 1885 has been \$27,164,988, exceeding the amount taken in 1884 by \$3,747,076, and of this increase the largest share pertains to the Canadian companies, being \$1,955,430, while in 1884 they had gained \$1,042,948; the American companies have an increase of \$1,008,909, as against \$912,102 in 1884; and the British companies have an increase of \$782,737, whilst last year they had a decrease of \$110,098.

The respective amounts effected are:—

Canadian Companies.....	\$	14,881,695
British do		3,950,647
American do		8,332,646

So that the amount taken by the native companies exceeds that taken by the British and American together by over 2½ millions of dollars. The details of the increase or decrease among the respective companies are given on pages lxviii and lxix.

Life Insurance in Force in 1885.

The total amount of insurance in force at the close of the Statements was \$149,962,146, which shows the large increase of \$14,503,420 over that of the previous year, being distributed as follows:—

	Total in Force.	Increase.
Canadian Companies.....	\$74,591,139	\$8,071,181
British do	25,930,272	1,613,100
American do	49,440,735	4,824,139
Total.....	\$149,962,146	\$14,508,420

Among the seven active American companies, the increase was \$4,120,875, while in the retired American companies, which had at risk \$6,320,066 at the close of 1884, the decrease has been only \$389,405, of which \$158,213 was terminated by death or maturity, and \$231,192, or less than 4 per cent. of the existing insurance, was terminated by surrender, lapse or removal.

The following tables will enable the progress of the total business to be traced during the past eleven years, both as regards the amounts of assurances effected from year to year and the total amounts in force:—

1885.....	74,591,139	25,930,273	49,440,735	149,962,146

An examination of these tables will show the steady and rapid progress which has been made by the Canadian companies within the past eleven years, but particularly since the year 1880—for while in 1880 the amount of insurance effected by Canadian companies was \$7,547,876, and while the total amount of insurance by Canadian companies in force at the end of that year was \$37,838,518, the amount effected in 1885 was \$14,881,695, and the amount in force at the end of the year last mentioned was \$74,591,139, thus showing an increase of almost 100 per cent within the six years just referred to. Among the British companies while the amount of insurance effected from year to year has fluctuated considerably, the amount of insurance in force at the end of the respective years from 1875 to 1880 has not varied to a very material extent. Since the year 1880, however, there has been a small though a gradual growth, both in the amount of insurance effected from year to year and the amount at risk at the end of the respective years. As to the American companies, from the year 1875 to the year 1880, there was a gradual falling off in the amount of business effected and a corresponding decrease in the amount in force, but since the year 1880, there has been an upward tendency and the amount of business effected in the year 1885 does not differ materially from that effected in 1875—while the amount in force at the end of 1885 exceeds that in force at the end of 1875 by less than six millions.

Amount of Insurance terminated in 1885.

The amount of insurance terminated in natural course, namely, by death, maturity or expiry, was \$2,257,711, which is greater by \$528,741 than the corresponding amount in the previous year; and the amount terminated by surrender and lapse was \$12,196,617, being less than that in the previous year by \$154,704; relatively, also, to the amount at risk, the former is greater and the latter less than in 1884, giving for every \$1,000 of current risk \$15.15 terminated in natural course, and

\$81.84 by surrender and lapse: In the previous year these rates were \$12.58 and \$89.87 respectively. The following table exhibits the rates for the last five years:—

The total termination amounts to about 44·50 per cent. of the amount of new policies. The actual amounts of termination were distributed as follows:—

	Naturally.	By Surrender and Lapse.
Canadian Companies.....	\$785,205	\$7,258,980

The details of the individual companies will be found on page lxxiii.

Canadian Policies in Force.

The following table gives the number of Canadian Policies in force at the date of the Statements:—

—	Number.	Amount.	Average Amount of a Policy.
Canadian Companies.....	46,593	\$ 74,591,139	\$ 1,601

American do	30,762	49,440,735	1,607
Totals	90,517	149,962,146	1,659

The average amount of the *new* policies is, for Canadian companies, \$1,781; for British companies, \$2,139, and for American, \$1,476; the corresponding amounts last year were \$1,718, \$1,861, and \$2,117. The decrease in the average amount of new policies in American companies is principally accounted for by the Industrial business of the Metropolitan.

DEATH RATE.

The death rate among insured lives in Canada, as far as can be gathered from the returns of the Companies, was 9·581 per thousand, the highest rate yet recorded. The average death rate for the last six years is 8·639, as is shown from the following table :—

	No. of Lives exposed to Risk.	No. of Deaths.	Death Rate.

From these tables it appears that the Canadian Companies have received an income of \$2,742,484.24, drawn from the following sources :—

	1885.
	\$ cts.
Premiums and annuity sales.....	2,157,337 65
Interest and dividends.....	555,131 06
Sundry.....	29,935 53
Total.....	\$2,742,484 24

And they have expended \$1,498,890.06 under the following items :—

	1885.
	\$ cts.
Paid to policy-holders and annuitants.....	934,750 28
General expenses.....	527,370 58
Dividends to stockholders.....	36,769 20
Total.....	\$1,498,890 06

Hence, out of every \$100 of income, they have expended in payment to policy-holders \$34.08; in general expenses, \$19.23, and in dividends to stockholders, \$1.34; leaving \$45.35 to be carried to reserve.

CO-OPERATIVE COMPANIES.

THE Act relating to Assessment Companies, 48 and 49 Vic., cap. 49, went into force on the 20th day of July, 1885, and between that date and the end of the year, a license was issued to the Mutual Reserve Fund Life Association of New York, and a certificate of registration granted to the Canadian Mutual Aid Association in accordance with the Statute, the latter being a Canadian company with its head office in Toronto and the former a foreign company having its chief place of business in Canada at the city of Montreal and its head office at the city of New York. Detailed statements of the business of these Companies for the year 1885 will be found at pages 304 and 301 of this report.

Since the end of the year 1885, certificates of registration have been issued to two additional Assessment Companies, namely, the Provincial Provident Institution of St. Thomas, Ontario, and the Mutual Relief Society of Nova Scotia.

The provisions of Sub section 7 of Section 5 of the Act of 1885 (which section corresponds with Section 39 of the Insurance Act of 1886) and particularly the words "Every certificate and policy shall contain a promise to pay the whole amount therein mentioned" having been the subject of much discussion (by correspondence and otherwise) prior to the licensing and registration of the companies beforementioned, and of frequent inquiry recently on the part of persons interested in Assessment Companies and the object and meaning of these provisions having been frequently misunderstood, I have subjoined a few extracts from a letter addressed to the Deputy Minister of Finance by the Honorable the Minister of Justice whose opinion had been requested by the former upon the matters in question, which extracts may be looked upon as containing an accurate and authoritative interpretation of the sub-section referred to upon the points to which they relate. The letter will sufficiently explain itself and, so far as material to the subject under consideration, is as follows :—

"OTTAWA, 6th November, 1885.

"SIR,—I am in receipt of your letter of yesterday enclosing copies of the certificates or policies of certain Co-operative or Assessment Life Associations, and presenting certain questions in relation thereto. In answer to the first question : Do these certificates conform to the 5th section, sub-section 7, of the Act 48 and 49 Vic., chap. 49 ? I think that under that sub-section the policy or certificate should state an amount, and should contain a promise to pay the whole of that amount out of the death fund of the Association, or out of any moneys realized from assessments to be made for that purpose. The certificate of the Canadian Mutual Aid Association does not conform in either particular. The certificates of the Mutual Relief Society of Nova Scotia and of the Provincial Provident Institution are also defective in the same particulars. The certificate of the Mutual Reserve Fund Life Association of New York states an amount and stipulates that

such amount is to be paid out of the death fund of the Association at the time of the death of the member, or from any moneys which shall be realized to the said fund from the *next* assessment to be made, and that no claim shall be authorized due or payable except from the reserve fund, &c." This is not a compliance with the 5th section, sub-section 7, because that sub-section goes on to say: "And every such Association shall be bound, forthwith, and from time to time, to make assessments to an amount adequate with the other available funds, to pay all obligations created under any such certificate or policy without deduction or abatement." I should further observe "that Section 10 of the certificate of this Association makes the whole contract subject to the operation of the constitution, by-laws and regulations of the Association and the laws of the State of New York. I do not consider that any certificate which thus makes the whole contract of insurance dependent upon the law of a foreign State and on the law of the Association itself is in compliance with Section 5, Sub-section 7."

The Canadian Mutual Aid Association having afterwards submitted for approval an amended form of certificate which contained the following clause: "And the said Association does hereby promise and agree to pay the said amount out of the death fund of the Association and out of the assessment to be made for that purpose when collected, at its office in Toronto, Ontario, *"in accordance with the rules and regulations of the Association, to, &c."* The Hon. the Minister of Justice upon his opinion being again asked as to whether the certificate in its amended form was in conformity with the Act of 1885, replied as follows: "I am of opinion that the words 'in conformity with rules and regulations of the Association' should be omitted from the certificate. These latter words are unnecessary if the rules and regulations of the Association are consistent with the Act and if in any way inconsistent, they might establish a limitation of liability which would be contrary to the statute."

It may be added that all the objections referred to in the foregoing extracts were subsequently remedied by the several Companies.

ACCIDENT AND GUARANTEE INSURANCE IN CANADA, 1885.

The business of Accident Insurance was transacted by six Companies, viz:—3 Canadian (two of which combined it with Life Insurance), 1 American (also combined with Life), and 2 British, one of which combined it with Guarantee business.

The total accident premiums received in Canada were \$145,202, insuring an amount of \$24,066,283, and the sum of \$59,358 was paid for claims, with \$6,824 claims unsettled.

An abstract will be found on p. lxxiv.

The Guarantee business was conducted by two Companies, one Canadian and the other British. The premiums received were \$62,718, guaranteeing an amount of \$9,971,050, and the net amount paid for claims was \$17,568.

The Accident Insurance Company of North America, and the Guarantee Company of North America (both companies native) transact business outside of the Dominion, which is not included in the above.

Since the close of the year 1885, licenses have been granted to two Companies, viz., the Mutual Accident Association for the transaction of Accident and Plate Glass business; and the Employers' Liability Assurance Corporation, for the transaction of Accident and Guarantee business.

At the present time there are eighty (80) Companies under the supervision of this office, being an increase of 12 since the issue of the last Report. The nature of the business transacted by them is as follows :—

The deposits for the protection of policy-holders, held by the Honorable the Receiver-General, in trust for these Companies, at 16th July, last, amounted to \$10,774,201.73, in securities as follows :—

Canada stock	\$ 1,657,196 47

There was also deposited with Canadian Trustees, in conformity with the Act, \$530,697, making a total of \$11,304,899 for the protection of policy-holders.

The total amount of premiums received for all forms of insurance was \$10,171,417, of which \$3,707,360 was received by Canadian Companies, and \$6,464,057 by British and American. The following summary shows the distribution of these premiums to the various classes:—

LEGISLATION.

"The Insurance Act of 1886," which will be found in the Appendix to this Report, is chiefly a consolidation of the Insurance Acts previously existing, viz:— 38 Vic., cap. 20, intituled: "An Act to amend and consolidate the several Acts respecting Insurance, in so far as regards Fire and Inland Marine business;" 40

Vic., cap. 42, intituled: "An Act to amend and consolidate certain Acts respecting Insurance," otherwise known as the "Consolidated Insurance Act of 1877," and 48-49 Vic., cap. 49, intituled: "An Act to modify the application of the Consolidated Insurance Act." Certain alterations and amendments have, however, been made which it may be useful to refer to, the principal of which are the following:—

1. Sub-section (j) of Section 2 is new. The effect of this sub-section is to make Sections 17 and 18 and Sub-sections 5, 6, 7, 8, 9 and 12 of Section 25, and Sections 29, 30, 31 apply to all Assessment Life Insurance Companies—Canadian as well as foreign.

2. Sub-section (k) of Section 2 is also new. The effect of this sub-section is to make the provisions of the Act relating to policies of ordinary Life Insurance Companies apply also to the policies of "Assessment" Life Companies, which latter have usually been termed "certificates of membership."

3. In Section 4 the words "or person" have been added after the word Company in the first line; the object of the amendment being to bring within the provisions of the Act "individual underwriting," which it is believed was being carried on to some extent in the Dominion.

4. In Sub-section 2 of Section 10 the words "as is mentioned in this and the next preceding section" immediately following the word "Company" in the first line are new. The object of this amendment is to define the words "assets in Canada," made use of in the ninth section, when such assets are the property of companies other than Canadian companies carrying on the business of Fire and Inland Marine Insurance in Canada. This sub-section now in effect declares that the "assets in Canada" of companies, whether transacting the business of Life, Fire or Inland Marine Insurance, shall be taken to consist of all deposits with the Receiver-General and of such assets as have been vested in trust for such companies, for the purposes of the Act, in Canadian trustees, appointed by such companies, thus putting foreign Life, Fire and Inland Marine Insurance Companies upon the same footing in this respect. It will therefore hereafter be necessary that companies, other than Canadian companies carrying on in Canada the business of Fire and Inland Marine Insurance shall have deposited with the Receiver-General, or vested in Canadian trustees, under the provisions of the Act, or partly deposited as aforesaid and partly vested in trustees, assets sufficient to cover the re-insurance value of all risks outstanding in Canada, together with all other liabilities in Canada. The effect of the amendment is therefore to make a material alteration in the law relating to the assets of foreign Fire and Inland Marine Insurance Companies.

5. In Sub-section 2 of Section 19 the word "two" in the third line has been substituted for the word "three" in the corresponding section of the Consolidated

Insurance Act of 1877, which amendment effects an important change by reducing by one month the time allowed Life Insurance Companies for depositing their annual statements. It is believed that a further reduction might be made with advantage to the public and without disadvantage or serious inconvenience to the Companies.

6. The last clause of sub-section 2 before mentioned is also new, viz. :—

“ Provided, however, that a preliminary abstract of the year's business to December thirty-first inclusive, comprising the cash premium receipts of the year, the number and amount of the policies issued and taken up, that are in force, and that have become claims and been paid to that date, shall be sent to the Superintendent of Insurance within the first fifteen days of January in each year.”

It seems at least doubtful whether this proviso will accomplish the object intended by its originators. The amendment was proposed when the Bill was before the Banking and Commerce Committee and was adopted, it is respectfully submitted, without sufficient consideration. The Insurance Department is in no way responsible for it.

7. Perhaps the most important of the amendments made to the insurance law by the recent legislation is that which relates to the penalties imposed for violations of the Act and the manner of their enforcement.

Section 14 of 38 Vic., cap. 20, and Section 13 of 40 Vic., cap. 42, in effect provided that every person who delivered any policy of insurance or who collected any premium (except on policies of Life Insurance issued to persons not resident in Canada at the time of issue) or transacted any business of insurance on behalf of any Life, Fire or Inland Marine Insurance company, without being licensed, should be liable to a penalty not exceeding \$1,000 for each violation of the Acts aforesaid, and, in default of payment for one month to imprisonment for a term not exceeding six months, and that such penalty should be recoverable in any court of competent jurisdiction on information filed in the name of the Attorney-General of Canada; and that a moiety of such penalty, when recovered, should belong to Her Majesty, and the other moiety thereof to the informer. In consequence of the necessity for proceedings being taken in a superior court and by information at the suit of the Attorney-General, and of the delays and expenses unavoidably attending such proceedings, the provisions as to penalties above summarized were found to be almost valueless, and in the present Act the Legislature therefore endeavored by simplifying the proceedings to render it less expensive and less difficult to procure a conviction against persons violating or disregarding the provisions of the statute. This desirable object, it is believed, will be accomplished by the 22nd section of the Act, which is in the following words:—

"Every person who delivers any policy of insurance, or interim receipt, or who collects any premium (except only on policies of Life Insurance issued to persons not resident in Canada at the time of issue) or carries on any business of insurance on behalf of any Life, Fire or Inland Marine Insurance Company, without such license as aforesaid, shall, on summary conviction thereof, before any two justices of the peace or any magistrate having the powers of two justices of the peace, for a first offence, incur a penalty of not less than twenty dollars and costs and not more than fifty dollars and costs, and in default of payment the offender shall be liable to imprisonment with or without hard labor for a term of not less than one month nor more than three months; and for a second or any subsequent offence such offender shall be imprisoned with hard labor for a term not less than three months nor more than six months :

"2. One half of any such penalty when recovered shall belong to Her Majesty, and the other half thereof to the informer."

It will thus be seen that the penalty for a first offence is a fine of not less than \$20 and costs and not more than \$50 and costs, and for a second offence imprisonment without the option of a fine. The informer is entitled to one half the penalty when recovered, and an information may be laid by any one cognizant of the facts. It is worthy of note that the words "interim receipt," which were not in the corresponding section of the former Acts, have been introduced in the first line of the section, and that the word "transacts," which was used in the former Acts, has been replaced by the words "carries on," in the third line of this section.

8. The words, "and such policy shall not contain any provision inconsistent with such clause," at the end of Sub-section 9 of Section 39, are new, and were introduced for the purpose of prohibiting a practice, said to exist, of inserting in the body of the policy a provision quite at variance with that provided for by the previous portion of this sub-section, thereby rendering the policy of doubtful meaning, by reason of the existence of clauses inconsistent with each other.

9. In Section 49 the words "or person" after the word "Company" in the first lines of the first and third sub-sections and the same words at the end of the first sub-section are new, and were introduced with the object of preventing "individuals" from transacting business of Insurance other than Life, Fire or Inland Marine Insurance, except when duly licensed for that purpose under the Statute. Under this section, since the Act was assented to, one "individual" has applied for a license which will be issued to him as soon as the necessary deposit has been made.

Some other changes and amendments of minor importance have been made but the foregoing are the only ones which it is considered necessary to refer to at present.

Sections 16 and 17 of the Act of 1875, 38 Vic., cap. 20, and Sections 15 and 16 of the Consolidated Insurance Act of 1877, 40 Vic., cap. 42, being the sections relating to the insolvency of Insurance Companies, and the winding up of insolvent Insurance Companies, have not been consolidated by the present Act, and are therefore excepted from, and are not repealed by Section 50. These excepted sections will, however, be consolidated with and form a part of chapter 129 of the "Revised Statutes of Canada," intitled: "An Act respecting insolvent Banks, Insurance Companies, Loan Companies, Building Societies and Trading Corporations" and usually known as "The Winding-up Act;" Sections 106 to 123 inclusive, of which Act relate exclusively to Insurance Companies. The Insurance Act of 1886 will appear as Chapter 124 in the Revised Statutes, which at the time of writing are in press and will shortly be issued. They are, however, not yet in force, but will come into force after proclamation by the Governor in Council. In the meantime the insolvency and winding-up clauses of the Acts of 1875 and 1877 above referred to remain in force.

The fourth and fifth sections of 34 Vic., cap. 9, referred to in the fourth subsection of Section 10 of the "Insurance Act of 1886," are for convenience of reference reproduced in the appendix at page 390.

THE BRITON MEDICAL AND GENERAL LIFE ASSOCIATION (LIMITED).

In view of the fact that numerous inquiries are being made from time to time with reference to this Company and its present condition, by policy-holders and others interested therein, it will not be deemed inappropriate to refer briefly to the subject here, giving such information as may be useful or interesting. The policies at present outstanding in Canada are of two classes, viz., those issued by the Britannia Life Assurance Company, and those issued by The Briton Medical and General Life Association, the original name of which was the "Briton Life Association," by which latter name it was registered under Imperial Act 7 and 8 Vic., cap. 110, on the 17th day of February, 1854, and by the same name was afterwards, on the 3rd of November, 1862, incorporated under the "Companies Act, 1862." The name was subsequently changed by special resolution and approval of the Board of Trade, on the 5th March, 1863, and from that date has been known by the name of "The Briton Medical and General Life Association." The Britannia Life Assurance Company was established on the first day of August, 1837, and so far as I have been able to ascertain, commenced business in Canada in 1839. In November, 1865, The Britannia Life Assurance Company and The Briton Medical and General Life Association were amalgamated, and thereafter the business of the two Societies was conducted under one management, and as one institution. The Company was licensed on the 22nd of August, 1870, and appears never to have transacted a very large business in Canada, the total number of policies issued in the Dominion from the time the license was issued until it ceased to

transact new business in 1875 was only 661. The last risk assumed by the Company in Canada bears date the 20th August, 1875.

The Company, having ceased to do new business before "The Consolidated Insurance Act of 1877" was passed, came within the provisions of Section 17 of the said Act and was not required to increase its deposit beyond the sum in the hands of the Receiver General at that time.

The number of policies outstanding in Canada at the 31st day of December, 1885, as shown by the Company's last report, was 326, of which 154 were "Britannia" policies and the remaining 172 were "Briton Medical" policies. A valuation of these policies has been made as on the 31st December, 1885, with the following results, viz.:

	No. of Policies.	Amount.	Value.
Britannia.....	154	\$440,281 88	\$235,516 46
Briton Medical.....	172	264,877 53	65,724 53
<hr/>			
Total.....	326	\$705,159 46	\$301,240 99
<hr/>			

The Company suspended in January, 1886, and proceedings were shortly thereafter taken in the Chancery Division of the High Court of Justice in England, having for their object the winding up of the affairs of the Company, or its reconstruction upon the footing of a reduction of its contracts, and an order bearing date the 12th day of February last was made by Mr. Justice Kay substantially to the effect following:

"That it be referred to Mr. A. H. Bailey, of the London Assurance Corporation, and Mr. R. P. Hardy, of the Guardian Assurance Company, both of the city of London, Actuaries, as special referees to inquire and report to the court, and to make an actuarial valuation of the Company's risks, and to report as to the various classes of liabilities and the respective amounts thereof, and to make and take all necessary inquiries and accounts, and in so doing are to be at liberty to avail themselves of the assistance of Messrs. Deloitte, Dever & Co., of No. 4 Lothbury, of the city of London, chartered accountants, at present engaged in the investigation of the books and affairs of the Association; and the said referees are also to be at liberty to require the directors and officers of the Association to produce all deeds, books, papers, accounts, reports, balance sheets, valuations and documents in their possession or control relating to the affairs of the Association, and also to require the directors and officers of the said Association to furnish the said referees with such particulars of the policies and other contracts entered into or assumed by the said Association, as the said referees may think necessary."

Under this order the investigation of the affairs of the Company has been in progress, and a report, or at all events a partial report, has been made, as appears

from a notice dated 12th July last, issued by the solicitors of the provisional liquidator, which is as follows :—

IN THE HIGH COURT OF JUSTICE (CHANCERY DIVISION).

In the matter of "The Companies Acts, 1862 and 1867" and in the matter of "The Life Assurance Companies Acts 1870 and 1872," and in the matter of Briton Medical and General Life Association, Limited.

Notice is hereby given, that in pursuance of the directions given by the Judge, The Honourable Mr. Justice Kay, a meeting of the policy-holders and annuitants of the above-named Association, at which Mr. Henry Dever, the provisional official liquidator of the above named Association, will preside, is to be held at the Cannon Street Hotel, London, on Monday, the 26th day of July, at 2 o'clock in the afternoon, when the report of Messieurs Bailey and Hardy, the actuaries appointed by the Court to ascertain the present liabilities of the Association and also the report of Messieurs Deloitte, Dever, Griffiths and Company, as to the existing assets of the said Association, will be stated to the meeting.

The short result of the investigation of the Association's affairs is as follows :—

Amounts assured by existing policies.....	£	s.	d.	£	s.	d.
3,205,118	3	0				
Annuities per annum	910	0	2			
Estimated present liability in respect of the above.....				1,043,408	0	0
The report as to the assets will be completed before the meeting is held and it is feared that they will produce less than one-half of the amount of the present liabilities or say about.....				400,000	0	0

This deficiency is owing in part to defalcations which the investigations already made show amount to not less than £100,000.

The following questions will be submitted to the meeting :—

Whether it is desirable that an order should be made by the Court for winding up the affairs of the above named Association? or, in the alternative,

Whether a scheme should be sanctioned for the reconstruction of the Company upon the footing of a reduction of its contracts?

Dated this 12th day of July, 1886.

GREGORY, ROWCLIFFES and COMPANY,
1, Bedford Row, London.

Solicitors for the provisional official Liquidator.

NOTE.—Only policy-holders and annuitants can be admitted to the meeting and no proxies will be allowed. It is therefore essential that this Notice be presented in order to obtain admission. The room will be opened at half-past one o'clock, being half an hour before the chair will be taken.

We are in possession of no information as to whether the liability to Canadian policy-holders has or has not been taken into consideration in the estimated liability of £1,043,408, referred to in this circular, nor does it appear whether the Canadian deposit of £21,240 6s. 8d. is or is not reckoned as part of the assets, but it is highly probable that the Canadian assets and liabilities have both been taken into account. No thoroughly reliable information has been received as to the result of the meeting held on the 26th July, in pursuance of the circular given above, but it is understood that no conclusion was arrived at and that the meeting, without having accomplished anything, adjourned to meet again on the 9th August,

1886. On the day last mentioned, at the adjourned meeting, the assets were stated by Mr. Dever, the provisional official liquidator, to amount to the sum of £312,154 (less than thirty per cent. of the amount of the liabilities). Nothing appears to have been done at this meeting beyond the appointment of a committee of policy-holders, to act with the official liquidator, and to attend upon the proceedings before Mr. Justice Kay, in Chambers.

Legal proceedings have also been instituted by interested parties in two of the Provinces of the Dominion (Ontario and Quebec), having in each case the same object in view, viz., the distribution among the Canadian policy-holders of the amount deposited with the Receiver-General. In Ontario where there were several petitioners the result of the proceedings so far as known has been the making of an order declaring the Company insolvent within the meaning of Canadian statutes, appointing an assignee, directing accounts and enquiries to be taken and made and a report thereon to be made to the Court. The order is as follows:—

IN THE HIGH COURT OF JUSTICE (CHANCERY DIVISION).

PROUDFOOT, J.

Friday, the 18th day of June, A.D. 1886.

In the matter of "The Briton Medical and General Life Association, Limited," and in the matter of the Acts of the Parliament of the Dominion of Canada, 31 Victoria, chapter 48; 34 Victoria, chapter 9; 40 Victoria, chapter 12; 45 Victoria, chapter 23; 47 Victoria, chapter 39, and all other statutes affecting the said Company or respecting the winding up of insolvent Insurance Companies.

Upon the humble petition of Samuel B. Harman, the Reverend Featherstone Lake Osler, Charles W. Covernton, R. W. Hillary, the Reverend John Smith, George S. C. Bethune, George Clatworthy, John C. Copp, James Farquhar, George Harper, Bouverie Deedes, James Henderson, Catherine Frances Small, Adam Rutherford Creelman, Colonel Gzowski, John Bell, James Morrison, Alexander Marling, the Honorable Mathew Crooks Cameron, Harriette Kingstone, Frederick Kingstone, and the Reverend George M. Kingstone, executrix and executors of the late George Templeman Kingstone, deceased, Samuel Taylor, trustee for Frederick Kingstone, James Douglass and David Fisher, presented unto this Court on the 16th day of June instant, by Mr. Charles Moss, Q.C., and Mr. J. T. Small, of counsel for the said petitioners, in the presence of counsel for the above-named The Briton Medical and General Life Association, Limited, and for Henry Dever, the provisional official Liquidator of the said Company appointed by order of the Chancery Division of the High Court of Justice in England.

Upon opening of the matter and upon hearing read the said petition, the affidavits of Rupert Etherege Kingsford, Samuel Christopher Marson, James Bryce Allan, Robert Wardrope, John Russell Tarnent, and the two affidavits of John T. Small filed, and upon hearing what was alleged by counsel aforesaid, this Court did direct that this matter should stand over for judgment, and the same coming on this present day for judgment—

(1.) This Court doth declare that the said Insurance Company is insolvent within the meaning of the said statutes of the Parliament of Canada, 31 Victoria, chapter 48, and 34 Victoria, chapter 9; and that the deposit made by the said Company with the Receiver-General of Canada, in compliance with the provisions of the said statutes, is liable to distribution, pursuant to the said statutes, and doth order the same accordingly.

(2.) And this Court doth further order that John Winchester, of the city of Toronto, barrister-at-law, be and he is hereby appointed assignee in pursuance of and for the purpose of the said statutes.

(3.) And this Court doth further order that the said assignee do make the enquiries and take the accounts and proceedings directed by the said statutes, and do make his report thereon to this Court.

(4.) And this Court doth further order that the taxing master of the Supreme Court do tax the petitioners their costs of this petition, and that the same be paid out of the said deposit with the Receiver-General.

(5.) And this Court doth reserve leave to all parties to apply to this Court from time to time as they may be advised.

(Signed), A. F. MACLEAN,
Assistant Registrar.

Entered 28th June, 1886.
J. B., 8, p. 209, J. S.

At the time of writing the petition filed in the Superior Court of the Province of Quebec is still pending. The petitioner claims that the Court last referred to and that court alone has jurisdiction over the affairs of the Company in Canada, while on the other hand the solicitors for the provisional official liquidator appear to claim that the High Court of Justice in England has exclusive jurisdiction, as shown by the following notice served upon Messrs. Glynn, Mills & Co., and by them transmitted to the Receiver-General:—

IN THE HIGH COURT OF JUSTICE (CHANCERY DIVISION).

In the matter of the Companies Acts, 1862 and 1867, and in the matter of the Life Assurance Companies Acts, 1870 and 1872, and in the matter of The Briton Medical and General Life Association (Limited).

To Messrs. GLYNN, MILLS & Co.,
Bankers, 67 Lombard Street,
London, E.C.

GENTLEMEN,—Whereas the above named association having duly made a deposit with the Receiver-General of Canada of certain securities, in accordance with the provisions of certain Acts of Parliament of the Dominion of Canada, which securities are now deposited with you, and are as follows:—

Western Australian Government 4 per cent. bonds.	£ 7,500	0	0
Cape of Good Hope Government 4 per cent. bonds.	13,500	0	0
Cape of Good Hope Government 4 per cent. stocks.	240	6	8

£21,240	6	8
---------	---	---

And, whereas, on the 9th January, 1886, a petition was presented to the Chancery Division of the High Court of Justice in England, praying that the said Association should be wound up, or in the alternative, that the contracts of the said Association should be reduced in accordance with the provisions of the Life Assurance Acts, 1870 and 1872: And, whereas, on the 13th January, 1886, an order was made in the matter of the said petition appointing Henry Dever of 4 Lothbury, in the city of London, Chartered Accountant, Provisional Official Liquidator of the said Association, and the proceedings on the said petition are still pending: And, whereas, an order was made on the 18th June, 1886, by the Chancery Division of the High Court of Justice of the Dominion of Canada declaring that the said deposit was liable to distribution pursuant to the said Statutes: And, whereas, the right

of the said Canadian Court to make such an order is disputed and an appeal has been lodged on behalf of the said Association and of the said Henry Dever as Provisional Official Liquidator as aforesaid against the said order; Now, as solicitors for and on behalf of the said Henry Dever as such Provisional Official Liquidator as aforesaid, we hereby beg to request you to pay to the said Henry Dever, all dividends and income which have been received by you in respect of the said securities and also to pay from time to time, until further notice, all dividends and income which shall be received in respect of the said securities.

And we also beg to give notice that the said securities are not to be assigned, transferred or in any way dealt with except in pursuance of an order in the above matter to be made by the Chancery Division of the High Court of Justice in England. Dated this 13th day of July, 1886.

(Signed), GREGORY ROWCLIFFES & CO.,
1 Bedford Row, London.

Where the legal proceedings will ultimately end is a mere matter of conjecture; and whilst the proceedings already instituted might be taken to indicate that there is a prospect of considerable litigation over the Company's affairs, I am not without hope that such may not be the case. It would certainly be a source of extreme regret should there be danger of the wasting of any portion of the assets in unnecessary litigation; but in view of all the facts and circumstances connected with the matter there seems little room for doubt that the final result will be the division of the Canadian deposit (or the balance thereof after payment of costs) among the Canadian policy-holders.

I have the honor to be, Sir,

Your obedient servant,

W. FITZGERALD, M.A.,

Superintendent of Insurance.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1884.

(Abstracted from Directors' Report, London. Eng., June, 1885.)

The premiums received, after deduction of Re-assurances and Returns, amount to £307,031. 10s.

The losses paid and outstanding are £215,934. 16s. 11d., being 70·33 per cent. of the premium income.

The year under notice has been, as regards Fire Insurance business, an unsatisfactory one; the re-adjustment of rates referred to in the last report has not been sufficiently long in force to affect to an important extent the operations of the Company.

The Balance on the year's working is £30,183. 11s., out of which the Directors recommend that a Dividend of 3 per cent. free of Income Tax, be declared on the paid-up capital of the Company for the year ending 31st March, 1885, payable on the 11th June next. This will absorb £6,000, leaving a balance of £24,183. 11s. to be carried to the credit of the new account.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1885.

(Abstracted from Directors' Report, London, Eng., March, 1886.)

Fire Department:—The net premiums of 1885 amounted to £767,165, being a reduction of £56,312, as compared with the year 1884, and the losses paid and outstanding to £519,008, being 67 $\frac{3}{4}$ per cent. of the premium income.

The reduced income is the result of a careful revision of the business carried out under the new management, and, although the loss ratio may appear high, the liabilities of the Fire Department, on the other hand, are materially reduced.

From the profits of this Department the sum of £10,000 has been carried to profit and loss, and after providing for all outstanding losses the Fire Fund stood at £563,070, as against £543,238 at the same time last year.

Marine Department:—The net premiums received were £197,050, and the net losses, paid and outstanding, amounted to £137,373.

From the profits of this department the sum of £40,000 has been carried to profit and loss, and after providing for outstanding losses the Marine Fund stood at £229,704.

Profit and Loss:—This account has been closed with a balance of £48,804 10s. carried forward to 1886, and out of that amount the Directors recommend the payment of a dividend at 10 per cent. (free of income-tax), making 15 per cent. for the year inclusive of the interim dividend paid in September last.

FIRE INSURANCE ASSOCIATION—*Concluded.*

FUNDS OF THE ASSOCIATION.

The audited accounts, as annexed, show that after providing the reserve for current risks, outstanding losses, and all expenditure, including the cost of closing agencies previously referred to, the funds at the 31st December stand as follows:—

Paid-up capital	£100,000	0	0
Reserve for current risks, being one-third of the net premium income...	97,740	3	6
Balance carried to 1886.....	10,225	4	6

Total funds.....	£207,965	8	0
------------------	----------	---	---

The uncalled capital is £800,000, thus giving a total security of.....	£1,007,965	8	0
--	------------	---	---

The directors desire to point out in reference to the past year's operations that the adverse character of the above figures is chiefly due to two causes, viz:—the Galveston conflagration £25,033 18s. 4d., and other exceptional losses in connection with agencies now relinquished at the request of the shareholders, £22,205 10s. 9d. Without these elements, the result of the year's business would have been very favorable, showing a net balance of from £20,000 to £25,000.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1884.

(Abstracted from Directors' Report, London, Eng., 3rd June, 1885.)

FIRE DEPARTMENT.

The fire premiums, after deducting re-insurances, amounted to £423,438 16s. 2d., being an increase of £16,605 over last year, and the losses to £275,215 19s. 4d., being 65 per cent. of the premiums. While there have been no individual losses of unusual amount, the Directors regret that this ratio of loss exhibits an unsatisfactory result. After adding £21,000 to the premium reserve fund as the proper increase due for unexpired policies, the fire account shows a profit, arising from interest, of £14,679 12s. 11d. The Directors have deemed it expedient, having regard to the increase of the business, to add £10,000 to the fire general reserve fund out of this sum, and recommend that the balance of £4,679 12s. 11d. be transferred to the proprietors' account.

The premium reserve fund to cover unexpired policies will then stand at £190,500 and the fire general reserve fund at £290,000. There will be therefore an aggregate fund (apart from the proprietors' capital) of £480,500 to meet fire claims.

PROPRIETORS' CAPITAL ACCOUNT AND DIVIDEND.

The interest on the paid-up capital, with the profit on investments realized, the transfer fees and the balance brought forward from 1883, amounts to £45,806 15s. 2d. To this has to be added £4,679 12s. 11d., from the fire account, £4,778 15s. 4d. from the annuity and endowment fund, and £40,000 from the life fund, making altogether a total sum available for dividend and bonus of £95,265 3s. 5d. This is sufficient to pay 9 per cent. on the paid-up capital, free of income tax, and to carry forward a balance of £5,265 3s. 5d.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1885.

(Abstracted from Directors' Report, Liverpool, Eng., 19th May, 1886.)

FIRE DEPARTMENT.

The fire premium income for the year, after deducting the sums paid for re-insuring surplus risks, amounts to £1,252,385. The losses, inclusive of full provision for all claims that had arisen up to the close of the year, amount to £700,750. The account, after providing for expenses, shows, without the addition of interest, a surplus of £169,353, which has been carried to profit and loss account.

PROFIT AND LOSS ACCOUNT AND DIVIDEND.

The profit and loss account, with the addition of the fire profits above referred to as having been carried to it, and of the interest earned on the funds other than those of the Life department, after deducting the amounts paid for the Globe perpetual annuities for 1885, leaves a balance of £666,331.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1885.

(Abstracted from Directors' Report, Liverpool, Eng., 29th April, 1886.)

The net premiums received, after deducting re-insurances, amounted to £490,012 8s. 2d., against £491,315 3s. 2d. in the previous year.

The net claims arising from all fires occurring up to midnight of 31st December last, including full estimates for all such as were not completely adjusted at the time of closing these accounts, amounted to £263,053 9s.

The balance of the year's working, after deducting all commissions, expenses, bad debts, depreciations, and other outgoings, and including interest on investments, amounts to £82,913 11s. 5d. Adding this sum to the balance of £17,304 1s. 9d., brought forward from last account, there is an amount of £130,217 13s. 2d., now to be dealt with.

LONDON AND LANCASHIRE FIRE—*Continued.*

The directors propose to pay on 3rd proximo a dividend free of income tax of 5s. per share, or 10 per cent. on the paid-up capital, which will absorb £18,520. They also propose to add £40,000 to the reserve and re-insurance fund, and to carry forward the balance, £71,697 13s. 2d., to next account.

GENERAL BUSINESS STATEMENT FOR YEAR ENDING 31ST DECEMBER, 1885.

(Abstracted from Directors' Report, Dublin, 25th February, 1886.)

FIRE BUSINESS.

The Fire income during the year has shown satisfactory progress. The claims chargeable against revenue have been somewhat above what may be considered as the average rate, they having been 66 per cent. The expenses and commissions compare favorably with those of most companies engaged in a general business, they being only 27 per cent., leaving a balance of £11,483 on the year's transactions. To the ordinary claims of the year there has been added a special charge of £12,606 13s. 4d., incurred in connection with the transfer of the business of the London and North-Western Fire Company, the consideration for which (£19,000) was included in the Revenue account for 1884. The whole of this sum may be considered as directly chargeable against the £20,000 which was added to the Fire reserve out of the balance of 1884. It has, however, although entered as a distinct item in the account, been charged against Income. After doing this, and transferring £3,875 1s. 10d. to this year's Profit and Loss account, the Fire fund shows a credit balance of £35,000.

PROFIT AND LOSS ACCOUNT.

The balance to the credit of this account at the end of the year was £31,696 0s. 4d., out of which the directors recommend the further payment of £3,000 as dividend for the year 1885, which, with the interim dividend of £6,000 paid in August last, will be £3 10s. per share, being 14 per cent. on the paid-up capital. After payment of the dividend there will be a balance of £23,696 0s. 4d. to be carried forward, as against £23,830 19s. 5d. in the previous year.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1885.

(Abstracted from Directors' Report, Edinburgh, 29th April, 1886.)

FIRE BUSINESS.

In 1884 the premiums received amounted to	£1,428,830	5	7
Deduct re-insurances.....	314,761	12	7
	£1,114,063	13	0
During 1885 the premiums received amounted to	£1,430,143	16	3
Deduct re-insurances	281,633	1	11
Net premiums	1,148,510	14	4
Increase of net premiums	£ 34,442	1	4

The net losses by fire have amounted to the sum of £615,223 11s. 5d., which includes a full estimate of all claims that arose prior to 31st December, 1885.

After setting aside, as formerly, one-third of the net premiums of the year to provide for liabilities on current policies, the balance at the credit of Profit and Loss account for 1885, including the unappropriated balance of £55,939 5s. 2d. brought forward from 1884, amounts to £303,429 6s. 11d.

At this quinquennial period it is interesting to contrast the results of the business for the last five years with the results for the preceding five years. The directors have therefore to state that while during the five years ending 31st December, 1880, the premiums received amounted to £4,535,118 11s., and the losses to £2,607,384 11s. 5d., during the period from 31st December, 1880, to 31st December, 1885, the premiums and losses were as follow :—

NORTH BRITISH AND MERCANTILE—*Continued.*

Year.	Premiums.	Losses.
1881.....	£ 958,654 1 2	£ 625,605 6 6
1882.....	1,086,566 14 8	677,562 14 6
1883.....	1,107,745 9 9	672,825 13 10
1884.....	1,114,068 13 0	704,357 0 2
1885.....	1,148,510 14 4	615,228 11 5
	<u>£5,415,545 12 11</u>	<u>£3,295,579 6 5</u>

It will thus be seen that the amount of premiums received during the last five years exceeded the amount received during the five preceding years by £880,427 1s. 11d., and that the losses of 1881-85 exceeded those of 1876-80 by £688,194 15s.

GENERAL BUSINESS STATEMENT FOR YEAR ENDING 31ST DECEMBER, 1884.

(Abstracted from Directors' Report, Aberdeen, 12th June, 1885.)

FIRE DEPARTMENT.

The premiums received last year amounted to £573,189 19s. 1d., which, compared with £520,206 18s. 8d. in the previous year, shows the substantial increase of £52,983 0s. 5d. This increase is spread in satisfactory proportions over all the main sections of the business, except the Continental, in some branches of which it has been judged prudent to curtail the Company's operations.

The losses were again heavy, and amounted to £376,659 1s., or 65·71 per cent. of the premiums. The general average of the Company's experience from the beginning is now 59·85 per cent.

The expenses of management (including commission to agents and charges of every kind) came to £180,131 5s. 7d., or 31·43 per cent. of the premiums. This is a slight increase compared with the previous year.

The result is that, after reserving the usual 33 per cent. of the premiums to cover liabilities under current policies, a loss was incurred on the year's operations of £1,261 7s. 7d. (See annexed account.)

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1885.

(Abstracted from the Directors' Report, Norwich, England, 6th July, 1886.)

The net premium income for the year ending 31st December, 1884,			
amounted to.....	£	577,207	6 9
The net premium income for 1885 amounted to.....		598,841	0 1
Showing an increase on the previous year of	£	11,633	13 4

After setting aside one-third of the premiums (£196,230) as a reserve against liabilities on policies not run off, the balance at the credit of profit and loss account, including the unappropriated balance, £30,661, brought forward from the previous year, is £162,186, out of which an interim dividend of £2 per share was paid in January last, and a further dividend of £2 per share has been declared by the Board, and will be payable on the 8th of July. The reserve fund will be increased to £250,000, and a balance of £93,186 carried forward to next year's account.

The business of the year has not presented any abnormal features, but it is very satisfactory to the Board to report that the loss rate has been considerably lower. The working profit of the year (irrespective of interest) is £62,605, as against £29,744 for the preceding year.

BRITISH EMPIRE—*Concluded.*

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1885.

(Abstracted from Directors' Report, London, Eng., 6th April, 1886.)

2,491 proposals were received, amounting to £962,136, resulting in 2,135 policies for £849,205, the new premiums payable thereon being £30,418 1s. 11d.; 416 proposals for £143,681 were declined or not completed. In consideration of £4,254 5s., twelve annuities have been granted for an annual payment of £402 19s. 10d. Three annuitants, in receipt of £91 1s. 2d., have died during the year. In the course of the same period 249 policy-holders died, on whose lives 287 assurances had been effected; the claims thus arising, with bonuses, amounted to £97,249 8s. 5d. The surplus income of the year is £53,973 9s. 2d., out of which £19,876 12s. 6d. has been paid to the policy-holders as cash bonus, and £1,462 10s. allowed in reduction of premiums, leaving £32,634 7s. as the net addition to the accumulated fund, which now amounts to £1,060,850 1s. 8d. The securities held are of the highest class, yielding interest exceeding £4 7s. 6d. per cent.; the total income is £207,571 18s. 3d.; the number of policies in force is 17,097, assuring £5,216,443, and the premiums payable thereon, £158,179 11s. The claims are still below the estimated rate of mortality.

(Abstracted from Directors' Report, Edinburgh, 7th July, 1885.)

The number of policies actually issued was 1,203, and the sums assured thereby £529,859 9s. 4d. The new premiums of the year amounted to £17,719 4s. 10d., whereof £965 8s. 8d. was by single payments. The annuity purchase-money amounted to £14,060 12s. 4d. Annuities to the amount of £945 2s. 9d. per annum have ceased by the death of annuitants.

The premium income of the year amounted to £193,817 5s. 4d., and the income from interest and dividends to £84,610 0s. 5d.

The total income (exclusive of annuity purchase-money) was £278,533 15s. 9d., being an increase of £9,186 10s. 10d. over the preceding year.

The claims under life and endowment policies were £161,938 5s. 0d.

The assurance and annuity fund was increased by £60,560 15s. 8d., and at the close of the year amounted to £1,962,130 5s. 8d.

EDINBURGH LIFE—*Continued.*

SEPTENNIAL VALUATION.

On the present occasion the same basis of valuation has been employed as in 1878—namely, the H.M. Table of the Institute of Actuaries for policies of less than five years' standing, and the H.M. (5) Table, combined with the net premiums of the H.M. Table, for policies of five years' duration and upwards. The rate of interest assumed in the calculations has been $3\frac{1}{2}$ per cent., as formerly.

In the case of a few policies, to which those tables could not readily be applied, the calculations were made on the basis of the Carlisle Table, at 3 per cent. interest.

The valuation of the annuities has been made on the basis of the new tables constructed by the Actuary of the National Debt Office from the experience of Government Life Annuityants, and published under the authority of Parliament last year. In this portion of the valuation, also, the rate of interest assumed has been $3\frac{1}{2}$ per cent.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 5TH APRIL, 1885.

(Abstracted from Directors' Report, Edinburgh, Scotland, 14th July, 1885.)

Notwithstanding that the books of the Association, in so far as new business is concerned, have been closed at an earlier date than has been customary for some years, and although the difficulty experienced everywhere in securing business during a time of so great commercial and industrial depression still exists, the Directors are glad to be in a position to report most satisfactory results for the past year, which may be shortly stated thus :—

1,596 new policies were issued, assuring.....£	801,963
The annual premiums for these amounted to	25,245
35 new annuity transactions were completed, at the price of.....	14,421
The income from premiums and interest was	467,563
436 deaths (being fewer than the number expected) occurred amongst the assured under policies for.....	237,232
At the end of the year to 5th April, 1885—	
27,476 policies were in force for	12,093,852
The total claims paid under life policies amounted to.....	3,874,467
The total cash bonuses paid or allocated to policy-holders amounted to.....	1,232,825
The assets in hand, as per the balance sheet, amounted to.....	2,997,430
The funds, as invested at the close of the accounts, yield a return at the rate of £4 5s. 7d. per cent. per annum.	

The allocation of bonus to the policy-holders in the older series of class A. falls to be made annually, and the directors now accordingly declare an allocation to them of cash bonuses at the same rates as last year, to be applied as formerly in part payment of their premiums. The annual bonus to this class of policy-holders will be revised, and such allocations made as may be warranted, at the annual meeting of 1886. At the same time, bonuses will be allocated to the other classes of policy-holders, in accordance with the several systems applicable to them.

Yielding a new premium income (including £858 by single payments) of £21,853 2s., the largest amount of new business the Company has yet done.

The average age of the lives assured is about 33.

The total premium income for the year amounts to £125,446 11s. 11d., and deducting premiums paid to other offices for re-assurance, the net amount is £117 076 19s. 5d., an increase of £10,598 2s. 1d. over the previous year.

The claims by death, with bonus additions, and those matured under endowment assurances, amount to £45,874 12s. 10d., and are within the expectation as shown by the tables.

The audited accounts, on the annexed page, are in accordance with the Insurance Companies' Act. After providing for dividend and bonus to the shareholders at the rate of 15 per cent. per annum on the original amount paid up, and the payment of claims, surrenders and cash bonus to policy-holders, and all other outgoings, there is a balance on the year's working of £51,270 13s. 7d., equivalent to 44 per cent. of the net premium income.

The total funds, as at 31st December last, amounted to £422,539 9s.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1885.

(Abstracted from Directors' Report, Edinburgh, Scotland, 29th April, 1886.)

LIFE BUSINESS.

During the year 1885 there were issued 1,009 policies, assuring £897,290, the premiums on which amount to £32,756 11s. 3d.

The net amount insured in 1885, after deducting sums re-insured, was £754,600; and the net premiums were £27,102 2s. 9d. The net amount insured in 1884 was £749,562, and the net premiums were £27,371 3s. 4d. There was thus an increase in the net business of 1885 over that of 1884 of £5,038 in the sums assured, but a decrease of £269 0s. 7d. in the net premiums.

The income of the life branch from premiums and interest for the year amounted to £520,612 1s. 3d.

During the year 1885 there were proved 331 deaths, by which 391 policies emerged and 14 endowments matured. The sums which thus became payable amounted, with bonus additions, after deducting re-assurances, to the sum of £306,449 18s. 11d.

It will be seen from the state of affairs annexed that the life assurance fund amounted, at 31st December, 1885, to £3,592,628 1s. 8d., being an increase during the year of £134,032 2s. 11d. This fund is separately invested, and is, by Act of Parliament, set aside specially to meet the claims arising under this branch of the Company's business.

ANNUITY BUSINESS.

During the year 1885, under the annuity branch of the business, 142 bonds have been issued, securing the yearly sum of £7,406 14s., for which the Company received the sum of £70,641 2s. 9d. by single payment, and £134 1s. 4d. by annual premium.

During the year, 69 annuities have expired, relieving the Company of the sum of £3,604 17s. 4d. yearly.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1885.

(Abstracted from the Directors' Report, Glasgow, 6th May, 1886.)

The Directors have to report that during the year ending 31st December last they received and considered 911 proposals for assurance, amounting in all to £585,395. These applications resulted in 771 policies being issued and taken up, assuring the capital sum of £494,920; the new premiums on which—including £2,422 10s. 7d. of single payments—amounted to £18,278 13s. 11d. In addition to this, the sum of £5,090 8s. 8d. was received for annuities granted during the year.

The number of deaths in 1885 was 243, and the consequent claims, including bonus additions, and after deducting re-assurances, amounted to £189,207 11s. 3d.

The Society has also paid the sum of £5,425 under policies which became claims by survivorship.

By the deaths of 7 annuitants the Society has been relieved of payments amounting to £513 17s. 6d. per annum.

The accounts hereto appended show that the total income was £319,611 14s. 5d., and the total outgo £245,459 2s. 9d., resulting in the sum of £74,152 11s. 8d. being added to the net funds, which at 31st December last amounted to £2,661,968 4s. 7d.

The total assurances on the Society's books at 31st December last amounted to £7,933,844 3s. 6d. under 14,658 policies.

The General Committee of Management, in terms of the powers entrusted to them, have ordered payment of a bonus at the rate of $1\frac{1}{2}$ per cent. per annum on all participating policies of not less than five years' standing that may become claims by death before the 1st of July, 1887; such bonus to be computed for each complete year since the declaration at last septennial investigation.

(Received, 2nd February, 1886.)

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1885.

(Abstracted from the Directors' Report, Edinburgh, 31st March, 1886.)

The proposals received during the year were 1,908 for £1,128,569. Of these 1,737 were completed, assuring capital sums amounting to £1,006,880. The new premiums were £38,567 5s. 4d.—of which £4,404 5s. 10d. by single payment. A further sum of £28,202 4s. 9d. was received for purchase of annuities.

The claims, by the death of 358 members, were 463—the sum payable including bonus additions,* and under deduction of a portion re-assured, being £296,274 2s. 2d. Endowment assurances, of £5,550, have matured. The total claims were thus £301,824 2s. 2d. On the other hand, the Institution has been released from payment of £1,458 0s. 4d. of yearly annuities.

The premiums of all kinds received in the year were £486,348 12s.; or, deducting those paid for re-assurance, £483,122 2s. 4d. The total receipts of the year, including interest, were £712,102 15s. 1d. The expenses were under 9 per cent. of the premiums, and under 6 per cent. of the total income.

The realized funds, after deduction of claims not then paid, amounted, at 31st December, 1885, to £5,386,915 9s. 2d.; the increase in the year being £323,081 17d. 3d.

Out of £24,800,000, the amount of assurances effected since the commencement of the Institution in 1837, there was still subsisting at the close of the year the large sum of £16,808,000.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1885.

(Abstracted from the Directors' Report, London, Eng., 10th March, 1886.)

NEW BUSINESS IN 1885.

During the year 2,888 proposals for assurance, amounting to £911,600 12s. 8d., were submitted to the Board. Of these, 413 were either declined or not carried out at the close of the year; and 2,475 policies were issued for the assurance of £719,015 12s. 8d., the annual premiums on which amount to £25,083 2s. 5d.

The sum of £6,827 3s. 8d. has been received for the purchase of 18 immediate annuities, amounting to £671 6s. 3d.

The total amount of assurance now in force is £8,928,794.

MORTALITY.

The claims which have arisen during the year in respect of 427 policies have amounted to £178,608 17s. 11d., including bonus additions of £25,360 5s. 9d. The number of policy-holders who have died is within the average expected and provided for in the Society's tables, as in previous years.

The total sum paid in claims (including bonus additions) since the establishment of the Society now amounts to £2,557,385 12s. 2d.

ANNUAL INCOME AND INVESTMENTS.

The income of the Society during the past year has amounted to £366,201 10s. 10d., derived from the following sources:—

Premiums on policies	£ 264,893 18 11
Purchase of annuities	6,827 3 8
Interest on invested funds.....	94,254 17 6
Fees and fines	225 10 9

£ 366,201 10 10

After the payment of all expenses and claims, the balance of income over expenditure amounts to £107,914 11s. 8d. This sum has been added to the assurance and annuity fund, which now stands at £2,315,429 6s. 3d.

The average rate of interest realized on the investments of the Society during the year has been £4 9s. 2d. per cent.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1885.

(Abstracted from Directors' Report, London, Eng., 1886.)

During the year the policies completed assured £3,284,011, representing a new annual income of £17,879 10s. 1d.

The net income from premiums, after deducting re-assurances, was £42,656 15s. 6d.

The claims, including reserve for those then under investigation, were £16,414 15s. 2d.

The directors recommend the payment of a dividend of four shillings per share, free of income tax, and the transfer of £5,000 to the reserve fund, which will then amount to £43,000.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST AUGUST, 1885.

(Abstracted from Directors' Report, Norwich, England, 7th December, 1885.)

It will be seen from the statement of accounts submitted herewith that the premiums have amounted to the sum of £61,456 18s 10d., showing an increase upon those of the previous year, and that with the interest on the invested fund the total income was £66,959 3s. 2d.

The claims have been less than in the preceeding year, and amount to the sum of £31,836 13s. 6d.; and the directors are also able to report with much satisfaction that the working expenses, notwithstanding an increased income, are lower in amount.

The directors have set aside one-third of the premium for the year to cover the unexpired risks on current policies, and they have also added the sum of £5,000 to the general reserve, thus increasing that amount to £15,000 and after making this provision there remains an unappropriated balance of £22,645 15s. 7d., out of which they recommend that a dividend of ten shillings per share (free of income tax) be paid to the shareholders.

(c.) The expression "company," means and includes any corporation or any society or association, incorporated or unincorporated, or any partnership carrying on the business of insurance; "Company."

(d.) The expression "Canadian company" means a company incorporated or legally formed in Canada, for the purpose of carrying on the business of insurance in Canada, and which has its head office therein; "Canadian company."

(e.) The expression "agent" means the chief agent of the company in Canada, named as such in the power of attorney hereinafter referred to, by whatever name he is designated; "Agent."

(f.) The expression "chief agency" means the principal office or place of business of the company in Canada; "Chief Agency."

**"Inland
Marine
Insurance."**

(g.) The expression "inland marine insurance," means marine insurance in respect to subjects of insurance at risk upon the waters of Canada above the harbor of Montreal;

**"Canadian
policy."**

(h.) The expression "Canadian policy" or "policy in Canada," as regards life insurance, means a policy issued by any company licensed under this Act to transact the business of life insurance in Canada, in favor of any person or persons resident in Canada at the time when such policy was issued; and "policy holder in Canada" means any such person as aforesaid;

The same.

(i.) The expression "Canadian policy" or "policy in Canada," as regards fire and inland marine insurance, means a policy of insurance on any property within Canada, issued by any company licensed under this Act to transact the business of fire or inland marine insurance;

(j.) The expression "license" includes certificate of registration;

(k.) The expression "policy" includes a certificate of membership relating in any way to life insurance.

APPLICATION OF ACT.

**To what com-
panies this
Act shall
not apply.
Marine.**

3. The provisions of this Act shall not apply—

(a.) To any company transacting, in Canada, ocean marine insurance exclusively; or—

**Policies prior
to 22nd May,
1868.**

(b.) To any policy of life insurance in Canada, issued previously to the twenty-second day of May, in the year one thousand eight hundred and sixty-eight, by any company which has not subsequently received a license; or—

**Certain com-
panies under
Provincial
Acts.**

(c.) To any company incorporated by an Act of the Legislature of the late Province of Canada, or by an Act of the Legislature of any Province now forming part of Canada which carries on the business of insurance, wholly within the limits of that Province by the Legislature of which it was incorporated, and which is within the exclusive control of the Legislature of such Province; but any such company carrying on the business of life insurance may, by leave of the Governor in Council, avail itself of the provisions of this Act, and if it so avails itself, the provisions of this Act shall thereafter apply to it and such company shall have the power of transacting its business of insurance throughout Canada.

Proviso.

LICENSES.

4. No company or person, except as hereinafter provided, shall accept any risk or issue any policy of fire or inland marine insurance or policy of life insurance, or grant any annuity on a life or lives, or receive any premium, or carry on any business of life or fire or inland marine insurance, in Canada,—or prosecute or maintain any suit, action or proceeding, either at law or in equity, or file any claim in insolvency relating to such business, without first obtaining a license from the Minister to carry on such business in Canada.

What companies or persons only may transact life, fire or inland marine insurance business in Canada.

5. The license shall be in such form as is, from time to time, determined by the Minister, and shall specify the business to be carried on by the company; and it shall expire on the thirty-first day of March in each year, but shall be renewable from year to year.

Form and duration of license.

6. The Minister, as soon as the company applying for the same has deposited in his hands the securities hereinafter mentioned, and has otherwise conformed to the requirements of this Act, shall issue such license as aforesaid.

License to issue on certain conditions only.

DEPOSITS TO BE MADE BEFORE THE ISSUE OF LICENSE.

7. Every company carrying on the business of life insurance, and every Canadian company carrying on the business of fire or of inland marine insurance, or of both combined, shall, before the issue of such license, deposit with the Minister, in such securities as are hereinafter mentioned, the sum of fifty thousand dollars; and every company incorporated or legally formed out of Canada, carrying on the business of fire or of inland marine insurance, or of both combined, shall, before the issue of such license, deposit with the Minister, in such securities as are hereinafter mentioned, the sum of one hundred thousand dollars.

Deposit of securities with the Minister, and to what amount.

8. All such deposits may be made by any company in securities of the Dominion of Canada, or in securities issued by any of the Provinces of Canada; and by any company incorporated in the United Kingdom in securities of the United Kingdom; and by any company incorporated in the United States, in securities of the United States; and the value of such securities shall be estimated at their market value at the time when they are so deposited:

Nature of securities.

which they were deposited, the Minister may notify the company to make a further deposit, so that the market value of all the securities deposited by the company shall be equal to the amount which it is required by this Act to deposit; and on failure by the company to make such further deposit within sixty days after being called upon so to do, the Minister may withdraw its license:

Company may deposit further security.

4. Any company licensed under this Act may, at any time, deposit in the hands of the Minister any further sums of money or securities beyond the sum herein required to be deposited; and any such further sums of money, or securities therefor, so deposited in the hands of the Minister, shall be held by him and be dealt with according to the provisions of this Act in respect to the original sum required to be deposited by such company, and as if the same had been part of such original deposit, and no part of such additional deposit shall be withdrawn, unless with the sanction of the Governor in Council, on the report of the Treasury Board.

How to be dealt with.

Any deficiency of security to be made good by fire and inland marine companies.

9. If it appears from the annual statements, or from an examination of the affairs and condition of any company carrying on the business of fire or inland marine insurance, that the re-insurance value of all its risks outstanding in Canada, together with other liabilities in Canada, exceeds its assets in Canada, including the deposit in the hands of the Minister, the company shall be notified by the Minister to make good the deficiency; and on its failure so to do, within sixty days after being so notified, he shall withdraw its license.

Penalty for default.

Any deficiency of security by other companies to be made good by them.

10. If it appears from the annual statements, or from an examination, as provided for by this Act, of the affairs and conditions of any company carrying on the business of life insurance, that its liabilities to policy-holders in Canada, including matured claims, and the full reserve or re-insurance value for outstanding policies, as hereinafter described, after deducting any claim the company has against such policies, exceed its assets in Canada, including the deposit in the hands of the Minister, the company shall be called upon by the Minister to make good the deficiency; and on its failure so to do within sixty days, he shall withdraw its license;

Penalty for default.

As to company incorporated elsewhere than in Canada.

2. If any such company as is mentioned in this and the next preceding section is incorporated or legally formed elsewhere than within Canada, the assets in Canada as aforesaid shall be taken to consist of all deposits which the company has made with the Minister under the foregoing provisions of this Act, and of such assets as have been vested in trust for the company for the purposes of this Act, in two or more

persons resident in Canada, appointed by the company and approved by the Minister : vested in trust.

3. The trust deed shall first be approved of by the Minister, and the trustees may deal with such assets in any manner provided by the deed of trust appointing them, but so that the value of the assets held by them shall not fall below the value required by this section : Trust deed and dealing with assets.

4. In the case of any such life insurance company, which gave written notice to the Minister before the thirty-first day of March, in the year one thousand eight hundred and seventy-eight, of its intention to avail itself of the proviso contained in section seven of the "*The Consolidated Insurance Act, 1877*," the foregoing requirements of this section shall not apply to policies issued previously to that date; and the deposit of such company, which was in the hands of the Minister, on the twenty-eighth day of April, in the year one thousand eight hundred and seventy-seven, shall be dealt with in regard to such policies, in conformity with the fourth and fifth sections of an Act passed by the Parliament of Canada in the thirty-fourth year of Her Majesty's reign, intituled : "*An Act to amend the Act respecting Insurance Companies*;" and whenever the full liability under such policies falls below the amount so held by the Minister, he may, with the concurrence of the Treasury Board, direct that the whole or such portion of the difference as he deems advisable, shall be released and handed over to the company, and so on, from time to time, until the total deposit with the Minister is reduced to the amount of fifty thousand dollars required by this Act. Provision as to companies which gave notice before 31st March, 1878.

11. So long as any company's deposit is unimpaired, and the conditions of this Act are satisfied, and no notice of any final judgment against the company, or order made by the proper court in that behalf for the winding up of the company or the distribution of its assets, is served upon the Minister, the interest upon the securities forming the deposit shall be handed over to the company as it falls due. Release of surplus securities to such company.

DOCUMENTS TO BE FILED.

12. Every company shall, before the issue of a license to it, file in the Department of Finance, — Interest on securities—when to be payable to company.

(a.) A copy of the charter, Act of incorporation, or articles of association of the company, certified by the proper officer in charge of the original thereof; Certain documents to be filed.

(b.) A power of attorney from the company to its agent in Canada, under the seal of the company, if it has a seal, and Copy of charter.

signed by the president and secretary or other proper officers thereof, in presence of a witness, who shall make oath or affirmation as to the due execution thereof; and the official positions in the company held by the officers signing such power of attorney shall be sworn to or affirmed by some person cognizant of the facts necessary in that behalf; and—

Statement of
affairs of
company.

(c.) A statement, in such form as is required by the Minister, of the condition and affairs of such company on the thirty-first day of December then next preceding, or up to the usual balancing day of the company, if such day is not more than twelve months before the filing of the statement.

What the
power of
attorney must
contain.

13. Such power of attorney shall declare at what place in Canada the head office, or chief agency of such company is, or is to be established,—and shall expressly authorize such attorney to receive service of process in all suits and proceedings against such company in any Province of Canada, in respect of any liabilities incurred by the company therein, and also to receive from the Minister and the Superintendent, all notices which the law requires to be given, or which it is thought advisable to give,—and shall declare that service of process for or in respect of such liabilities, and receipt of such notices, at such office or chief agency, or personally on or by such attorney at the place where such head office or chief agency is established, shall be legal and binding on the company to all intents and purposes whatsoever.

Provision to
be made for
service of
process.

If changes
are made in a
chief agency.

14. Whenever any such company changes its chief agent or chief agency in Canada, such company shall file a power of attorney, as hereinbefore mentioned, containing any such change or changes in such respect, and containing a similar declaration as to service of process and notices as hereinbefore mentioned; and every company shall at the time of making the annual statement hereinafter provided for, declare that no change or amendment has been made in the charter, Act of incorporation or articles of association of the company, and that no change has been made in the chief agency or chief agent, without such amendment or change having been duly notified to the Superintendent.

Declaration
of no change
to be made in
charter, &c.

Duplicates of
such docu-
ments to be
filed in court.

15. Duplicates of all such documents, duly verified as aforesaid, shall be filed in the office of one of the superior courts in the Province in which the head office or chief agency of the company is situated,—or if the chief agency is in the Province of Quebec, with the prothonotary of the Superior Court of the district wherein such chief agency is established.

SERVICE OF COMPANIES WITH PROCESS.

16. After such power of attorney and certified copies are filed as aforesaid, any process in any suit or proceeding against any such company, in respect of any liabilities incurred in any Province of Canada, may be validly served on the company at its chief agency; and such service shall be deemed to be service on the company.

Service of
process on
company.

2. If such power of attorney becomes invalid or ineffective from any reason whatsoever, or if other service cannot be effected, the court or a judge may order constructive service of any process or proceeding to be made, by such publication as is deemed requisite to be made in the premises, for at least one month in at least one newspaper; and such publication shall be held to be due service upon the company of such process or proceeding.

Constructive
service of
process.

NOTICE OF LICENSE.

17. Every company on first obtaining such license shall forthwith give due notice thereof in the *Canada Gazette*, and in at least one newspaper in the county, city or place where the head office or chief agency is established, and shall continue the publication thereof for the space of four weeks:

Company to
give notice
of license.

2. The like notice shall be given for the space of three calendar months, when a company ceases, or gives notice that it intends to cease, to carry on business in Canada.

And of ceas-
ing business.

PUBLICATION OF LICENSED COMPANIES.

18. The Minister shall cause to be published quarterly in the *Canada Gazette* a list of the companies licensed under this Act, with the amount of deposits made by each company; and upon any new company being licensed, or upon the license of any company being withdrawn in the interval between two such quarterly statements, he shall publish a notice thereof in the *Canada Gazette* for the space of four weeks.

Notices by

And by fire and marine companies.

To be sworn to.

Minister may alter form of statement.

Yearly statements by companies incorporated elsewhere than in Canada.

Blank forms as to Canada business.

Penalty for violation of two next

2. In the case of such companies carrying on the business of life insurance, such statement shall be deposited as aforesaid on the first day of January in each year or within two months thereafter, and shall be made in the form and manner set forth in the form A in the schedule to this Act: Provided however, that a preliminary abstract of the years' business to December thirty-first inclusive, comprising the cash premium receipts of the year, the number and amount of the policies issued and taken up, that are in force, and that have become claims and been paid to that date, shall be sent to the Superintendent of Insurance within the first fifteen days of January in each year;

3. In the case of such companies carrying on the business of fire or inland marine insurance, such statement shall be deposited as aforesaid on the first day of February in each year, or within one month thereafter, and shall be made in the form and manner set forth in the form B in the schedule to this Act:

4. Such statements shall be sworn to before some person duly authorized to administer oaths in any legal proceeding, in the form C in the schedule to this Act:

5. The Minister may, from time to time, make such changes in the form of such statements as seem to him best adapted to elicit from the companies a true exhibit of their condition in respect to the several points hereinbefore enumerated.

20. Every company incorporated or legally formed elsewhere than in Canada, and at present licensed or hereafter licensed under this Act, and every company which is subject to the provisions of this Act, shall make annual statements of its condition and affairs under the oath of its chief agent, and shall furnish the same to the Minister at the same time as Canadian companies: and the form and manner of making of such statements shall, as to the Canada business of such company, be the same (so far as applicable) as is required of Canadian companies—and as to its general business, shall be in such form and to such date as such company is required by law to furnish to the Government of the country in which its head office is situate, in a separate schedule attached. The blank forms of the statements of the Canada business shall be furnished in duplicate by the Superintendent.

PENALTIES AND FORFEITURES.

21. Every company which violates any provision of either of the two sections next preceding shall incur a penalty of five hundred dollars for each violation, and an additional

penalty of one hundred dollars for each month during which any such company neglects to make such publication or to file such affidavits and statements as are therein required : preceding sections.

2. If such penalties are not paid, the Minister with the concurrence of the Treasury Board, may order the license of such company to be suspended or withdrawn, as is deemed expedient. Withdrawal of license for non-payment of penalty.

22. Every person who delivers any policy of insurance, interim receipt, or who collects any premium (except only on policies of life insurance issued to persons not resident in Canada at the time of issue) or carries on any business of insurance on behalf of any life, fire or inland marine insurance company, without such license as aforesaid, shall, on summary conviction thereof, before any two justices of the peace or any magistrate having the powers of two justices of the peace, for a first offence, incur a penalty of not less than twenty dollars and costs and not more than fifty dollars and costs, and in default of payment the offender shall be liable to imprisonment with or without hard labor for a term of not less than one month nor more than three months ; and for a second or any subsequent offence such offender shall be imprisoned with hard labor for a term not less than three months nor more than six months : Penalty for issuing any policy in contravention of this Act. First offence. Second or subsequent offence.

2. One half of any such penalty when recovered shall belong to Her Majesty and the other half thereof to the informer. Application of penalty.

23. All informations or complaints for the prosecutions of offences under the provisions of sections twenty-two, twenty-five and forty-two of this Act shall be laid or made in writing within one year after the commission of the offence. Limitation of time for prosecution.

24. Unless otherwise provided in the special Act incorporating any insurance company, passed by the Parliament of Canada after the twenty-eighth day of April, one thousand eight hundred and seventy-seven, or hereafter to be passed, such special Act and all Acts amending the same shall expire and cease to be in force at the expiration of two years from the passing thereof, unless within such two years the company thereby incorporated obtains a license from the Minister under the provisions of this Act. Limitation of time of duration of special Acts.

SUPERINTENDENT AND HIS DUTIES.

25. The Governor in Council may appoint an officer, to be called the Superintendent of Insurance, who shall act under the instructions of the Minister, and shall examine and report to the Minister, from time to time, upon all matters Superintendent of insurance ; appointment and duties.

connected with insurance, as carried on by the several companies licensed to do business in Canada, or required by this Act to make returns of their affairs :

- Salary.** 2. Such Superintendent may be appointed at a salary not exceeding four thousand dollars per annum :
- Officers and clerks.** 3. The Governor in Council may, from time to time, appoint such officers and clerks under the Superintendent, as are necessary for the purposes of this Act :
- Duties of superintendent.** 4. The Superintendent shall keep a record of the several documents required to be filed by each company in the superior courts of Canada, under this Act ; and shall,—
- Entry of securities deposited.** (a.) Enter in a book, under the heading of each company, the securities deposited on its account with the Minister, naming in detail the several securities, their par value, and value at which they are received as deposit ;
- Report before issue of licenses.** (b.) In each case, before the issue of any new license, or the renewal of any license, make a report to the Minister that the requirements of the law have been complied with, and that from the statement of the affairs of the company it is in a condition to meet its liabilities ;
- Record of licenses.** (c.) Keep a record of the licenses as they are issued ;
- Inspection of affairs.** (d.) Visit the head office of each company in Canada, at least once in every year, and examine carefully the statements of the condition and affairs of each company, as required under this Act, and report thereon to the Minister as to all matters requiring his attention and decision ;
- Report to Minister of Finance, for Parliament.** (e.) Prepare for the Minister, from the said statements, an annual report, showing the full particulars of each company's business, together with an analysis of each branch of insurance, with each company's name ; giving items, classified from the statements made by each company :
- Provision if superintendent considers further inquiry necessary as to any company.** 5. If the Superintendent, after a careful examination into the condition and affairs and business of any company licensed to transact business in Canada, from the annual or other statements furnished by such company to the Minister or for any other cause, deems it necessary and expedient to make a further examination into the affairs of such company and so reports to the Minister, the Minister may, in his discretion, instruct the Superintendent to visit the office of such company, to thoroughly inspect and examine into all its affairs, and to make all such further enquiries as are necessary to ascertain its condition and ability to meet its

engagements, and whether it has complied with all the provisions of this Act applicable to its transactions :

6. The officers or agents of such company shall cause their books to be open for the inspection of the Superintendent, and shall otherwise facilitate such examination so far as it is in their power ; and for that purpose the Superintendent may examine under oath the officers or agents of such company relative to its business :

Books to be open to inspection.

7. A report of all companies so visited by the Superintendent shall be entered in a book kept for that purpose, with notes and memoranda showing the condition of each company after such investigation ; and a special report shall be communicated in writing to the Minister, stating the Superintendent's opinion as to its standing and financial position, and all other matters desirable to be made known to the Minister :

Record of inspection and report.

8. If it appears to the Superintendent that the assets of any company are insufficient to justify its continuance of business under the requirements of sections seven, eight, nine and ten, or that it is unsafe for the public to effect insurance with it, he shall make a special report on the affairs of such company to the Minister ; and if the Minister, after full consideration of the report, and after a reasonable time has been given to the company to be heard by him, and upon such further enquiry and investigation as he sees proper to make, reports to the Governor in Council that he agrees with the Superintendent in the opinion so expressed in his report, the Governor in Council may, if he also concurs in such opinion, suspend or cancel the license of such company ; and such company shall, during such suspension or cancellation, be held to be unlicensed, and unauthorized to do further business :

Special report if the company appear unsafe.

Proceedings thereon.

Suspension or cancellation of license.

9. Every person who, after notification of the suspension or cancelling of such license in the *Canada Gazette*, delivers any policy of insurance, collects any premium or transacts any business of insurance, on behalf of such company, shall be liable to the penalties provided for in the twenty-second section of this Act :

Penalty for carrying on business in such case.

10. Once in every five years, or oftener, at the discretion of the Minister, the Superintendent shall himself value, or procure to be valued under his supervision, the Canadian policies of life insurance of all companies licensed under this Act to transact the business of life insurance in Canada ; and such valuation shall be based on the mortality table of the Institute of Actuaries of Great Britain, and on a rate of interest at four and one-half per centum per annum, except

Valuation of Canadian policies every five years.

Basis of
valuation.

in the case of bonus additions or profits accrued or declared before the twenty-eighth day of April, one thousand eight hundred and seventy-seven, and then valued on the basis of a rate of interest other than that above mentioned, which, in any such valuation, shall continue to be valued on such other basis :

Examination
of affairs of a
company out
of Canada.

11. The Minister may, from time to time, instruct the Superintendent to visit the head office of any company licensed under this Act and incorporated or legally formed elsewhere than in Canada; and to examine into the general condition and affairs of such company ; and if such company declines to permit such examination, or refuses to give any information necessary for such purpose, in its possession or control, its license shall be withdrawn :

Payments by
companies
towards
expenses of
office of super-
intendent.

12. Every company now licensed, and every company hereafter licensed under this Act, and every company transacting life insurance business under the thirty-second section of this Act, shall annually contribute a sum in proportion to the gross premiums received by it in Canada during the previous year, towards defraying the expenses of the office of the Superintendent,—which sum shall be paid upon the demand of the Superintendent :

Contribution
by fire and
marine com-
panies
limited.

13. The sum to be contributed annually by companies carrying on the business of fire or inland marine insurance in respect exclusively of such business carried on by them shall not exceed in all eight thousand dollars.

Superintend-
ent not to be
interested in
any company.

14. The Superintendent, or any officer or clerk under him, shall not, directly or indirectly, be interested as a shareholder in any insurance company doing business in Canada, or licensed under this Act :

for Parlia-
ment.

15. The Minister shall lay the Superintendent's annual report before Parliament within thirty days after the commencement of each session thereof.

PROVISIONS RELATING TO LIFE INSURANCE.

Provisions
applicable to
life com-
panies.

26. The provisions of sections twenty-seven to forty-three inclusive apply only to life insurance companies and to other insurance companies carrying on life and other insurance, only in so far as relates to the life insurance business of such companies.

CONDITIONS ON POLICIES.

Conditions
not set out in

27. No condition, stipulation or proviso modifying or impairing the effect of any policy or certificate of life insur-

ance issued after the first day of January, one thousand eight hundred and eighty-six, by any company doing business within Canada under the authority of the Parliament of Canada, shall be good or valid unless such condition, stipulation or proviso is set out in full on the face or back of the policy.

28. No policy or certificate shall contain or have endorsed upon it any condition providing that such policy or certificate shall be avoided by reason of any statement contained in the application therefor being untrue, unless such condition is limited to cases in which such statement is material to the contract.

As to statements in application for policy.

Forfeiture and Renewal of Licenses.

29. Whenever satisfactory proof has been furnished to the Minister of any undisputed claim upon a company, arising on any policy of life insurance in Canada, remaining unpaid for the space of sixty days after becoming due, or of a disputed claim remaining unpaid after final judgment in a regular course of law and tender of a legal valid discharge made to the agent of such company, the Minister may withdraw the license of such company.

Withdrawal of license for non-payment of claims.

30. Such license may be renewed if within thirty days after such withdrawal such undisputed claims or final judgments upon or against the company are paid and satisfied.

Renewal if claim is satisfied.

31. When the license of a company carrying on the business of life insurance has been withdrawn by the Minister under any of the foregoing sections of this Act, such license may be renewed if, within thirty days after such withdrawal, such company complies with the requirements of this Act to the satisfaction of the Minister.

Renewal of license.

Companies Ceasing to do Business and Release of Deposits.

32. In the case of any company which, previously to the twenty-eighth day of April, in the year one thousand eight hundred and seventy-seven, was licensed to transact the business of life insurance in Canada, and which ceased to transact such business before the thirty-first day of March, one thousand eight hundred and seventy-eight, having before that date given written notice to that effect to the Minister, the premiums due or to become due on policies actually issued before the last mentioned date, may continue to be collected, and the claims arising thereon may be paid, and all business appertaining thereto may be transacted, and all proceedings appertaining thereto, either at law or

in equity, may be continued or commenced and prosecuted; and the deposit at present in the hands of the Minister shall be dealt with under the law as it existed previously to the first mentioned date, as if this Act had not been passed.

Power and proceedings of company ceasing business.

33. When any company licensed under this Act desires to discontinue business and to have its assets in Canada released, and gives written notice to that effect to the Minister, it may, with the consent of the policy-holders, procure the transfer of its outstanding policies in Canada to some company or companies licensed under this Act in Canada, or may obtain the surrender of the policies, as far as is practicable :

Use of assets in such case.

2. The trustees may employ any portion of the assets vested in them for the purpose of effecting such transfer or surrender :

Lists of policy holders to be filed.

3. The company shall file with the Minister a list of all Canadian policy-holders whose policies have been so transferred or have been surrendered, and also a list of those which have not been transferred or surrendered :

Notice to be published.

4. The company shall, at the same time, publish in the *Canada Gazette* a notice that it will apply to the Minister for the release of its assets and securities on a certain day not less than three months after the date of the notice, and calling upon its Canadian policy-holders opposing such release to file their opposition with the Minister on or before the day so named :

Action there-after of Minister as to disposal of assets or securities.

5. After that day, upon the application for release being made, if the Minister, with the concurrence of the Treasury Board, is satisfied that such transfer or surrender has been effected, he may direct that a portion of the assets held by the trustees, or securities held by the Minister, shall be retained, sufficient in amount to cover the full equitable net surrender value of such policies (including bonus additions and accrued profits), as have not been transferred or surrendered, or in respect to which opposition has been filed, and may order the remaining assets or securities aforesaid to be released and transferred or paid over to the company :

Tenders to policy holders.

6. The portion retained shall be tendered in the manner hereinafter described to the aforesaid policy-holders *pro rata*, according to the aforesaid values of their respective policies; and on the acceptance of the amount so tendered, such policies shall thereby be deemed to be cancelled; but if such tender is refused by any policy-holder, the amount so tendered may be paid over to the company, and the policy shall continue in force; and such policy-holder shall not be

barred from any recourse he has, either in law or in equity, against the company to compel the fulfilment of its contract under such policy :

7. The surrender values above mentioned shall be determined by the Superintendent on the basis stated in the twenty-fifth section of this Act, and he shall collect from the company the expenses of such valuation at the rate of three cents for each policy or bonus addition, and shall pay the same to the Minister before the latter shall hand over the securities :

Surrender values, how determined.

8. Nothing herein contained shall prevent any policy-holder from making special arrangements with the company whereby his policy may be continued in force ; and, on proof being given of such arrangement, such policy may be omitted or removed from the above mentioned lists of policies, and this Act shall thereafter not apply in respect of such policy.

Special arrangements may be made.

34. The tender referred to in the next preceding section shall be made in the following manner :—

How the tender shall be made.

(a.) A list and notice in the form D in the schedule to this Act, or to the like effect, shall be published in the *Canada Gazette* for at least thirty days previously to the day named in such notice ;

List and notice to be published in *Canada Gazette*.

(b.) The company shall also cause the said list and notice to be published in such newspapers in Canada and for such length of time as the Minister determines ;

And in other papers.

(c.) A notice in the form E in the schedule to this Act, or to the like effect, shall be sent by mail (postpaid or franked) from the office of the Superintendent to each of the policy-holders named in the said list, whose address is known to him, and such notice shall be deposited in some post office in Canada at least thirty days previously to the day named therein, which shall be the same day as that named in the list and notice above mentioned ;

Notice to be sent to each policy holder.

(d.) Any policy-holder who does not signify in writing to the Superintendent his acceptance of the amount so tendered, on or before the day named in the said notice, shall be deemed to have refused the same ; but the Minister may, at any time prior to the payment over to the company of the amount so refused, allow any policy-holder to signify his acceptance of such amount,—which acceptance, so allowed, shall have the same effect as if made on or before the day named in the said notice.

Policy holders not signifying acceptance deemed to have refused.

How reserve for covering liabilities to Canadian policy holders shall be calculated.

35. In computing or estimating the reserve necessary to be held in order to cover its liability to policy-holders in Canada, each company may employ any of the standard tables of mortality as used by it in the construction of its tables, and any rate of interest not exceeding four and one-half per centum per annum; but if it appear to the Superintendent that such reserve falls below that computed on the basis stated in the twenty-fifth section of this Act, he shall report the same to the Minister, who may thereupon direct the Superintendent to compute, or to procure to be computed under his supervision, the reserve on the basis therein mentioned, and the amount so computed, if it differs materially from the return made by the company, may be substituted in the annual statement of assets and liabilities; and in such case the company shall furnish to the Superintendent, on application, the full particulars of each of its policies necessary for such computation, and shall pay to the Superintendent an amount at the rate of three cents for each policy or bonus addition so computed, which amount he shall pay over to the Minister:

Minister may order re-computation.

Costs.

Company may require computation by superintendent.

2. Any company instead of itself computing or estimating the reserve above mentioned, may require the same to be computed by the Superintendent on the basis stated in the twenty-fifth section of this Act, on payment of a like amount as is mentioned in the next preceding sub-section:

Proviso: as to bonus additions or profits on policies.

And as to companies having heretofore computed the reserve on 5 per cent. interest.

3. Provided always, that in the case of any bonus additions or other profits on the policies of any company, accrued or declared before the twenty-eighth day of April, one thousand eight hundred and seventy-seven, and which have been heretofore valued on the basis of a rate of interest other than that above mentioned, such company may compute or have the same computed on such other basis; and provided also, that in the case of any company which has heretofore based its computation or estimate of its reserve necessary to cover its liability to policy-holders in Canada (other than the reserve to cover the bonus additions or other profits in the last proviso mentioned) on a rate of interest of five per centum per annum, the basis of computation or estimates mentioned in the twenty-fifth section and in this section, shall not apply until the twenty-eighth day of April, one thousand eight hundred and eighty-seven, but such company may, until such date, compute such reserve, or have the same computed, at a rate of interest not exceeding five per centum per annum.

MUTUAL OR ASSESSMENT LIFE INSURANCE COMPANIES.

Certain forms of insurance forbidden.

36. No company shall carry on within Canada any business of life insurance by promising to pay on the death of a

member of such company, a sum of money solely from the proceeds of assessments or dues collected or to be collected from the members thereof for that purpose without being licensed or registered under this Act, except that in the case of any contract entered into, or any certificate of membership or policy of insurance issued before the twentieth day of July, one thousand eight hundred and eighty-five, by any company carrying on such business, assessments may be made and collected, and claims paid, and all business connected therewith transacted without any penalty being incurred.

proviso : as
to contracts.
prior to this
Act.

37. Any company incorporated or legally formed within Canada which transacts business of the nature described in the next preceding section may, at the discretion of the Minister, on report of the Superintendent approved by the Treasury Board, be exempted from the operation of the foregoing provisions of this Act, except those of sections twenty-five, twenty-seven, twenty-eight, twenty-nine, thirty and thirty-one, and be permitted to transact the business of life insurance on the conditions specified in the five sections next following.

Certain com-
panies may be
conditionally
exempted
from the
operation of
the Act.

38. Companies to be so exempted shall register their titles or corporate names in the office of the Superintendent; they shall also make attested returns of their condition and affairs at such times and in such form, and attested in such manner, as are prescribed by the Minister, and the Superintendent shall include such returns in his annual report; and any failure to make such returns, when called for by the Superintendent, shall subject such company, and any officer thereof, to the penalties mentioned in the twenty-first section of this Act:

Conditions of
such exemp-
tion.

2. The registration of any such company shall cease to be valid on the thirty-first day of March in each year, but shall be renewable from year to year, in the discretion of the Minister.

Penalty for
non-compli-
ance there-
with.

39. The provisions of this section shall apply to corporations or associations incorporated or legally formed elsewhere than in Canada for the purpose of carrying on the business of life insurance upon the co-operative or assessment plan:

Yearly re-
newal of reg-
istration.

2. Any such corporation or association may be licensed by the Minister, under the provisions of this Act, to transact business in Canada upon depositing with him fifty thousand dollars, and thereafter shall have the right to transact business so long as it continues to pay its losses to the full limit named in its certificates or policies, and has complied with all the requirements of this Act and of the Superintendent of Insurance:

Application
of this sec-
tion.

License may
be issued on
deposit of
\$50,000.

Duration of

Further deposits may be required.

3 In addition to such deposit of fifty thousand dollars, the Minister, upon the report of the Superintendent, approved by the Treasury Board, may, from time to time, require such other and further deposit as is recommended in such report and so approved, to be made by such companies or deposited with trustees to be named by the Minister, upon such trusts as are determined by the Governor in Council :

Death claims to be a first charge.

4. Death claims shall be a first charge on all moneys realized from assessments, and no deduction shall be made from any such death claims on any account whatsoever :

Application of moneys from assessments.

5. No portion of any moneys received from assessments for death claims shall be used for any expense whatever ; and every notice of any assessments shall truly specify the cause and purport thereof :

Notice to be printed on policy, &c.

6. Every application, policy and certificate, issued or used by any such company in Canada, shall have printed thereon in a conspicuous place, in ink of a color different from that of the ink used in the instrument, and in good-sized type, the following words :—

Form.

“ This association is not required by law to maintain the reserve which is required of ordinary life insurance companies ” :

Promise to pay out of certain funds to be contained in policy, &c.

7. Every certificate and policy shall contain a promise to pay the whole amount therein mentioned, out of the death fund of the association and out of any moneys realized from assessments to be made for that purpose, and every such association shall be bound forthwith and from time to time, to make assessments to an amount adequate with its other available funds, to pay all obligations created under any such certificate or policy without deduction or abatement :

In every policy issued in Canada.

8. The condition embodied in the next preceding subsection shall be inserted in every policy or certificate issued or delivered by any such company to any person insured in Canada :

Clause required in policies in favor of residents in Canada.

9. In every policy issued by a company licensed in accordance with this section of this Act in favor of a resident of Canada, a clause shall be either embodied therein or endorsed thereon, to the effect that an action to enforce the obligation of such policy may be validly taken into any court of competent jurisdiction in the Province wherein the policy-holder resides or last resided before his decease, and such policy shall not contain any provision inconsistent with such clause.

40. The provisions contained in sub-sections four, five, six, seven and eight of the next preceding section shall also apply to any company (not being such a company, society or association, as is referred to in section forty-three of this Act) incorporated in Canada and carrying on the business of life insurance upon the co-operative or assessment plan.

Certain provisions to apply to companies not referred to in section 43.

41. The words "assessment system" shall be printed in large type at the head of every policy and every application for the same, and also in every circular and advertisement issued or used in Canada in connection with the business of a company to which any of the provisions of the five sections next preceding apply.

Form of words to be printed on certain policies.

42. Every director, manager, agent or other officer of any such company as is hereinbefore lastly mentioned, which carries on business without being licensed or registered; and

Penalty for doing business or using forms of policies, &c., in contravention of this Act.

(b.) Every person who transacts any business of insurance on behalf of any such company which so carries on business, without being registered or licensed; and

(c.) Every such company which neglects to print the words "assessment system" as provided by the next preceding section; and

(d.) Every director, manager, agent or other officer of such company and every other person who transacts business on behalf of any such company, and who circulates or uses any application, policy, certificate, circular or advertisement on which the words "assessment system" are not printed as hereinbefore provided, shall be liable to the penalties mentioned in the twenty-second section of this Act.

43. Nothing contained in this Act shall apply to any society or association of persons for fraternal, benevolent, industrial or religious purposes, among which purposes is the insurance of the lives of the members thereof exclusively; or to any association for the purpose of life insurance formed in connection with such society or organization and exclusively from its members, and which insures the lives of such members exclusively:

Certain societies exempted from this Act.

2. Any society or association which is declared by this section to be exempt from the application of this Act, may, nevertheless, apply to the Minister to be allowed to avail itself of the provisions of the seven sections next preceding, and upon such application being assented to, such society or association shall cease to be so exempt by virtue of this section.

But such societies may avail themselves of this Act.

PROVISIONS RELATING TO FIRE AND INLAND MARINE
INSURANCE.

What provisions shall be applicable to fire and inland marine companies.

44. The provisions of sections forty-five to forty-eight inclusive, apply only to fire and inland marine insurance companies and to other insurance companies carrying on fire and other insurance or inland marine and other insurance, in so far as relates to the fire or inland marine insurance business of such companies.

Forfeiture and Renewal of Licenses.

Licenses forfeited by failure to make deposit or non-payment of claims.

45. Whenever any company fails to make the deposits under this Act at the time required, or whenever written notice has been served on the Minister of any undisputed claim arising from loss insured against in Canada remaining unpaid for the space of sixty days after it becomes due, or of a disputed claim remaining unpaid after final judgment in a regular course of law and tender of a legal valid discharge, the license of such company may be withdrawn by the Minister.

Renewal on certain conditions.

46. Such license may be renewed, and the company may again transact business, if, within sixty days after notice to the Minister of the failure of the company to pay any undisputed claim, or the amount of any final judgment as provided in the next preceding section, undisputed claims or final judgments upon or against the company in Canada are paid and satisfied.

Companies Ceasing to do Business and Release of Deposits.

Duty of company ceasing business.

47. When any company has ceased to transact business in Canada, and has given written notice to that effect to the Minister, it shall insure, on behalf of its Canadian policy-holders, all its outstanding risks, in some company or companies licensed in Canada, or obtain the surrender of the policies; and its securities shall not be delivered to the company until the same is done to the satisfaction of the Minister:

Conditions on which deposits may be released.

2. Upon making application for its securities, the company shall file with the Minister a list of all Canadian policy-holders who have not been so re-insured or who have not surrendered their policies; and it shall, at the same time, publish in the *Canada Gazette* a notice that it has applied to the Minister for the release of its securities on a certain day, not less than three months after the date of the notice, and calling upon its Canadian policy-holders opposing such release to file their opposition with the Minister on or before the day so named; and after that date, if the

Minister, with the concurrence of the Treasury Board, is satisfied that the company has ample assets to meet its liabilities to Canadian policy-holders, all the securities may be released to it by the Governor in Council, or a sufficient amount of them may be retained to cover the value of all risks outstanding or respecting which opposition has been filed, and the remainder may be released; and thereafter, from time to time, as such risks lapse, or proof is adduced that they have been satisfied, further amounts may be released on the authority aforesaid:

Retaining amount to cover outstanding risks.

3. When a company has ceased to transact business in Canada after the notice hereby required, and its license has in consequence been withdrawn, such company may, nevertheless, pay the losses arising upon policies not re-insured or surrendered, as if such license had not been withdrawn.

Payment of losses after license has been withdrawn.

FIRE POLICIES.

48. No fire policy shall be issued for or extend over a longer period than three years.

Duration of fire policies.

INSURANCE OTHER THAN LIFE, FIRE OR INLAND MARINE.

49. No company or person shall issue any policy other than a life, fire or inland marine insurance policy, or receive any premium in respect thereof, or carry on any business of insurance other than life, fire or inland marine insurance, without permission obtained from the Minister, who, with the approval of the Governor in Council, shall determine in each case whether such permission shall be granted, and whether a license is proper or necessary to be issued, and whether any and what deposit shall be required to be made with the Minister, and the sections of this Act which shall apply to such company or person:

No company to transact any business of insurance not herein mentioned without permission.

2. The Minister may require annual statements, under oath, of such business, in such form and manner as he deems expedient, may revoke the permission or license granted, if he sees cause therefor, and may grant to the Superintendent the same powers with regard to such company as are conferred on him by this Act with regard to other insurance companies, and may require such company to contribute towards the expenses of the office of the Superintendent such sum as he deems equitable:

Powers of the Minister as respects companies receiving such permission.

3. Every company or person carrying on any such business without obtaining such permission or license, or after such permission or license is revoked, or which neglects or refuses to make the statements required,—and every person who delivers any policy of insurance, or collects any pre-

Penalty for contravention.

mium on behalf of such company, shall respectively incur the penalties mentioned in the twenty-first and twenty-second sections of this Act:

Ocean marine
companies
exempted.

4. This section shall not apply to companies carrying on, in Canada, ocean marine insurance business exclusively.

Extract from the Repealed Statute 34 Vic., Chap. 9.

[These sections are referred to in clause 4, sec. 10, of the Insurance Act, 1886.]

Provisions in case of company becoming insolvent. Assignee to be appointed.

Claims of policy holders of Fire Companies.

Of Life Insurance Companies. Re-insurance.

If the assignee cannot re-insure claims as a whole.

4. Upon the insolvency of any Company, the Court having jurisdiction in the Province (or sitting in the District if such Province be the Province of Quebec), where the chief agency in Canada of such Company is situated, shall appoint an Assignee or Assignees, who shall forthwith call upon the Company to furnish a statement of all its outstanding policies in Canada, and upon all policies-holders to file their claims; and upon the filing of the claims before the Assignees, the parties interested shall have the same right of contestation, and the Assignee shall have the same powers in respect thereof, subject to the same right of appealing from their decision to the same tribunals, as is provided for in similar cases by the Insolvent Act of 1869; and in case of any Fire Insurance Company becoming insolvent, the parties insured shall be entitled to claim for a part of the premium paid proportionate to the unexpired period of their policies respectively, and such return premium shall rank with judgments obtained and claims accrued, in the distribution of the assets; and in the case of a Life Insurance Company the Assignee or Assignees may insure all outstanding Canadian policies with some Company licensed to transact business in Canada, advertising for tenders to that effect; and if the amount of the deposit be not enough so to re-insure all policies to the full amount, and to meet all judgments against the Company, and claims accrued, the Assignees may insure them for such a percentage of the risks as the amount at their disposal may admit of, such re-insurance ranking *pro rata* with judgments and claims accrued; and the court having jurisdiction, as above provided, may order a sufficient amount of the securities to be sold to meet such re-insurance. If the Assignees are unable to re-insure in full or in part all outstanding Canadian policies as a whole, they shall appoint a competent Actuary, and shall ascertain the re-insurance value of each policy according to the tables which on the report of the Treasury Board may be sanctioned by the Governor in Council for that purpose, and upon the completion of the schedule to be prepared by the Assignees, of all judgments against the Company and of all claims for re-

insurance or for surrender of the policy as aforesaid, the court having jurisdiction, as above provided, shall cause the securities held by the Receiver General for such Company, or any part of them, to be sold in such manner and after such notice and formalities as the court may appoint, and the proceeds thereof, after paying the expenses incurred, shall be distributed *pro rata* amongst the claimants according to such schedule, and the balance, if any, shall be surrendered to the Company. But if any loss shall be sustained or any claim shall arise after the statement of outstanding policies has been obtained from the Company, as hereinbefore provided, and before the final order of the Court for the distribution of the proceeds of the securities, or if the proceeds of the securities shall not be sufficient to cover in full all claims recorded in the schedule, the policy-holders shall not be barred from any recourse they may have either in law or equity against the Company issuing the policy, other than that for a share in the distribution of the proceeds of the securities held for such Company by the Receiver General.

Distribution
of assets.

Losses sus-
tained after
statement of
outstanding
policies.

5. When any Company has ceased to transact business in Canada, and has given the notice required by this Act to that effect, before its securities can be given up to it, it must insure on behalf of its Canadian policy-holders, all outstanding risks in some Company or Companies licensed in Canada, or obtain the surrender of the policies. Upon making application for its securities, the Company must file with the Minister of Finance a list of all Canadian policy-holders who have not been so insured or have not surrendered their policies, and it must at the same time publish in the *Canada Gazette* a notice that it has applied to Government for the release of its securities on a certain day, not less than thirty days after the date of the notice, and calling upon its Canadian policy-holders opposing such release to file their opposition with the Minister of Finance on or before the day so named; and after that day, if the Treasury Board is satisfied that the Company has ample assets to meet its liabilities, all the securities may be released to it by an Order of the Governor in Council, or a sufficient amount of them may be retained to cover the value of all risks respecting which opposition has been filed, and the remainder may be released, and thereafter, from time to time, as such opposing risks may lapse or proof may be adduced that they have been satisfied, further releases may be made on the authority aforesaid; and after a Company has ceased to transact business in Canada after the notice hereby required, and its license has in consequence been withdrawn, such Company may nevertheless continue to receive the premiums coming due on policies not re-insured or surrendered, and may pay the losses arising thereon, as if such license had not been withdrawn.

Provisions
when a Com-
pany ceases
business in
Canada.

Release of all
or part of its
deposited
securities.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,

OTTAWA, 31st March, 1887.

SIR,—I have the honor to enclose herewith an Abstract of the business of Insurance in Canada, for the year 1886.

This Abstract has been made from the attested statements returned by the companies, but must be considered as subject to correction, when I shall have the honor to report to you these statements in full, after completing my inspection at the head offices.

I have the honor to be, Sir,
Your obedient servant,

W. FITZGERALD,
Superintendent of Insurance.

HON. SIR CHARLES TUPPER, G.C.M.G.,
Minister of Finance.

NOTE.—The Citizens' Insurance Company of Canada has discontinued its Guarantee business, and has re-insured its outstanding policies in the Guarantee Company of North America. The deposit on account of this branch is \$11,000 municipal debentures, still in the hands of the Receiver-General.

The Sovereign Fire Insurance Company has ceased business, and has re-insured its risks in the Glasgow and London Insurance Company, \$9,450 being still in the hands of the Receiver-General to satisfy outstanding claims.

The Scottish Imperial Insurance Company, of which Wm. R. Oswald, Montreal, is chief agent, has ceased doing new business in Canada, and has re-insured its outstanding risks with the City of London Fire Insurance Company. The full deposit, \$118,483.56, remains with the Receiver-General, pending the final winding up of its Canadian business.

The affairs of the Briton Medical and General Life Association, London, Eng., are in litigation, orders having been made by Ontario and Quebec Courts, having for their object the winding up of the affairs of the Company in Canada and the distribution of the deposit held by the Receiver-General, which amounts to \$103,370. The orders above referred to have both been appealed; the appeals are, however, not at present being prosecuted, as there is a prospect of a proposition being made with the approval of the High Court of Justice in England for the settlement of the Company's Canadian business.

The following Insurance Companies are registered under the Insurance Act, and are permitted to transact the business of life insurance in Canada upon the assessment plan :—

OFFICE OF THE SUPERINTENDENT OF INSURANCE,

OTTAWA, 4th July, 1887.

To the Honorable

SIR CHARLES TUPPER, G.C.M.G.

Minister of Finance.

SIR,—I have the honor herewith to submit the statements in detail of Insurance Companies for the year 1886, together with such an abstract and analysis of them as appeared proper to exhibit the progress of the business and the condition of the Companies.

FIRE AND INLAND MARINE INSURANCE COMPANIES.

During the year 1886 the business of fire insurance in Canada was carried on by 30 active Companies; of these 6 were Canadian, 19 British and 5 American. Inland Marine Insurance was also transacted by 5 of them (3 Canadian, 1 British and 1 American), and Ocean Marine by 5 of them (3 Canadian, 1 British, and 1 American). This list of Companies differs from that of the previous year, by the addition of one American Company, viz: the Connecticut Fire Insurance Company of Hartford, Conn., and since the close of 1886 two additional British Companies, the Atlas Assurance Company and the Employers' Liability Assurance Corporation (Limited), have been licensed, the latter for the transaction of fire re-assurance and the former for the transaction of Fire Insurance generally.

FIRE PREMIUMS AND LOSSES IN CANADA IN 1886.

The cash received for premiums during the year in Canada has amounted to \$1,932,335, being greater than that received in 1885, by \$79,875; and the amount paid for losses has been \$3,301,388, which is greater than that paid in 1885, by \$622,101. The ratio of losses paid to premiums received is shown in the following table:—

FIRE Insurance in Canada, 1886.

Totals	63,732,219	47,257,305	74.15

Taking the totals for the same eighteen years, according to the nationalities of the Companies, the following are the results:—

FIRE Insurance in Canada for the Eighteen Years—1869-1886.

	Premiums received.	Losses paid.	Rate of Losses per cent. of Premiums.
	\$	\$	
Canadian Companies	20,132,622	14,819,255	73.61

American do	5,044,039	3,535,527	70.09
Totals	63,732,219	47,257,305	74.15

If we had excluded from these tables the year of the disastrous fire in St. John (1877), the average loss-rate would have come out 64.64.

Obtaining an approximation to the losses incurred during the year, by excluding the payments for losses outstanding at the beginning of the year, and including the amounts estimated for those of the year still unsettled, the ratio of the losses incurred to premiums received comes out 66.62 per cent., which is considerably

higher than the 56·56 of the previous year, and 3·50 per cent. in excess of the average for the last nine years (63·12). The following are the rates of incurred losses from 1878 :—

	1886	1885	1884	1883	1882	1881	1880	1879	1878

FIRE INSURANCE IN CANADA, 1886.

The gross amount of policies new and renewed taken during the year by Fire Companies was \$505,752,907, shewing an increase of \$19,749,999 over the amount taken in 1885. The premiums charged thereon amounted in 1886 to \$5,854,172.78, being an increase of \$169,410.93 over the amount charged the previous year. The rate of premium is somewhat less than that of 1885, but the loss rate (66·93) is much higher. During the period of 18 years over which our tables extend the loss rate of 1886 has been six times exceeded, viz. : in the years 1881, 1877, 1876, 1875, 1872 and 1870.

The rate per cent. of premiums charged upon risks taken is shown in the following table :—

The increase in the amounts taken in 1886, as compared with 1885, among Canadian Companies is \$3,380,892, among British Companies is \$11,892,237, and among the American Companies is \$4,476,864.

The details of the increase and decrease for the individual companies are as follows :—

CANADIAN COMPANIES.

INCREASE.—British America, \$2,318,026 ; Citizens', \$1,199,129 ; Quebec, \$605,610 ; Western, \$1,218,654. Total, \$5,341,419.

DECREASE.—London Mutual, \$978,896; Royal Canadian, \$931,631. Total \$1,960,527.

Total increase \$3,380,892.

BRITISH COMPANIES.

INCREASE.—Caledonian, \$716,140; Fire Insurance Association, \$1,466,604; Glasgow and London, \$3,839,482; Guardian, \$3,496,460; Liverpool and London and Globe, \$2,196,400; London and Lancashire Fire, \$473,787; London Assurance, \$1,070,901; National of Ireland, \$1,020,206; Norwich Union, \$464,031; Royal, \$1,703,968; Scottish Union and National, \$2,288,598. Total, \$18,796,577.

DECREASE.—City of London, \$366,894; Commercial Union, \$77,183; Imperial \$58,613; Lancashire, \$958,949; North British, \$1,987,846; Northern, \$2,490,679; Phoenix of London, \$857,419; Queen, \$106,757. Total, \$6,904,340.

Total increase, \$11,892,237.

AMERICAN COMPANIES.

INCREASE.—Agricultural of Watertown, \$1,064,352; Connecticut Fire, \$2,165,000; Hartford, \$170,719; Phenix of Brooklyn, \$1,249,794. Total, \$4,589,865.

DECREASE.—Ætna Fire, \$112,997.

Total increase, \$4,476,868.

PREMIUMS AND LOSSES COMPARED WITH RISKS.

The average rate of premium charged on each \$1,000 of risks taken in 1886 is \$11.575, as against \$11.697, which was the corresponding rate in 1885. The individual rates for the different companies will be found in an annexed table, and will be seen to vary a good deal, as might naturally be expected, considering the varieties of the business done by the Companies.

The losses incurred (approximate) during the year, compared with the amount of risk current (taking for this the mean of the amounts in force at the beginning and end of the year) have been at the average rate of \$5.48 per \$1,000 current risk. The corresponding rates for 1882-3-4-5 were \$5.68, \$5.56, \$5.37, \$4.54, respectively.

The losses are, however, as usual distributed very unevenly among the different Companies, as appears from the following, computed on the above basis; where, for convenience of comparison, the corresponding rates for 1885 are appended within parentheses:—

London Mutual, 2.03 (1.71); Agricultural of Watertown, 2.35 (2.01); Scottish Union and National, 2.50 (3.26); Royal, 2.78 (2.84); Phenix of Brooklyn, 3.77 (5.73); Western, 4.55 (3.94); North British, 4.62 (3.65); London and Lancashire Fire, 5.04 (5.71); Norwich Union, 5.12 (5.61); Phoenix of London, 5.66 (4.03); Queen, 5.91 (5.58); Liverpool and London and Globe, 5.96 (3.55); Hartford, 5.99 (6.31); British America, 6.07 (6.88); London Assurance, 6.09 (6.25); Quebec, 6.12 (4.83); Imperial, 6.25 (4.68); Lancashire, 6.34 (5.50); Citizens', 7.24 (6.25); Fire Insurance Association, 7.41 (5.93); Caledonian, 7.63 (5.47); Northern, 7.71 (5.56); Commercial Union, 8.09 (7.00); Glasgow and London, 8.23 (7.22); Guardian, 8.45 (6.48); City of London, 9.86 (4.98); Royal Canadian, 10.15 (6.83); Connecticut Fire, 10.31 (.....); Ætna Fire, 10.68 (8.99); National of Ireland, 11.69 (7.92).

The annexed table gives the gross amounts of risks taken by the several Companies during the year, and the premiums charged thereon, and also the distribution of losses, with the proportionate rate of premiums to risks, and the proportion of the amounts paid for losses to those received for premiums during the year. For convenience of comparison the rates of 1885 are appended. It must be noted that the premiums in the second column are those charged on the whole gross amount of risks taken by each company during the year.

BRITISH FIRE COMPANIES.

The total cash receipts from premiums were \$3,457,244, being an increase of \$49,791, as compared with the previous year; the payments for losses were \$2,347,433, being \$134,560 greater than for 1885; while the general expenses amounted to \$872,595, being \$52,999 greater than in 1885, thus leaving a balance of \$237,216 in favor of the Companies. In the previous year this balance was \$674,984.

The following detail gives the balances for the different Companies :—

Balances in favor.—Commercial Union, \$18,202.62; Fire Insurance Association, \$13,476.31; Guardian, \$14,169.22; Imperial, \$1,304.11; London and Lancashire Fire, \$27,187.90; London Assurance, \$665.96; North British, \$37,498.93; Norwich Union, \$19,999.88; Queen, \$34,925.13; Royal, \$110,550.65; Scottish Union and National, \$41,351.76. Total, \$319,332.47.

Adverse Balances.—Caledonian, \$472.62; City of London, \$532.91; Glasgow and London, \$8,671.70; Lancashire, \$2,531.14; Liverpool and London and Globe, \$27,961.59; National of Ireland, \$24,241.41; Northern, \$15,356.59; Phoenix of London, \$2,348.92. Total, \$82,116.88.

Total balance in favor, \$237,215.59.

For every \$100 of premiums received there were spent, on the average, \$67.90 in payment of losses, and \$25.24 for general expenses, leaving \$6.86 for the Companies.

In 1885 the loss rate was \$56.14, and the general expenses, \$24.05 for every \$100 of premiums received.

For the fire business the rate of premium was \$11.291 per \$1,000 of risks taken, as against \$11.416 in 1885.

Hence, these Companies have done a larger volume of business than in 1885, at a slightly less rate of premium, at a higher rate of expense, and at a much higher rate of loss.

Collecting the results for the twelve years, from 1875 to 1886, as regards the receipts for premiums and the expenditure of the British Companies, we find :—

Paid for losses (1875-86).....	\$23,179,728
do general expenses.....	6,923,661

Total payments.....	\$30,103,389
Received for premiums.....	30,086,084
<hr/>	
Excess of payments over receipts.....	\$ 17,305
<hr/>	

This adverse balance, due to the exceptional circumstance of the conflagration at St. John, in 1877, when the losses paid by the British Companies amounted to nearly five millions, is thus seen to be in course of reduction, and will doubtless be reversed in another year, unless some serious disaster intervene, as the following table indicates :—

AMERICAN COMPANIES.

The Marine business of the Phenix of Brooklyn will be here included, and also Inland Marine insurance done by the Ætna.

The receipts for premiums were \$427,844; the payments for losses, \$239,310; and the general expenses, \$97,438—leaving a balance of \$91,096 for the Companies. Last year this balance was \$100,784; hence, for every \$100 of premiums received

there were spent, on the average, \$55.93 in payment of losses, and \$22.77 in general expenses, leaving \$21.30 for the Companies.

The following detail gives the balances for the different Companies :—

Balances in favor—Etna Fire, \$16,262.64; Connecticut Fire, \$11,616.50; Hartford, \$33,448.85; Phenix of Brooklyn, \$30,962.92. Total, \$92,290.91.

Adverse balance—Agricultural of Watertown, \$1,195.29.

Total balance in favor, \$91,095.62.

The results of the total business of these Companies, from 1875 to 1886, inclusive, are as follows :—

CANADIAN COMPANIES.

In considering the Canadian Companies, the business outside of the Dominion in Fire insurance of these Companies has to be taken into account, as well as their Marine business, since a separation of expenses between these branches is not made.

The following table gives the distribution of their Fire business between Canada and elsewhere, and shows that the foreign business has been, on the whole, less favorable to the Companies than the home business :—

The subjoined table gives the rate per cent. of losses paid, as compared with premiums received upon business done in Canada and in other countries by Canadian Companies, during the years 1878 to 1886, inclusive; a perusal of which will show that the Canadian business has, throughout, been much more favorable to the Companies than the business transacted in other countries :

The assets of the six Canadian companies doing Fire business amounted, at the end of the year, to \$1,126,835, covering a total amount of insurance of all kinds of \$268,776,386, being at the rate of \$15·35 for every \$1,000 of insurance in force; they have also a reserve of subscribed capital not called up, amounting to \$1,652,014, making a total security of \$21·50 for every \$1,000 insured. The liabilities of the same companies amounted to \$2,244,329, made up as follows:—

Unsettled losses.....	\$ 248,134
Unearned premiums.....	1,914,436
Sundry.....	81,759
Total.....	<u>\$2,244,329</u>

The unearned premiums are here taken to be the *pro rata* proportions of the gross premiums for the time unexpired in the cases of Fire and Inland Marine insurance, and the whole premium in the case of a current Ocean risk. The surplus of assets over liabilities available for the protection of policy-holders, independent of the reserve of subscribed capital not called up, amounts to \$1,882,506.

The capital stock of these companies, paid up or in course of payment, amounts to \$1,582,786, and the result shows a surplus of this capital to the amount of \$299,720. At the end of 1885 there was a surplus of \$180,582.

The following table gives the condition, at the end of 1886, of all the Canadian stock companies in reference to their surplus or impairment of paid-up capital.

FIRE and Marine Insurance Companies, 31st December, 1886:—

† As reduced by Act of Parliament.

A comparison of this with the corresponding table for the previous year enables us to estimate the progress of each Company during the year, and shows the following results:—

Gain or improvement during 1886:—

British America, \$45,252.07; London Mutual, \$14,138.33; Quebec, \$9,663.88; Royal Canadian, \$32,698.44; Western, \$36,358.92.

Loss or deterioration during 1886:—

Citizens', \$9,846.27. This deterioration may, however, be reduced by the sum of \$5,000, should the result of the suit of the Sun Insurance Company vs. the Citizens' be favorable to the latter.

Including the whole business of the mixed companies, as well outside as within the Dominion, it appears that the Canadian Companies have received, during the year 1886, a total cash income of \$3,230,074.30 (exclusive of \$100,298.13 received on account of capital stock), which is made up as follows:—

	1886.	The same in 1885.	The same in 1884.	The same in 1883.
	\$ cts	\$ cts.	\$ cts.	\$ cts.
Premiums	3,090,851 40	3,089,381 09	2,990,995 28	3,005,945 52

Total	3,230,074 30	3,212,577 43	3,124,961 35	3,168,510 42

In the same way the cash expenditure during 1886 has been \$3,170,051.34, distributed into:—

	1886.	The same in 1885.	The same in 1884.	The same in 1883.
	\$ cts.	\$ cts.	\$ cts.	\$ cts.
Losses paid	2,128,942 82	1,995,256 67	2,165,708 63	2,291,429 02

Total.....	3,170,051 34	3,003,032 99	3,139,421 19	3,327,879 43

Thus, it appears that for every \$100 of income there has been spent \$98.14, namely,—for losses, \$65.91; for general expenses, \$23.63; and for dividends to stockholders, \$3.55. Hence, also, for every \$100 of premiums received there has been paid out \$68.88 for losses, \$29.97 for expenses, and \$3.71 for dividends to stockholders.

INLAND NAVIGATION AND OCEAN MARINE INSURANCE.

Including the Canadian business of the Phenix of Brooklyn, the *Ætna*, and the Commercial Union, and the whole business in these branches done by the three Canadian Companies, the following are the results of the year:—

For Inland Navigation.

Premiums received, \$241,480; losses incurred, \$165,507; of which were paid \$125,315, leaving a balance of \$40,192 of them still unsettled. There was also paid during the year \$16,441; on account of losses incurred in previous years, making the total payments during the year, on account of losses, \$141,756, while the total outstanding or unsettled losses at the end of the year were \$40,192.

Ocean Marine.

Premiums received, \$302,281; losses incurred, \$249,166; of which were paid \$212,808, leaving a balance of \$36,358 of them still unsettled. There was also paid during the year, \$10,159, on account of losses incurred in previous years, making the total payments during the year, on account of losses, \$222,967, while the total outstanding or unsettled losses at the end of the year were \$40,733.

The Inland Marine business has been much less favorable than the year previous, the losses incurred having amounted to 68.54 per cent. of the premiums received, whilst last year the rate was 50.99.

In the Ocean business the rate of losses incurred to premiums received was 82.43, whilst last year it was 68.87. The bulk of the Ocean business is transacted

by companies which are not required to be licensed and do not report to this Department.

An abstract of the Inland Marine business will be found on page lxiv, and details of this and the Ocean business for the individual companies on page lxvi.

LIFE INSURANCE.

The business of Life Insurance has been transacted by 29 active companies, of which 10 are Canadian, 11 British and 8 American.

A license as issued during the year to one company, viz., the Temperance and General Life Assurance Company of North America.

Insurances effected during the year.

The total amount of policies in Canada, taken during the year 1886 has been \$35,171,348, exceeding the amount taken in 1885 by \$8,006,360, and of this increase the largest share pertains to the Canadian companies, being \$4,407,999, while in 1885 they had gained \$1,995,430; the American companies have an increase of \$3,494,729, as against \$1,008,909 in 1885; and the British companies have an increase of \$103,632, whilst last year they had an increase of \$782,737.

The respective amounts effected are:—

Canadian Companies.....	\$	19,289,694
British do		4,054,279
American do		11,827,375

So that the amount taken by native companies exceeds that taken by the British and American together by over \$4,400,000. The details of the increase or decrease among the respective companies are given on pages lxxxii and lxxxiii.

Life Insurance in Force in 1886.

The total amount of insurance in force at the close of the statements was \$171,315,696, which shows the large increase of \$21,353,550 over that of the previous year, being distributed as follows:—

	Total in Force	Increase.
Canadian Companies.....	\$88,181,559	\$13,590,720
British do	27,225,607	1,295,335
American do	55,908,230	6,467,495
Total.....	<u>\$171,315,696</u>	<u>\$21,353,550</u>

Among the eight active American companies, the increase was \$6,789,134, while in the retired American companies, which had at risk \$5,930,661 at the close of 1885, the decrease has been only \$321,639, of which \$122,059 was terminated by death or maturity, and \$199,580, or less than 4 per cent. of the existing insurance, was terminated by surrender, lapse or removal.

The following tables will enable the progress of the total business to be traced during the past twelve years, both as regards the amounts of assurances effected from year to year and the total amounts in force:—

Amount of Insurance terminated in 1886.

The amount of insurance terminated in natural course, namely, by death, maturity or expiry, was \$2,165,665, which is less by \$92,046 than the corresponding amount in the previous year; and the amount terminated by surrender and lapse was \$11,942,792, being less than that in the previous year by \$253,825; relatively, also, to the amount at risk, the amounts so terminated are less than in 1885, giving for every \$1,000 of current risk \$12.93 terminated in natural course, and \$71.28 by surrender and lapse. In the previous year these rates were \$15.15 and \$81.84 respectively. The following table exhibits the rates for the last five years:—

American do	31,917	55,257,463	1,731
Totals	97,982	170,631,647	1,741

The average amount of the new policies is, for Canadian companies, \$1,807; for British companies, \$2,192, and for American, \$2,167, the corresponding amounts last year were \$1,781, \$2,139, and \$1,955.

DEATH RATE.

The death rate among insured lives in Canada, as far as can be gathered from the returns of the Companies, was 8·302 per thousand. The average death rate for the last seven years is 8·569, as is shown from the following table:—

	No. of Lives exposed to Risk.	No. of Deaths.	Death Rate.

* These include the premiums received for their foreign business by the Canada, Sun, Dominion Safety Fund, and Citizens.

The total amount paid to policy-holders during 1886 is as follows :—

Death claims (including bonus additions).....	\$1,744,268
Matured endowment do 	226,024
Annuitants.....	6,800
Paid for surrendered policies.....	174,631
Dividends to policy-holders.....	700,258
<hr/>	
Total	\$2,851,981
<hr/>	

The distribution of the payments among the different Companies will be found on page lxxxvi.

Hence, for every \$100 premiums received, there has been paid to policy-holders \$54.15, leaving \$45.85 to be carried to reserve, expense and profits.

Taking the mean of the amounts in force at the ends of 1885 and 1886 to represent the amount of risks current for the year, and comparing it with the premiums received and the claims paid (excluding the annuity business), we find the following results :—

The average rate of premiums received for every \$100 of current risks is :— In Canadian Companies, \$2.92 ; in British, \$3.11 ; in American, \$3.73 ; and for all Companies the average is \$3.22.

The average rate of claims paid for every \$100 of current risks is :—In Canadian Companies, \$0.92 ; in British, \$1.79 ; in American, \$1.40 ; and for all Companies the average is \$1.22.

Canadian Companies.

The condition of the Canadian Companies will be found exhibited in the statements under their respective headings. In the calculation of the re-insurance reserve, the Institute of Actuaries' H. M. Table of Mortality with 4½ per cent. interest is employed.

General expenses.....	659,938 09
Dividends to stockholders	109,450 45
Total.....	<u>\$2,085,563 04</u>

Hence, out of every \$100 of income, they have expended in payment to policy-holders \$41.72; in general expenses, \$20.92, and in dividends to stockholders, \$3.47; leaving \$33.89 to be carried to reserve.

CO-OPERATIVE COMPANIES.

The business of life insurance upon the assessment plan has been transacted by four companies, of which three were Canadian and one American.

The total amount of policies taken during the year 1886 was \$9,784,755, and the net amount in force at end of year was \$21,996,359.

The amount of insurance terminated by death was \$139,349, and by surrender and lapse \$6,303,450, giving for every \$1,000 of current risk \$5.92 terminated by death and \$267.70 by surrender and lapse.

The total terminations amount to 65.85 per cent. of the amount of new policies. The amounts of termination were distributed as follows:—

	By Death.	By Surrender and lapse.
Canadian Companies.....	\$101,549	\$3,004,450
American do	37,800	3,299,000

The details of the individual companies will be found on page lxxxix.

The total amount paid by members for membership fees, annual dues, assessments, &c., was \$262,849, and the amount paid for death claims was \$141,763.

The following tables give the details of the assets and liabilities, income and expenditure of the Canadian companies, and of the income and expenditure of the American company (Mutual Reserve Fund):—

† No return. Fees paid direct to Medical Examiner and not received by the Association.

These companies are not required by law to maintain the reserve which is required of ordinary life insurance companies, yet three of them, following the example of most companies of this class, set aside a portion of their assessments for the formation of funds having different objects, as will appear from the following particulars, extracted from the policies, by-laws, &c., of the companies referred to.

1. The Canadian Mutual Aid Association sets apart 15 per cent. out of every assessment, one-fourth of which is put into a fund called the "Disbursement Fund," and the balance into a fund called the "Reserve Fund," which latter is invested as a contingent for epidemics, and may be used to pay benefits, at the discretion of the trustees of the company.

At the end of the tenth year after the date of any certificate of membership, and at the end of each succeeding tenth year, the member named in such certificate, if he be then a member, is entitled to participate in the fund set apart as a disbursement fund then on hand which shall have accumulated from assessments made for deceased members whose certificates were dated in the same year as the certificate under consideration.

2. The by-laws of the Provincial Provident Institution provide that, in order "to create a Reserve Fund, each member shall contribute an amount equal to one assessment within two months from the date of his certificate; and five per cent. of all assessments shall be added to this fund. These shall be invested in mortgages on real estate, government or municipal debentures, or deposited at interest in a chartered bank or loan company, and the interest accruing from each investment shall be added to the fund.

"If necessity arise, through an epidemic or from any other cause, for the levying of more than ten assessments during any one calendar year, then this fund shall be drawn upon to pay any additional assessment, and it shall be used exclusively for this purpose."

3. The policies of the Mutual Reserve Fund Life Association provide that: "The net earnings of the Association, together with the 25 per cent. of the net receipts from each assessment constitute a reserve fund, which shall be deposited with a trust company, and be securely invested in United States bonds, mortgages or other interest-bearing securities by said trust company, as trustee, for the exclusive benefit of the members of the association, and the interest on the same, as it accrues, shall be placed by the said trustee to the credit of the Death Fund. The Reserve Fund above \$100,000 and in excess of sums represented by outstanding bonds may be applied to the payment of claims in excess of the American Experience Table of Mortality, and, when any claim by death is due, to making up any deficiency that may then exist in the Death Fund."

"After the expiration of each period of five years, during the continuance of any certificate of membership, a bond will be issued (bearing interest at the rate of 4 per cent. per annum, payable annually to the Death Fund) for an equitable proportion of the Reserve Fund, and the principal of said bond shall be available ten years from its date towards paying future dues and assessments under such certificate; and, should membership hereunder cease by death or otherwise, any portion of said principal not thus used shall be applied to increase the bonds issued at the next quinquennial apportionment to other members of the Association holding certificates issued during the same year as such certificate, and at each apportionment the rate of assessments may be changed to correspond with the actual mortality experience of the Association."

ACCIDENT AND GUARANTEE INSURANCE IN CANADA, 1886.

The business of Accident Insurance was transacted by seven Companies, viz.:—3 Canadian (two of which combined it with Life Insurance), 1 American (also combined with Life), and 3 British, one of which combined it with Guarantee business, and one with Plate Glass Insurance.

The total accident premiums received in Canada were \$165,334, insuring an amount of \$26,443,366, and the sum of \$80,531 was paid for claims, with \$30,010 claims not settled.

An abstract will be found on p. xc.

The Guarantee business was conducted by two Companies, one Canadian and the other British. The premiums received were \$60,820, guaranteeing an amount of \$9,495,850, and the net amount paid for claims was \$19,684.

The Accident Insurance Company of North America, and the Guarantee Company of North America (both companies native) transact business outside of the Dominion, which is not included in the above.

Since the close of the year the Employers' Liability Assurance Corporation, which had no guarantee and accident policies in force at the date of its last statement, having previously transferred all its outstanding risks to the Citizens Insurance Company, has given the statutory notice of its having ceased to carry on the business of Guarantee and Accident Insurance in Canada, and of its application for the release of the securities deposited by the said corporation with the Honorable the Minister of Finance, for the purpose of said Guarantee and Accident Insurance business.

PLATE GLASS INSURANCE IN CANADA, 1886.

The business of Plate Glass insurance was transacted by three incorporated companies, viz.:—1 Canadian, 1 British (combined with Accident), and 1 American, and by two firms of individual underwriters, having their chief place of business in the city of Montreal.

Mr. Ramsay and Messrs. Mongenais, Bovin & Co., the individual underwriters above referred to, having adopted the system of insurance by replacement, instead of paying the value of the glass broken, and their contracts not stating any amounts as insured thereby, their returns do not show the amount of insurance effected during the year, nor the amount in force at the end thereof. The premiums received during the year in Canada for plate glass insurance were \$15,252, and the total losses incurred were \$3,099.

An abstract will be found at page xci.

The license of the Hand in Hand, the Canadian company above referred to, expired on the 31st March and has not been renewed, owing to the fact that, under the Insurance Act, the privilege of obtaining a Dominion license, in the case of companies having Provincial charters only, is restricted to companies which transact the business of life insurance. No return has been made by the Hand in Hand of the business transacted by it, and to that extent our statements are imperfect. The company continues to transact plate glass insurance in Ontario, under Provincial license, but has ceased to transact business in the other Provinces of the Dominion.

At the present time there are eighty (80) Companies under the supervision of this office. The nature of the business transacted by them is as follows:—

The deposits for the protection of policy-holders, held by the Honorable the Receiver-General, in trust for these Companies, at 8th July last, amounted to \$12,007,085.76, in securities as follows:—

There was also deposited with Canadian Trustees, in conformity with the Act, \$530,697, making a total of \$12,537,783 for the protection of policy-holders, being an increase within the year of \$1,232,884.

Of this increase the sum of \$528,251.12 is on account of fire companies. This large increase in the deposits of fire companies is accounted for by the amendments in the law referred to in last report, whereby companies other than Canadian Companies carrying on in Canada the business of fire and inland marine insurance are required to have deposited with the Receiver-General or vested in Canadian Trustees, under the provisions of the Act, assets sufficient to cover the re-insurance value of all risks outstanding in Canada, together with all other liabilities in Canada.

The distribution of the total sum of \$12,537,783 held, as above mentioned, for the protection of Canadian policy-holders among the different classes is as follows:—

Life.....	8,298,427
Accident, Guarantee, Plate Glass, &c.....	377,252

The total amount of premiums received for all forms of insurance was \$10,969,171, of which \$4,066,154 was received by Canadian Companies, and \$6,903,017 by British and American. The following summary shows the distribution of these premiums to the various classes:—

THE DUNSEATH INSURANCE CASES.

The following extract from the *Berlin Telegraph* of 28th January, 1887, containing a brief account of a bold attempt to commit a gross fraud upon several insurance companies will be read with interest by the officers of insurance companies generally, and by others interested in seeing that the funds and assets of companies are applied to the payment of honest claims only:—

"A most interesting trial took place at the Toronto Assizes last week of two suits upon Life Insurance policies, and an addition was made to the list of notable attempts at fraud upon insurance companies. As the Ontario Mutual Life Assurance Company, having its head office in the town of Waterloo, was one of the intended victims, the matter is of some local interest. A young man named Samuel John Dunseath, a farm labourer, making his home sometimes at his father's and sometimes at his brother Richard's, in the Township of Mulmur, in the County of Dufferin, in the early part of 1885 became a member of the Ancient Order of U. Workmen, and therein had an insurance on his life for \$2,000, and he also obtained further insurance to some amount in other higher branches of that order. In September of the same year he made a will leaving all his property to his brother Richard, whom he appointed his executor. In December following he left Mulmur and went to Toronto, with the avowed purpose of seeking employment. On the 10th of that month he went to the agent of the Ontario Mutual in Hamilton and effected an insurance with him of \$2,500. On the 23rd of the same month he purchased two accident tickets of \$3,000 each, good for 30 days, in the Travelers' Accident Company of Hartford, and on the 8th January, 1886, obtained an accident ticket for \$3,000, good for 14 days, in the Accident Company of North America. Just one week after that, he left Hamilton by train in company with two friends, James Carson and Paul Gallagher, and proceeded to Windsor, with the expressed intention of going to Aurora, Illinois, where he has a brother. Carson and Gallagher had come from the same neighborhood in Mulmur, the former by the invitation of Dunseath to accompany him to Illinois, but the latter was said to be going to Michigan on some business of his own and met the other two by chance at Hamilton. At Windsor, instead of crossing by the railway ferry, which would have taken them near to the Wabash Hotel, where they intended staying over night, the travellers left the train, went about half a mile down the river to the ordinary passenger ferry, and took their passage on the ferry boat "Vic-

oria." On the way from London, as his companions say, the insured man complained of illness, and after being for a short time in the cabin of the boat he again complained of being sick and went out and over to the railing at the side of the boat where he remained, leaning over, until the boat reached the Detroit side of the river, and had been fastened to the dock and most of the passengers had gone off. His friends then called to him to come along and he replied that he would in a minute. Just then, according to his friend's account, he fell overboard; an alarm was made and upon those on the boat rushing to the side a hat was seen on a cake of ice, but there was no further appearance of Dunseath. So far as ascertained no person, except his two companions, saw Dunseath on the boat, nor saw or heard him fall into the water. Gallagher returned home to Mulmur the next day, but Carson remained in Detroit eighteen days, ostensibly to endeavor to recover the body, for which purpose he put forth no effort. He then went to Toronto, where he has been for the greater part of the time since employed as porter at an hotel. The next morning after the alleged accident Carson telegraphed to Richard Dunseath telling him that his brother Samuel had fallen off the ferry boat and been drowned, and Richard promptly notified the insurance companies and claimed the money. The insurances altogether exceeded \$15,000, and, as the companies suspecting fraud, refused to pay, actions were in due course brought against them by Richard Dunseath. As test cases two of these actions—one against the A. O. U. W. and the other against the Ontario Mutual—were brought to trial at the Toronto Assizes, and are the cases we have referred to. The companies denied the death and that was the matter to be tried, or as put by counsel the issue was "*Life or Death.*" The trial commenced on Wednesday morning and continued until Friday, and excited great interest, especially among insurance men. The ticket agent at Windsor testified that three men in company (one of whom he recognized in court as Gallagher and another who answered the description of the assured), paid their fare and went through the gate that night as if going upon the boat. It appeared, however, that one might have turned and gone through the exit gate without going upon the boat, or, if he did go on and cross the river he might easily have gone off on the Detroit side with the bulk of the passengers, leaving his companions to throw the hat overboard and to give the false alarm. The whole case as to the drowning rested on the evidence of Carson and Gallagher, two men of much more than ordinary nerve and acuteness, who were subjected to a very lengthy and severe cross examination, and who stood it with astonishing coolness and audacity, considering—in view of the result of the trial—that they must have invented their facts so far at least as related to the falling overboard of the assured. It should be mentioned that the rail over which he is said to have fallen was 33 inches high and 16 inches wide, an obstacle it might be supposed sufficient to guard against any danger of falling into the water. After the first day of the trial the defence succeeded in getting into their hands a letter written in August last by Carson to Richard Dunseath, and the production of this letter, the recalling of Carson and his cross-examination upon it virtually broke down the plaintiff's case. The following is a verbatim copy of the letter:—

“ ‘TORONTO, 16th August, '86.

“ ‘MR. R. DUNSEATH.

“ ‘DEAR SIR,—Yours received this morning well I was just about thinking of going out west there is a man sending men out to mindosa to make ties and cut wood he guarantees three dollars a day the way we work here a man can hardly make his board the men all struck for nine hours a day and got beat but I didnt strike so I will work here this week anyhow I wrote to X X X but got no answer yet I also got a letter from hugh Lemon he says you had Better look out and see that his note is not protested as he holds the note against you and he says you got to pay it Before he pays yours you had Better arrange it somehow and tell him it was a damed lie I told him from beginning to end denie everything he says and when he asks me about it I will say I was coddling him try and get him on the safe side anyhow he is in tioga

now Charles Linklater is in the city times aint extra good and I will likely get out of here for awhile and will be on time to give my evidince But Cavell has it all and I think it would better for one of us to be away as I hate the idea of being crossquestioned in Court I stood the racket in Detriot let Gallaugher stand it in toronto to see how he likes it will be a tough struggle and you will need lots of Dust to carry it through so you had better look out and have some good Backer for Gallaugher aint worth a damed cent to his name that is just about the size of his pile and the way he acted I do not want any truck with him so if you can beat him do so see that you don't get left yourself and watch old Whalen at Randwick he is a son of a Bitch so is Meloud damned liers and they will try all they can to do you if I get a letter from X X X will let you know remember and deny all to lemon so will I as he has acted a little mean with me about the note the note you signed for me was drawn on Sunday 27 June so it is no good so is the one I give you go easy with Lemon as he aint very sharp and might raise a noise it is time the A O U were coming up with their Cash I think it is hard times everywhere this fall this is a Holliday in toronto.

“ ‘60 George st Toronto.’

“On the opening of the court on Friday morning the counsel for the plaintiff announced that after consideration of the nature of the evidence which had been given he had determined not to prolong the trial, feeling that it was not proper to occupy the time of the court further with what was evidently a hopeless case, but he desired that the plaintiff should not be precluded from again proceeding if he should be able at a future time to show with certainty the death of the assured. The cases were then disposed of by His Lordship Mr. Justice Rose, who gave judgment dismissing the cases with costs without any reservation of rights, and he remarked that the plaintiff's counsel had taken the only proper course and the one he had anticipated; that he had no possible doubt in the case that it was founded in fraud, conceived in fraud, and carried out in fraud, and the only doubt he had was as to whether he should not put in motion the criminal law against those concerned in the attempted fraud.”

The defendants are to be congratulated upon the result of the position taken by them at the outset. The course which they adopted in refusing to comply with a demand which they had sufficient reason for believing to be fraudulent, has been fully vindicated. While, on the one hand, it will not be denied that to resist a claim known to be honest and just is quite unpardonable; it is, on the other hand, equally undeniable that to resist every claim which there are sufficient and satisfactory grounds for believing to be fraudulent, is a duty which the officers of an insurance company owe to the honest insurers, and it is to be hoped that every future attempt to blackmail or defraud insurance companies will be as successfully resisted as that, the particulars of which are given above.

RULINGS OF THE DEPARTMENT OF JUSTICE.

During the past year several intricate questions having arisen under the Insurance Act, involving the proper construction of various clauses of said Act, I have availed myself of the privilege of resorting, in all cases of doubt, to the Department of Justice for opinion and advice. The more important of these questions, together with the opinions of the law officers thereon, are given below :

(1). A question arose as to whether a company incorporated under an Act of the Legislature of one of the Provinces of the Dominion and authorized to transact the business of insurance of any class other than Life Insurance could, under the existing Insurance Act, be licensed by the Dominion. The opinion of Mr. Burbridge, the Deputy Minister of Justice, upon this question, is to the following effect, viz.: "Under sections 1 (ss. 1) 25 and 28 of the Consolidated Insurance Act, 1877, and 38 Vic., cap. 20, a company within the exclusive legislative control of the Legislature of a Province which carried on (a) the business of Life insurance, or (b) any business of insurance other than Life, Fire and Marine (Inland and Ocean insurance) could avail itself of the provisions of the Consolidated Insurance Act of 1877. The corresponding sections of the Insurance Act of 1886 (49 Vic., cap. 45, section 2 (c), 3 (c) and 49) limit this privilege to such companies as carry on the business of life insurance."

In connection with the above ruling I would respectfully suggest the propriety of considering whether the Insurance Act should not be so amended as to permit Provincial Insurance Companies other than Life Companies to obtain Dominion licenses. The law, in its present shape, seems anomalous and unjust, for while it permits the issue of a license to a foreign company, no matter where or by what authority incorporated, to a partnership, and, in certain cases, even to an individual, it denies the like privilege to companies incorporated under the authority of the Legislatures of the various Provinces of the Dominion, except in the single case of companies formed for the transaction of the business of Life Insurance.

(2.) The Employers' Liability Company having applied for a license to transact the business of fire re-insurance, it became necessary to determine what sum the applicants should be required to deposit with the Receiver General. The Minister of Justice, to whom the matter was referred, expressed the opinion that a company which in Canada re-insures risks against fire taken by Fire Insurance Companies, carries on in Canada the business of Fire Insurance within the meaning of the provisions of the Insurance Act of 1886, regulating the deposits to be made by Insurance Companies and a deposit of \$100,000 was therefore required in the case referred to.

(3.) The last clause of sub section 2 of section 19 of the Insurance Act provides that "a preliminary abstract of the year's business to 31st December inclusive, comprising the cash premium receipts of the year, the number and amount of the policies issued and taken up, that are in force, and that had become claims and been paid to that date, shall be sent to the Superintendent of Insurance within the first fifteen days of January in each year," and it became important to determine whether this provision was applicable to Canadian Life Companies only, or whether the words "every Company incorporated or legally formed elsewhere than in Canada,

and at present licensed or hereafter to be licensed under this Act, and every Company which is subject to the provisions of the Act, shall make *annual statements* of its condition and affairs, under the oath of its chief agent * * * * and the *form and manner* of making such statements shall, as to the Canada business of such Company, be the same (so far as applicable) as is required of Canadian Companies," which are contained in section 20, had the effect of extending this provision, as to a preliminary abstract to Life Companies incorporated or formed elsewhere than in Canada.

The letter addressed to me containing the opinion of Mr. Burbidge upon this question is in the following words, date and signature being omitted :—

"SIR,—I have the honor to acknowledge the receipt of your communication asking with reference to the 19th and 20th sections of the Insurance Act of 1886 if the words *annual statement* in section 20, include the *preliminary abstract* mentioned in section 19, or in other words should you call upon the foreign Companies to send the preliminary abstracts as well as the Canadian Companies, and in reply to state that I think the words *annual statements* do not include the preliminary abstract mentioned in section 19."

Consequently Canadian Life Companies only were called upon to furnish a preliminary statement. I may mention that the demand for such preliminary statements on this, the first occasion upon which it has been made, was responded to promptly by the various active Companies, only one such statement (which was received on the 27th January) having reached this office later than the 17th of that month, and it is fair to infer that the Companies incorporated elsewhere than in Canada would have been equally prompt in complying with the demand had the provisions of the Statute made it proper to call upon them, as well as the Canadian Companies, for a preliminary statement.

SECTIONS 12 AND 13 OF THE INSURANCE ACT.

An interesting judgment has been given recently by Mr. Justice Mathieu, in the Superior Court, Montreal, in the case of *Babcock vs. the Mutual Reserve Fund Life Association*, in which a copy of the writ and declaration were served upon an agent of the Company and not upon the Attorney appointed by the Company, in pursuance of Sections 12 and 13 of the Insurance Act. The defendants pleaded that the service should have been upon the attorney so appointed, and contended that service upon the Company's agent was therefore void. The learned judge, however, rendered judgment holding that the service on the agent of the Company was good service notwithstanding the provisions of section 13.

PENALTIES UNDER THE INSURANCE ACT.

As pointed out in last report, an important change was made by the Insurance Act of 1886, in the provisions relating to penalties imposed for violations of the

Act and the means by which they are to be enforced. The first prosecution so far as I am aware, under the provisions of the existing law took place recently at the city of Winnipeg, and resulted in the conviction of the accused.

I subjoin an account of the trial and a copy of the judgment of the Police Magistrate as published in the Winnipeg *Free Press* :

"An Insurance case of great importance before the Provincial Court.

"Detective Mackenzie has laid several informations against B. H. Ahern, the agent here of the United States Mutual Accident Association, of New York. One of the cases came before Mr. Joseph Wolf at the provincial police court on Saturday. The charge is that this Company has no right to do business in Canada, not having permission to do so from the Finance Minister of Canada as, it is alleged, it should have. The only witness called was a Mr. Barber, who said that he had taken out a \$5,000 policy, paying Ahern \$5, which he was told constituted the membership fee, and that he would have to pay an additional sum per annum not to exceed \$13 as a premium or rate to be paid in six instalments when advised by the Company. For the \$5 membership paid a receipt was given by Mr. Ahern. Mr. Barber testified that he took out another policy for the same amount and on the same conditions.

"The counsel for the prosecution put in an official *Dominion Gazette* dated the 30th April, giving the names of insurance companies authorized to do business in Canada. The counsel for Ahern asked for a dismissal of the case as he contended that only insurance companies doing a Life, Fire and Inland Marine Insurance were mentioned in the Act. He contended that the Company was a benevolent one, the same as the Masonic, Oddfellows or other similar associations. He also was of opinion that the prosecution failed to show that this Company had not the permission which it was claimed it should have as the *Official Gazette* was dated 30th April, and the alleged offence took place on 2nd May. The counsel for the prosecution cited the 49th section of the Insurance Act of 1886, under which the information was laid which said :—

"'No Company or person shall issue any policy other than a Life, Fire, or Inland Marine Insurance policy, or receive any premium in respect thereof or carry on any business of insurance other than Life, Fire or Inland Marine Insurance without permission obtained from the Minister, who, with the approval of the Governor in Council shall determine in each case, whether such permission shall be granted, and whether any and what deposit shall be required to be made with the Minister, and the sections of this Act which shall apply to such Company or person.'

"He also cited the interpretation clause which says : 'The expression *Company* mean and includes any corporation or any society or association incorporated, or any partnership carrying on the business of insurance.' He said there was no doubt that according to these two sections of the Act this Company required permission to do business in Canada and to make a deposit to secure its policy-holders. As to sufficiency of the *Official Gazette* to prove that no permission had been obtained by the Company he saw the names of companies authorized to do business were only published in the *Gazette* quarterly, but if permission were given to a Company in the interval the fact had to be published in the *Gazette* for four weeks. Nothing of the kind had appeared in the *Gazette* about the Company. He cited decisions in somewhat similar cases in which it was held that the onus of proof fell upon the party claiming to hold a permit or license. He contended that in this case public convenience required that this should be done as otherwise the Superintendent of Insurance and the books would have to be brought from Ottawa.

The magistrate said that he was quite clear that this Company required to obtain permission to do business in Canada according to the Act ; but as he was in some doubt as to the efficiency of the evidence that the Company had not such permission, he would not make known his decision until this morning.

"The following judgment in the case against B. H. Ahern, the insurance agent, which has been exciting no little attention lately, and particularly among the insurance men, was read by Mr. Joseph Wolf in the Provincial Police Court:

"This is an information laid under the provisions of the 'Act respecting Insurance,' against the defendant, B. H. Ahern, for receiving from one J. V. Barber a premium for a policy for accident insurance in the United States Mutual Accident Association of the city of New York, a company doing business of accident insurance in Canada without the permission or license from the Minister of Finance of the Dominion of Canada, contrary to the Statute in that case made and provided. Section 49 of the Act quoted provides that no company or person shall issue any policy other than a life, fire, or inland marine insurance policy, or receive any premium in respect thereof, or carry on any business of insurance other than life, fire or inland marine insurance without permission obtained from the Minister, who, with the approval of the Governor in Council, shall determine in each case whether such permission shall be granted, and whether a license is proper or necessary to be issued, &c. And sub-section 3 of the same section provides that every company or person carrying on any such business without obtaining any such permission or license, &c., shall incur the penalties mentioned in the 21st and 22nd sections of said Act, said penalty being a fine of not less than \$20 and costs nor more than \$50 and costs, and not less than one or more than three months imprisonment with or without hard labor.

"In the present case the evidence shows that the defendant Ahern did, within the meaning of the Act, accept on more than one occasion a sum of money from Barber as a premium or guarantee that a policy would be issued to him by the United States Accident Association, for the benefits arising out of such insurance by said company to him (Barber) upon his fulfilling certain obligations made incumbent by the conditions of such policy when received. That defendant solicited Barber to accept such, and that defendant also had an office in which he transacted such business, and that whatever terms the defendant may have used in wording his receipts for money received or in soliciting members for said company, he was clearly within the meaning of the Act according to the evidence, acting as agent, solicitor or canvasser for the insurance company. The counsel for the prosecution also put in a copy of the *Canada Gazette*, dated 30th April, 1887, being the very latest issue thereof, in which is published a list of insurance companies licensed to do business in Canada under the Insurance Act, and cites *re Barrett*, page 561, 28 U.C., Q.B. reports in support. Amongst other arguments as to the admissibility of same as evidence, and also that the onus of proof of being licensed is upon the defendant, I have considered the arguments in question, which have considerable weight, but prefer to rely on cap. 139, page 1,805, Revised Statutes of Canada of 1886, 'An Act respecting Evidence,' section 3, which provides that *prima facie* evidence of any proclamation, order, regulation or appointment made or issued by the Governor General, or by the Governor in Council, or by or under the authority of any Minister or head of any Department of the Government of Canada, may be given in all courts of justice established by the Parliament of Canada, and in all legal proceedings, whether civil or criminal, over which the Parliament of Canada has legislative authority in all or any of the modes hereinafter mentioned, that is to say: (a.) By the production of a copy of the *Canada Gazette*, or of a volume of the Acts of the Parliament of Canada purporting to contain a notice of such proclamation, order, regulation or appointment; (b.) By the production of a copy of such proclamation, order, regulation or appointment, purporting to be printed by the Queen's Printer for Canada.

"Sect. 5. No proof shall be required of the handwriting or official position of any person certifying, in pursuance of this Act, to the truth of any copy of, or extract from, any proclamation, order, regulation or appointment; and any such copy, or extract, may be in print or in writing, or partly in print and partly in writing."

"This, I am of opinion, disposes of the question of the non-admissibility of the *Gazette* as evidence that the defendant's company is not entitled to carry on business

in Canada without complying with the requirements of the Act, and that they have not so complied, and I consider that a *prima facie* case has been clearly made out by the prosecution

“ And in the absence of any evidence being offered on behalf of the defendant, it is clearly my duty to convict the defendant of the offence charged against him, and shall consider the two cases as one, and will inflict the minimum penalty of \$20 and \$6 costs, or one month's imprisonment in the common jail of the eastern judicial district of Manitoba without hard labor.

THE NATIONAL LIFE INSURANCE COMPANY.

The National Life Insurance of the United States of America ceased to transact new business in Canada upon the 31st of March, 1878, when the Insurance Act of 1877 went into force. Recently an effort has been made to obtain surrenders of its outstanding Canadian policies, and as it has, within the past few weeks, come to my knowledge that misrepresentations and statements calculated to mislead regarding the company's assets in Canada, and the rights of Canadian policy-holders, and the position of the company's affairs generally, have been, in some instances, made by persons claiming to represent the company (though possibly without the sanction or knowledge of the company's responsible officers), doubtless with the object of obtaining surrenders of the company's Canadian policies at very much less than their fair values (in every case which has been brought to my notice less than sixty per cent. of the actual value has been offered), I deem it proper to call attention to the amount of the company's deposit, and its liabilities in Canada, and to give a brief summary of the provisions of Sections 33 and 34 of the Insurance Act which govern the proceedings necessary to be taken by a company before its deposit can be withdrawn.

Under Section 33 the company intending to apply for such withdrawal must give three months' notice to that effect to the Minister of Finance, and after procuring the transfer of such of its outstanding policies in Canada, the holders whereof consent to such transfer, to some company or companies licensed under the said Act, and after obtaining the surrender of such of its policies as may be practicable, must file with the Minister a list of the Canadian policy-holders whose policies have been so transferred or have been surrendered; and also a list of those which have not been transferred or surrendered, and thereupon the full net surrender values of the various policies which have not been transferred or surrendered are calculated by the Superintendent of Insurance upon the basis of the Mortality Table of the Institute of Actuaries of Great Britain, and a rate of $4\frac{1}{2}$ per cent. interest, and a tender according to certain forms prescribed by Section 34 of the Act is then made to each policy-holder of the value of his policy on the basis aforesaid, which tender may be either accepted or refused. If accepted, the policy is terminated, but if refused the amount so tendered is paid over to the company, and the policy is still kept in force, though no longer protected by a government deposit, and the policy-holder refusing such tender is at liberty to exercise such remedy as he may have, either legal or

equitable, against the company to compel the fulfilment of its contract under such policy. In the case of the National of the United States the deposit with the Receiver General for the protection of the Canadian policy-holders is \$110,000 cash, while the amount necessary to provide for the full net surrender values of all its Canadian policies outstanding on the 31st day of December last, computed on the basis above mentioned, amounted to the sum of \$108,677.47. The general assets of the company amounted at the said date to \$2,516,562.79, and the liabilities to policy-holders, calculated upon a four per cent. basis, as required by the laws of the State of Illinois, amounted only to the sum of \$1,555,987, thus showing a very large surplus on policy-holders' account. No reason, therefore, exists why policy holders should accept inadequate surrender values, inasmuch as the company's assets are amply sufficient to fulfil all its contracts.

I may also add that any policy-holder who chooses to apply to this office for information as to the value of his policy and furnishes the necessary particulars to enable the computation to be made, will be cheerfully supplied with the information he seeks and will thus be in a better position to deal with any person or persons who may be endeavoring to procure a surrender of such policy.

THE BRITON LIFE ASSOCIATION.

The Briton Life Association, (Limited) (which is a company entirely separate and distinct from the Briton Medical and General Life Association hereinafter mentioned) has also announced to its policy-holders its intention to cease issuing new policies, and its desire to transfer its existing policies in Canada, and it is understood that some of its policies have already been transferred to the British Empire Mutual Life Assurance Company, and that the remaining policy-holders are being asked to consent to similar transfers. The statutory notice for withdrawal of deposit necessary in such cases has not been given, but may be expected at an early day. The deposit of this company with the Receiver General amounts to \$54,993, while the sum estimated as necessary to cover the full equitable net surrender values of all Canadian policies outstanding on the 31st day of December last amounted only to the sum of \$13,000. For particulars as to proceedings required before the above deposit can be withdrawn reference may be had to sections 33 and 34 of the Insurance Act, summarized above. Policy-holders, in view of the figures quoted, should not be induced to accept unfavorable transfers or insufficient surrender values in the event of any such being offered.

THE LIFE ASSOCIATION OF CANADA.

The Life Association of Canada has given notice of an extraordinary meeting of its members, to be held on the 11th day of August next, for the purpose of considering the advisability of giving the statutory notice to discontinue business, and to take all necessary steps in connection therewith. During the year 112 of

the company's policies were transferred to the Confederation Life Association, leaving only a small number at present in force. The company's deposit with the Receiver General amounts to \$96,075 cash, a sum ample to satisfy the claims of the holders of all outstanding policies.

THE BRITON MEDICAL AND GENERAL LIFE ASSOCIATION.

In last report reference was made to the fact that legal proceedings had been instituted in England having for their object the winding up of the affairs of the company or its reconstruction upon the footing of a reduction of its contracts, and that proceedings had also been instituted in two of the Provinces of the Dominion, viz., Ontario and Quebec, each having the same object in view, that is to say, the winding up of the company's Canadian affairs and the distribution of the deposit held by the Receiver General among the Canadian policy-holders. For the purpose of avoiding confusion in what follows, the proceedings since last report relating to the company in England and in Canada will be dealt with separately, beginning with the

English Proceedings.

In pursuance of the order made under the English proceedings by Mr. Justice Kay, dated 12th February, 1886 (a copy of which will be found at page xxxiii of the report for 1885), Messrs. Bailey and Hardy, the referees therein named, made their report, dated 22nd June, 1886, to the following effect:—

IN THE HIGH COURT OF JUSTICE, (CHANCERY DIVISION.)

In the matter of the Companies Acts, 1862 and 1867, and in the matter of the Life Assurance Companies Acts, 1870 and 1872, and in the matter of the Briton Medical and General Life Association, Limited.

REPORT OF ARTHUR HUTCHESON BAILEY AND RALPH PRICE HARDY, SPECIAL REFEREES UNDER THE ORDER OF 12TH FEBRUARY, 1886.

To the Honorable Mr. Justice Kay.

MY LORD,—1. In compliance with the order of Your Lordship in this matter, dated the 12th February, 1886, we have made an investigation into the liabilities of the "Briton Medical and General Life Association, Limited," on the 8th January, 1886, and have now to report the results for Your Lordship's consideration.
2. We have ascertained that on that day there were in force:

POLICIES OF ASSURANCE.

(12,979) for sums of.....	£3,205,118	3	0
At annual premiums thereon amounting to.....	93,545	15	10
Bonuses have been allotted, whereby additions to the sums assured have been made of.....	29,915	10	2
And the premiums have been reduced by the annual amount of.....	641	7	3

xxxix

Further, that in respect of 3,295 assurances for... 728,932 18 2

The bonuses had been applied to vary the contracts, so that the sums should become payable earlier, viz., in the lifetime of the persons whose lives were assured—if they attained ages from $67\frac{1}{2}$ to $81\frac{1}{2}$.

This was a distinguishing feature of the Association.

ANNUITIES.

(39) in possession and in reversion for the annual amount of£ 910 0 2

3. We have made an actuarial valuation of all these contracts on the following assumptions :—

MORTALITY.

(a.) That the rate of mortality amongst the lives assured will correspond with that shown by what is known as, the Institute of Actuaries H^m (5) Table.

In a certain number of cases, which at the time of admission were considered to be below the average in point of vitality, additional premiums (amounting in all to £2,099 0s. 2d. per annum) were charged. These have not been valued, but they have been treated as a fund from which the increased mortality expected to arise annually in these cases may be met.

(b.) That the rate of mortality among the persons upon whose lives annuities have been granted will correspond with that of the Government Life Annuitants.

INTEREST.

That the rate of interest realized on the Assurance Fund will be 4 per cent. per annum.

EXPENSES.

That ten per cent. of the premium income should be allowed for the expenses of conducting the business and for contingencies.

We think that, under the particular circumstances of this association, which, with very few exceptions, has granted no policies for some years and does not seek for new business, these are the conditions that are likely to be realized in the future.

4. On these assumptions, the sum required to be in hand, in cash or securities, to meet the liability under these contracts is £1,043,408, viz., one million and forty-three thousand, four hundred and eight pounds.

5. This is the result of our investigation into the assurance and annuity liabilities as a whole. But, we find that, under agreements made before the passing of the Life Assurance Companies' Act, 1870, the "Briton" Association had assumed the liabilities of the following companies, viz.—Those of the

New Equitable Life Assurance Company, from the 1st January, 1862.

Unity General Life Association, from the 29th September, 1862.

Britannia Life Assurance Company, from the 11th July, 1865.

Britannia Mutual Life Association, from the 11th July, 1865.

Indisputable Life Assurance Company of Scotland, from the 31st December, 1865.

As the liability under the contracts of each of these companies may be required, we have made the following analysis :—

Name of Company.	Number of Contracts.	Sum Assured and Annuities.	Estimated Liability under Contracts.
		£ s. d.	£
Briton Medical and General Life Association	10,372	2,235,176 6 10	569,725
	28	452 15 4	
New Equitable Life Assurance Company	660	184,702 13 0	90,184
	1	100 0 0	
Unity General Life Association	702	241,342 9 0	113,894
	8	147 4 10	
Britannia Life Assurance Company	867	410,908 14 2	211,377
	2	210 0 0	
Britannia Mutual Life Association	188	86,296 0 0	43,256
Indisputable Life Assurance Company of Scotland	190	46,692 0 0	14,972
	12,979	£3,205,118 3 0	£1,043,408
	39	910 0 2	
		per annum.	

6. We should add that our investigation has been confined to the liabilities under the Assurance and annuity contracts in force on the 8th January, 1886. We have made no enquiry as to the liabilities under policies upon which claims had then arisen, or as to debts other than insurance contracts due by the Association, which we do not consider to be included in the reference to us.

7. We think it right to mention that we found the policy registers of the Association in a most unsatisfactory state; and that, in consequence, it has been a work of unusual trouble and difficulty to obtain particulars of the policies in force; but we are satisfied that the estimated liability, as above stated, is substantially accurate.

8. We have endeavored in this report to give to your Lordship, in as succinct a form as possible, the result of our investigations; but we have in our possession for future reference, if that should become necessary at any time, the details of which the above Report is the summarized result.

We are, My Lord,

Your Lordship's obedient servants,

LONDON, 22nd June, 1886.

In pursuance of the said order Messrs. Deloitte, Dever, Griffiths & Co, also therein named, made a report bearing date the 23rd day of July, 1886, which is, however, too lengthy and not of sufficient public interest to warrant its insertion here, where—in the ultimate value of the assets, including the Canadian deposit of £21,240 6s. 8d. after providing for all debts and claims on policies, which accrued for payment before 9th January, 1886, the date of the institution of the proceedings before the Court in England, was estimated at £312,154 8s. 6d., and these two reports were on the 26th day of July last presented to a meeting of the policy-holders duly

convened for the purpose of considering whether it was desirable that an order should be made by the Court for winding up the affairs of the Company, or in the alternative whether a scheme should be sanctioned for the reconstruction of the company upon the footing of a reduction of its contracts. The official report of this meeting states that it was carried on amidst much confusion and interruption, but that ultimately a resolution was passed authorizing the printing and circulation of the reports referred to and the meeting adjourned to the 9th August, 1886. At the adjourned meeting the names of 48 policy-holders were handed in as being eligible and willing to serve on a consultative committee. From this list a committee of nine was appointed by the Court, which committee arrived at the conclusion that the valuation placed by Messrs. Deloitte, Dever & Co. upon the debts, securities and investments was safe and moderate. By order dated the 11th day of August, 1886, the Court directed a reconstruction scheme to be prepared, which was accordingly done, the particulars of which are set forth in the following official circular which is extracted from the *Finance Chronicle* of the 16th day of May, 1887.

To the policy-holders and annuitants: In accordance with the directions of the Judge, I have to transmit to you a copy of the scheme for the reconstruction of this Association, pursuant to the order of the Honorable Mr. Justice Kay, dated 11th August, 1886, which scheme is based upon the reduction of the contracts of the Association as calculated by Messrs. A. H. Bailey and R. P. Hardy, the actuaries appointed by the Court.

SCHEME for the reduction of the assurance and annuity contracts of the Briton Medical and General Life Association, Limited, pursuant to the order of the court, dated 11th August, 1886.

1. That every policy in force on the 8th January, 1886, shall be regarded as an assurance for the reversionary sum corresponding to the share of the assets of the Association applicable to such policy, together with the amount which the ordinary annual premium (if any) payable in respect thereof would have assured at the above date according to the Institute of Actuaries H^M (5) table of mortality and 4 per cent. interest, with an addition of one-ninth for expenses and contingencies.

2. That each contract for an annuity payable, in force on the 8th January, 1886, shall be regarded as a contract for the payment of such a smaller annuity as the share of the assets of the Association applicable to such annuity would have purchased at the above date, according to the experience of the Government annuitants and 4 per cent. interest.

3. That the assets of the Association be apportioned between the policies and annuities according to the respective values of each policy and annuity, after payment thereof of policies which became claims prior to 9th January, 1886, and the costs and expenses of the petition for reduction of contracts and the proceedings thereunder, and the amount of debts and liabilities of the Association other than those under policy and annuity contracts.

4. That the assets available for the purpose of this scheme be taken, in the first instance, as equal to 3s. in the £ on the amount of the estimated liabilities in respect of the policies and annuities in force on the 8th January, 1886.

5. That on the 31st December, 1889, and subsequently at the end of every 5 years, or at such other time or times as may be directed, but not at later intervals, additions be made to the reduced sums assured and annuities corresponding to the further amount beyond the said 3s. in the £ which may arise from the future ascertainment

of the value of the assets of the Association, specified in the schedule of assets prepared by Messrs. Deloitte, Dever, Griffiths & Co., and referred to in their report to the court, dated 23rd July, 1886, and that the amount of such additions be paid to the representatives of the holders of policies in force on the 8th January, 1886, and which may have become claims, and to the representatives of annuitants who may have died before the date of such additions.

6. That the valuation of the policies and annuities for the purposes of article 4 hereof be made on the data and assumption set out in our report to Mr. Justice Kay of the 22nd June, 1886, viz:—

(a.) That the rate of mortality amongst the lives assured will correspond with that shown by what is known as the Institute of Actuaries ^{HM} (5) Table, and that amongst the persons upon whose lives annuities have been granted will correspond with that of the experience of the Government annuitants;

(b.) That all additional premiums charged in the case of certain lives, who, at the time of admission, were considered to be below the average in point of vitality, be excluded from the calculations;

(c.) That 10 per cent. of the premium income be allowed for the expense of conducting the business, and for contingencies;

(d.) That 4 per cent. be taken as the rate of interest that will be realized upon the Assurance Fund.

7. That the detailed calculations made by us, and identified by the letter "A," with such additions and alterations hereafter to be made by us, for the purpose of correcting any errors or otherwise, as circumstances may render necessary, be adopted for the purpose of this scheme; and that a new register of policy and annuity contracts be prepared and certified by us, showing the amounts to which the contracts are to be in the first instance reduced, and which register is to be compiled from the said document "A."

8. That each policy-holder and annuitant be entitled, on producing his policy or annuity contract, to have the amount to which his contract has been reduced, and such further addition thereto (if any) as may be hereafter made, endorsed thereon, and to examine the entries in the register relating thereto.

Dated this 12th day of April, 1887.

(Signed)

A. H. BAILEY.
R. P. HARDY.

In transmitting the above scheme I am directed to intimate to the policy-holders that any observations upon it are to be forwarded to me, the undersigned, within fourteen days from the date of this circular, after which time such order will be made as to the court shall seem fit for carrying the said scheme into effect.

I am also directed to state that as several policyholders have omitted to pay the premiums falling due since 8th January, 1886, notice is hereby given that such persons will be allowed to revive their policies by remitting to me within fourteen days from the date of this circular the amount of their overdue premiums, which, under the circumstances, the judge has now authorized me, within the time named, to accept, subject to the payment of 5 per cent. interest on the amount of the overdue premiums, and such persons will thereupon be entitled to participate in the scheme of reconstruction.

Policyholders will further take notice that, as a necessary consequence of the order approving the scheme of reconstruction and directing it to be carried into effect, payments will be at once resumed, viz.: Claims which accrued on or before 8th January, 1886, will be paid in full, while claims which accrued after 8th January, 1886, will be paid according to the reduced amount payable in respect of such policies.

NOTE.—Attention is directed to clause 7 of the Reconstruction Scheme.

All premiums received by me, as provisional official liquidator, will also, by the terms of the order of the Court confirming the scheme, be declared to belong to the reconstructed Association and will be dealt with as part of its general assets.

N.B.—The premiums will, in all cases, remain the same as heretofore.

Dated this 28th day of April, 1887.

HENRY DEVER,

Provisional Official Liquidator.

The scheme so prepared was brought into chambers, and on the 17th May, 1887, a summons was, on the application of the provisional liquidator in England, issued to the following effect :—

IN THE HIGH COURTS OF JUSTICE, (CHANCERY DIVISION.)

In the matter of the Companies' Acts 1862 and 1867, and in the matter of Life Assurance Companies Acts, 1870 and 1872, and in the matter of the Briton Medical and General Life Association, Limited.

Let all parties concerned attend at my chambers * * * on Saturday the 21st day of May, 1887, at 11 a.m. On the hearing of an application on the part of the petitioners that an order may be made in accordance with the minutes set out in the schedule hereto.

J. STIRLING, "J."

Dated this 17th May, 1887.

SCHEDULE ABOVE REFERRED TO.

Upon reading the affidavit of the actuaries filed the 13th April, 1887.

This Court doth order that the said scheme and detailed calculations therein referred to and identified as exhibits "B" and "H" and "A" to the said affidavit of the said actuaries be adopted and that the said scheme be carried into effect, and that the amounts of the contract of the said Association be reduced accordingly.

And it is ordered that the said provisional official liquidator do forthwith proceed under the direction of the Judge in Chambers to pay in full all claims on contracts of the Association other than contracts of policy-holders in Canada which fell due on or before the 8th of January, 1886, together with interest at four pounds per centum on the amounts of such claims respectively from the dates when the same respectively became due to the time of payment, and also the reduced amounts according to the said scheme and detailed calculations hereinbefore adopted of all claims upon contracts of the Association other than as aforesaid which have fallen due since the 8th of January, 1886, together with interest at the like rate upon the respective reduced amounts from the dates when the same respectively became due to the respective dates of payment, such respective amounts to be paid to the said provisional official liquidator out of the £35,779 19s. 10d. consols in court to the credit of this matter, "The Briton Medical and General Life Association, Limited," so far as the funds in the hands of the provisional official liquidator may not be sufficient for the purpose, and that the residue of the funds in Court to the last mentioned credit, after providing for such claims, be transferred to the said Association, the respective amounts due and the amounts required to be paid out of the said fund in Court and the residue of the said fund in Court to be verified by affidavit.

And it is ordered that the sum of £92,507 0s. 1d. consolidated three per centum bank annuities in Court to the credit of "The Briton Medical and General Life Association Premium Suspense Account" be declared to have been received on behalf of the Association in respect of the premiums payable upon policies current

and in force on 9th January, 1886, and (except the amount of premiums received by the provisional official liquidator in respect of contracts of Canadian policy-holders, such amount to be verified by the affidavit of the provisional official liquidator) be transferred to the said Association as part of the general assets thereof, subject to the right of any policy-holders to claim the return of the premiums paid by such policy-holder to such suspense account, to be now repaid upon the terms of the policy being treated as lapsed on the 9th of January, 1886, and as to such suspense premiums, if any, as may have been received in respect of Canadian policies, the same are to be returned to the Canadian policy-holders in such manner as the Judge shall direct.

And it is ordered that the amount of the remuneration of the provisional official liquidator be settled by the Judge and be paid out of the funds in Court or in the hands of the said provisional official liquidator.

And it is ordered that the said provisional official liquidator do pass his final account and pay the balance that shall be certified to be due from him to the said Association, and thereupon it is ordered that he be discharged and that the bond dated 29th January, 1886, entered into by the said provisional official liquidator together with the London Guarantee and Accident Company, Limited, his sureties and recognizances, dated the 29th January, 1886, entered into by the same, be vacated.

Liberty to apply.

This application stood adjourned and on the 26th May, 1887, a summons was at the instance of several Canadian policy-holders, issued to the effect following:—

IN THE HIGH COURT OF JUSTICE (CHANCERY DIVISION.)

(MR. JUSTICE STIRLING.)

In the matter of the Companies Acts 1862 and 1867 and in the matter of the Life Assurance Companies Acts 1870 and 1872 and in the matter of the Briton Medical and General Life Association Limited.

Let all parties concerned attend at my chambers * * * on Saturday, the 11th day of June, 1887, at 11 a.m., on the hearing of an application on the part of F. W. Gates and others:—

“(1.) To have it adjudged that the applicants (who are by virtue of the provisions of the Canadian Acts of Parliament and of their contracts with the above named Association entitled to have the sum of £21,240 6s. 8d. or other the sum or sums held by the Government of Canada on behalf of the Canadian policy-holders of the Association applied exclusively in payment of the claims of the applicants) are, in case the said moneys shall be insufficient to satisfy their claims in full entitled to participate in the general property and assets of the Association and otherwise equally with the other policy-holders of the Association.

“(2.) That the applicants may in the meantime and until further order have liberty when and as the premiums on their respective policies fall due to pay the amounts thereof into court on the terms and to the credit of the account mentioned in the order dated 12th May, 1887, made in this matter (being the Canadian policy-holder's suspense account.)

“(3.) That the costs of this application may be costs in the liquidation or that such further order may be made as to the Court shall seem meet.”

The two summonses before mentioned came on for argument together before Mr. Justice Stirling, the former was supported by several policy-holders and was opposed by others, while the latter was opposed by counsel representing the policy-holders who favored the reconstruction scheme and also by counsel for the new Association. The following particulars as to the judgment rendered upon these application is extracted from an English paper.

After a discussion lasting several hours:—

Mr. Justice Stirling delivered a lengthy judgment in which he went elaborately through the various clauses of the scheme, discussed the objections which had been raised, and elucidated the principles upon which the provisions of the scheme were framed. It was for Mr. Justice Kay, he said, before whom the winding-up petition originally came, to consider and decide whether a winding-up order should be made or whether a scheme should be directed, and that learned Judge having directed a scheme to be framed it was for him (Mr. Justice Stirling) simply to follow that out, seeing, however, that the scheme contained fair and proper provisions. It was impossible for him now to make a winding-up order. That could only be done by a Court which had jurisdiction to review the judgment of Mr. Justice Kay, or in case it turned out impossible properly to frame a scheme. Having carefully considered the scheme before the Court, he considered that it was one upon which great care had been expended by the experienced men of business who constituted the Consultation Committee, and whose time and labor had been given without fee or reward, except the gratitude of the policy-holders. These gentlemen had been assisted by able actuaries, and the policy-holders had had the opportunity of criticizing the scheme as it went through Chambers. Although some of them did not approve of it a large body of others did, and many did not dissent. His Lordship had the strongest sympathy with the unfortunate policy-holders who had embarked in this concern. But the loss must be laid at the door of the directors and manager, who had so conducted it in times past as to bring it almost to the verge of ruin, and was not traceable in any way to the scheme. The sole thing now was to consider what was the best thing to be done in the interest of the unfortunate policy-holders who must anyhow suffer loss and on the whole His Lordship was satisfied their interests would be best served by the scheme as it was framed, under which the company would remain as a going concern, though practically its chief business would consist in getting in, realizing and converting its assets; though it would, of course, be open to them, if it was thought desirable, to transfer their business to another concern. Upon the whole the scheme was just and equitable, and ought in principle, and subject to certain minor details as to the character of the order to be made (which might be subsequently discussed), to receive the sanction of the Court. As to the claims of the Canadian policy-holders, they, instead of having to wait until their policies ripened, had got payment to a considerable amount already, owing to a provision of their Legislature. That was a benefit with which the Court here had no power to interfere; all that it could do was to see that in the provisions of the scheme justice should, as far as possible, be done, and seeing that the Canadian policy-holders were certainly not placed at a disadvantage and that the Canadian Courts were quite competent to deal with any matters arising out of their own statute, justice did not require the introduction into the scheme of any special provision with regard to the Canadian policy-holders.

Subsequently to the rendering of the judgment just referred to, this matter "was again brought before the Court (Mr. Justice Stirling sitting) and the only question which now arose was whether the premiums which had been paid to a suspense account pending the reconstruction of the Company should be returned to those policy-holders who preferred to abandon all claim on the assets of the company, and, if so, whether any deduction should be made therefrom on account of the risk of death during the preparation of the reconstruction scheme. The actuaries had prepared a scheme, but they stated that they had grave doubts whether, having regard to the basis of the scheme of reconstruction, there ought to be any return of suspended premiums at all.

Mr. Justice Stirling said that he was sorry that the Association was not on so sound a basis as he had believed on the former occasion, when he had suggested that

some arrangement for returning the premiums paid to the suspense account should be made, but having regard to the evidence given by the actuaries that the scheme would be endangered by the return of the premiums, and as he was of opinion that the return of premiums was only a matter of grace and favor and not a matter of right, he must hold, though with great regret, that he could not order the return of any premiums, all of which must belong to the Association."

Notice of appeal from the order made by Mr. Justice Stirling confirming the reconstruction scheme and refusing a return of the suspense premiums has been given on behalf of the Canadian policy-holders named in the summons dated 26th May, 1887, for 6th July. By their notice the appellants ask for an order reversing the order appealed against and setting "aside the scheme therein referred to or in the alternative that said order may be varied and that it may be adjudged that the appellants, (who are by virtue of the provisions of the Canadian Acts of Parliament, and of the contract with the Association entitled to £21,240 6s., or other the sum of money held by the Government of Canada on behalf of the Canadian policy-holders of the said Association, applied exclusively in payment of the claims of the appellants) are in case the said moneys shall be insufficient to satisfy their claims in full to participate in the general property and assets of the Association, and otherwise equally with the other policy-holders of the Company, and that the appellants may in the meantime and until further order have liberty to pay premiums as the Court shall direct, and that the respondents may be ordered to pay the costs of the appeal."

The result of this appeal, which will doubtless be made known at an early day, will probably settle the question as to whether the Canadian policy-holders are entitled to participate in the English assets of the Company in addition to the Canadian assets, to which it seems to be admitted they are exclusively entitled.

The foregoing contains the particulars of, and the chief incidents leading up to what is known as the English reconstruction scheme, which has received the sanction of the Court in England. Collected, as they have been, from the most reliable sources available, they may be looked upon as sufficiently accurate for all practical purposes, although the entire accuracy of the details is not vouched for.

Canadian Proceedings.

At page xxxv of last report will be found a copy of the order made by the Chancery Division of the High Court of Justice of the Province of Ontario, bearing date the 18th June, 1886, appointing Mr. Winchester assignee for the purposes in the said order set forth.

After the making of the order just referred to, a petition was presented to the Superior Court of the Province of Quebec praying for an order to wind up the Company's Canadian affairs (the petitioners claiming that the Ontario order was

void for want of jurisdiction in the Court by which it was made), and on the 6th day of November, 1886, an order was made upon the said petition, of which the following is a copy:—

PROVINCE OF QUEBEC, }
District of Montreal. }

IN THE SUPERIOR COURT FOR LOWER CANADA.

In Chambers.

The sixth day of November, one thousand eight hundred and eighty-six.

PRESENT :

The Honorable Mr. JUSTICE TASCHEREAU.

In the matter of the Act 45 Victoria, Chapter 23 of the Parliament of the Dominion of Canada, intituled: "An Act respecting Insolvent Banks, Insurance Companies, Loan Companies, Building Societies and Trading Companies

and

In the matter of the Briton Medical and General Life Association Limited, a body politic and corporate, duly incorporated under the laws of the United Kingdom of Great Britain and Ireland and having its chief office and place of business at London in England and carrying on business in Canada and having its chief office for the Dominion of Canada at the City of Montreal, in the District of Montreal, and Province of Quebec,

and

Dame Eliza Sophia McGie, of the City and District of Quebec, widow of the late Daniel McGie, in his lifetime of the same place, broker,

Petitioner.

Having heard the parties by their counsel upon the petition made and filed by petitioner on the twenty-eighth of June last, praying for the issuing of a winding up order in the present matter, having examined the proceedings, the evidence and proof of record and deliberated :

Considering that petitioner has proved and substantiated the averments in her petition contained and that she is entitled to the granting of the conclusion thereof.

I, the undersigned Judge, do grant the said petition, and dismiss the contestation of the same by the said Association as unfounded, in consequence, I do hereby adjudge and order that the business of the said the Briton Medical and General Life Association, Limited, in Canada under said Act be wound up and liquidated, and that the assets of said Association in Canada of the sum of one hundred thousand dollars as security for the payment of the claims to become due by the said Association in the said Dominion be collected and realized and the proceeds distributed to those lawfully entitled thereto, and I do name and appoint James B. M. Chipman of the city of Montreal, insurance agent, the provisional liquidator of the effects of the said Association and order that a meeting of the creditors, contributories, shareholders and members of the said Briton Medical and General Life Association Limited, be summoned at such time and place as may be ordered by this Court or a Judge thereof, to deliberate upon the appointment of a liquidator or liquidators, and upon such other matters as may be laid before them and that the chairman of said meeting be ordered to report the result thereof to the Court; the whole with costs *distracts* to Messrs. Abbott, Tait, Abbotts and Campbell, attorneys for petitioner.

HENRI T. TASCHEREAU, J.S.C.

By an order dated 20th November, 1886, made by the said last named Court, William Plender, then and still residing in the city of Montreal, was appointed

provisional liquidator to the said Briton Medical and General Life Association, in lieu of James B. M. Chipman (the appointee under the order of 6th November, 1886), who had resigned.

Appeals were lodged by the English provisional liquidator, on behalf of the Association, against both the Ontario and Quebec orders, to which reference has been made. The appeals were not, however, prosecuted, and have been recently withdrawn, the Company thus practically acknowledging the right of the Canadian Courts to deal, as they have assumed to do, with the deposit held by the Receiver General for the benefit of the Canadian policy-holders, leaving the question as to jurisdiction between the Ontario and Quebec Courts, in the case of this Company, still unsettled.

On the 28th day of June, 1887, an order was made by the High Court of Justice for Ontario (Chancery Division), to the following effect, the style, of course, and formal parts being omitted:—

“ Upon the humble petition of Samuel Bickerton Harman and others * * *

“ 1. This court doth order that William Fitzgerald, of the city of Ottawa, barrister-at-law, be and he is hereby appointed assignee herein, in the place and stead of Mr. John Winchester.

“ 2. And this Court doth further order that the proceedings taken by the said Mr. Winchester do stand and be acted upon by the said Mr. Fitzgerald, so far as the latter may deem it proper and advisable so to do.

“ 3. And this court doth further order that the said Mr. Winchester be allowed and paid his proper remuneration out of the said deposit, or that such payment be provided for by the assignee when making the distribution of the said deposit.

“ 4. And this court doth further order that one of the taxing officers of the Supreme Court of Judicature for Ontario do tax to the petitioners their costs of this petition, and that the same be paid out of the deposit with the Receiver General.”

The general result of all the legal proceedings, up to the present time, may be briefly stated to be as follows:—

As to policy-holders other than Canadian policy-holders, the Company is ordered to be reconstructed upon the footing of a reduction of their contracts; and with reference to Canadian policy-holders the deposit with the Receiver General is ordered to be distributed amongst such Canadian policy-holders according to their respective interests therein, to be determined as provided for by the Statute in that behalf. The appellants in the appeal now pending in England, however, claim, in addition to a share of the Canadian deposit, to be entitled to share also in the English assets of the Company.

Proceedings under the Ontario order (which were stayed in consequence of the appeal lodged against said order and also by reason of certain negotiations which have been for a considerable time pending), will be at once resumed and the neces-

sary proceedings for the distribution of the deposit held by the Receiver General amongst the Canadian policy-holders under the Ontario order will with the approval of those interested in the proceedings instituted in the Superior Court of the Province of Quebec, be taken with all possible speed and no effort will be spared in order to bring to a termination as satisfactory as can be expected under the circumstances, the Canadian affairs of this unfortunate Company.

SECTION 48 OF THE INSURANCE ACT.

Some months ago complaints were made to me that one of the companies licensed to transact the business of fire insurance was violating the provisions of the Insurance Act by issuing policies for a longer term than three years. I referred the matter to the Department of Justice, and since the foregoing pages were printed I have received the following letter which requires no further explanation.

OTTAWA, 14th July, 1887.

SIR,—*Re* the * * * Insurance Company.

In reply to the questions submitted in your letter of the 20th May last, I have the honour to state:

(1.) That in my opinion in considering whether the Company is violating the law or not, you have a right to look not only at the policy but at the application, the instalment note and the circular issued in connection with this class of business, and in fact at any other matter which will assist you in coming to a correct conclusion as to what the real contract between the insurer and the insured is.

(2.) Looking at the papers which are before me I am inclined to think that the Company is violating the provisions of section 48, which provides that no policy shall be issued for or extend over a longer period than three years. It is quite clear that if the contract which the Company proposes to make with the insured is carried out the policy must extend over a longer period than three years.

In the view which I have taken of this matter I assume that it is unnecessary to answer the other questions. Papers returned.

I am, Sir,

Your obedient servant,

GEO. W. BURBIDGE,

Deputy Minister of Justice.

W. FITZGERALD, Esq.,

Superintendent of Insurance.

I may add that, in an interview with the manager of the Company I was assured that the issue of the class of policies to which exception was taken would be at once discontinued if held to be objectionable.

I have the honor to be, Sir,

Your obedient servant,

W. FITZGERALD,

Superintendent of Insurance.

* This Company has also \$132,500 vested in Canadian Trustees under the Insurance Act.

† This Company has also \$398,197 vested in Canadian Trustees under the Insurance Act.

The following Life Insurance Companies, having ceased to transact new business in Canada, are entitled, under Section 17 of the Consolidated Insurance Act of 1877, to transact all business connected with policies existing at 31st March, 1878, and their deposits are applicable to these policies, subject to the provisions of the Insurance Acts of 1868 and 1871.

Name of the Company.	Chief Agent to receive Process.	Amount of Deposit with Receiver-General.		Business.
		Par Value.	Accepted Value.	
The Connecticut Mutual Life Ins. Co. of Hartford, Conn.....	F. W. Evans, General Agent, Montreal.....	\$ 100,000	\$ 100,000	Life.
The Edinburgh Life Assurance Co.	David Higgins, Chief Agent, Toronto	161,667	150,367	Life.
The Life Association of Scotland	Archibald Inglis, Chief Agent, Montreal	154,760	149,983	Life.

The Scottish Provincial Assurance Co.	Geo. Wm. Ford, Secretary, Montreal.....	147,780	147,780	Life.

NOTE.—The Citizens' Insurance Company of Canada has discontinued its Guarantee business, and has re-insured its outstanding policies in the Guarantee Company of North America. The deposit on account of this branch is \$11,000 municipal debentures, still in the hands of the Receiver-General. The affairs of the Briton Medical and General Life Association, London, Eng., are in litigation, orders having been made by Ontario and Quebec Courts, having for their object the winding up of the affairs of the Company in Canada and the distribution of the deposit held by the Receiver-General, which amounts to \$103,370. The orders above referred to were both appealed, but the appeals have been withdrawn, and there is now a fair prospect of the Company's Canadian affairs being speedily wound up.

The license of the Hand in Hand Insurance Company expired on the 31st March, 1887, and has not been renewed owing to the fact that under "The Insurance Act," the privilege of obtaining a Dominion license in the case of Companies having Provincial charters is restricted to Companies which transact the business of Life Insurance. The Hand in Hand continues to transact Plate Glass Insurance in Ontario under Provincial license, but has ceased to transact business in the other Provinces of the Dominion. The deposit of \$5,000 cash, still remains with the Receiver-General.

The license to the Life Association of Canada expired on the 31st March, and has not been renewed. The deposit of the Company, \$86,075 cash, still remains with the Receiver-General.

The following Insurance Companies are registered under the Insurance Act, and are permitted to transact the business of life insurance in Canada upon the assessment plan :—

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST MARCH, 1886.

(Abstracted from the Directors' Report, London, Eng., 26th May, 1886.)

The premiums received, after deduction of re-assurances and returns, amount to £319,987 15s.

The losses paid and outstanding are £217,205 1s. 1d., being 67·87 per cent. of premium income.

The balance on the year's working is £36,445 15s. 8d., out of which the directors recommend that a dividend of 3 per cent., free of income tax, be declared on paid-up capital of the Company for the year ending 31st March, 1886, payable on the 17th June next. This will absorb £6,000, leaving a balance of £30,445 15s. 8d. to be carried to the credit of the new account.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1886.
(Abstracted from Directors' Report, London, Eng., March, 1887.)

Fire Department:—The net premiums of 1886 amounted to £756,292, being a reduction of £10,873, as compared with the year 1885, and the losses paid and outstanding to £494,203, being 65½ per cent. of the premium income, as against 67½ per cent. in the previous year.

COMMERCIAL UNION—Continued.

From the profits of this Department the sum of £20,000 has been carried to profit and loss, and after providing for outstanding losses the Fire Fund stood at £581,059, as against £563,070 at the same time last year.

Marine Department:—The net premiums received were £173,015, and the net losses, paid and outstanding, amounted to £108,811.

From the profits of this Department the sum of £30,000 has been carried to profit and loss, and after providing for outstanding losses the Marine Fund stood at £252,754.

Profit and Loss:—This account has been closed with a balance of £49,336 carried forward to 1887, and out of that amount the directors recommend the payment of a dividend at 15 per cent. (free of income-tax), making 20 per cent. for the year inclusive of the interim dividend paid in September last.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1886.

(Abstracted from the Directors' Report, London, Eng., April, 1887.)

The directors beg to submit the report and accounts for the year 1886. The gross premiums amounted to £327,762 5s. 4d., and after payment to other companies for re-insurance, £37,552 5s., the current net premium income is £290,210 0s. 41.; the amount paid and provided for is £204,883 17s. 10d. The audited accounts are given below. In connection with these the directors desire to point out, in regard to the expenditure, which shows an increased ratio over previous years, that it is largely due—(1) to the adoption of a more exact mode of stating the liabilities, by which every debt, whether precisely ascertained or fully estimated, has been brought into the account; and (2) to the change in the manner of treating the commissions or discounts paid on some portions of the business; these have hitherto been deducted from the gross premiums, but are now more correctly charged to expenses. The directors have given much consideration, and have caused searching investigations to be made as to the fund necessary to be set aside to meet the unexpired risks on current policies. The result of their inquiry is to establish the fact that 33½ per cent. of the net annual premium income (the ratio fixed by some other companies), as hitherto reserved, is (taking the experience of the Association up to the present time), insufficient. The amount apparently required is, as nearly as possible, 38½ per cent.; and thus £112,021 1s. 2d. has been provided, instead of only £96,736 13s. 5d., which would have been set aside under the former system. In addition to this, the directors have decided that the risks or what are known as long-term policies, having from three to ten years to run, and on which the premiums have been paid in advance, should be specially considered. Ample provision has consequently been made in respect of such contracts, the sum estimated for the purpose being £16,137. Thus the reserves for all unexpired risks on current policies amount to £128,153 1s. 2d. The net result of the past year's business will perhaps be best understood by the following figures:—

Credit balance brought forward at end of 1885.....	£ 10,225	4	6
Debit balance carried forward now.....	44,332	15	11
Deduct:—			
Increased provision now made for current risks on ordinary policies.....	£ 15,284	7	9
Amount now set aside to meet liability on long-term policies.....	16,137	0	0
Outstanding liabilities in this year's accounts not included in those of 1885.....	9,349	0	0
		40,770	7 9
Net loss in 1886	£ 13,787	12	8

Although the adoption of the measures indicated has the effect of showing a large debit balance, the available funds of the association are not thereby diminished; and the directors are of opinion that the new form of presenting the accounts places the association in an unassailable position as regards the statement of its liabilities, and that its power to meet its obligations is practically unimpaired. This will be clearly manifested by the following figures:—

Capital paid up.....	£100,000	0	0
Being £1 per share upon 100,000 shares, held by 864 shareholders.			
Uncalled capital, being £8 per share on the above.....	800,000	0	0
Reserve for current risks.....	128,153	1	2
		£1,028,158	1 2
Less debit balance as per the annexed account.....		44,332	15 11
Thus leaving a total security of.....		£983,825	5 3

GLASGOW AND LONDON—*Continued.*

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1886.

(Abstracted from Directors' Report, Glasgow, 20th April, 1887.)

The net premiums received during the year amounted to £167,330. Of this total, £18,574 was derived from foreign treaties cancelled during the revision of business commenced in 1885 and now completed, leaving £148,756 as the income from what may be considered the current and normal business of the company. The steady growth of the home business—amounting now to about one-third of the income of the company, has more than compensated for the great reduction of the foreign.

The losses paid and unadjusted amounted to £115,382. Those pertaining to the current business were £96,254, being 64·7 per cent. on that portion of the income. Those on the surrendered business were £19,128, to which amount should be added £4,604 paid as commission; the result being a debit balance under that head of £5,158.

The incidence of expenditure has entirely altered, and the amount somewhat increased, as compared with the figures of 1885, in consequence of the principal branches having become solely offices of the company, the entire staff thereat being now salaried officers. The result of the altered arrangements has been a decrease of expenditure under commission, and an increase under expenses of management.

As it seemed desirable to show in the balance sheet the present actual position of the investments of the company, these were valued at the lowest market price on 31st December last; and the realized and accrued profit thus ascertained was carried to an investment reserve fund, from which £1,000 has been transferred through revenue account to the premium reserve fund, which now stands at £45,000.

An interim dividend for the half year, by way of interest, at the rate of 5 per cent. per annum, was declared in August last; and the directors now recommend payment of a similar dividend which will absorb £955 out of the balance of £2,282 carried forward, making together 5 per cent. on the capital stock of the company for the year ending 31st December last.

G. F. C. SMITH.

(Received, 28th February, 1887.)

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31st DECEMBER, 1886.

(Abstracted from Directors' Report, Liverpool, Eng., 18th May, 1887.)

FIRE DEPARTMENT.

The fire premium income for the year, after deducting the sums paid for re-insuring surplus risks, amounts to £1,289,594. The losses, inclusive of full provision for all claims that had arisen up to the close of the year, amount to £684,534. The account, after providing for expenses, shows, without the addition of interest, a surplus of £205,130. Of this amount, £20,000 has been added to the fire re-insurance fund, which has now been placed in the fire account. The balance of surplus, amounting to £185,130, has been carried to profit and loss account.

PROFIT AND LOSS ACCOUNT AND DIVIDEND.

The profit and loss account, with the addition of the fire profits above referred to as having been carried to it, and of the interest earned on the funds other than those of the Life department, after deducting the amounts paid for the Globe perpetual annuities for 1886, leaves a balance of £457,681. It is proposed out of this amount, to pay on account of the Fire department a dividend of 15s. per share, together with a bonus of 8s. per share, and out of the Life profits declared at the end of last Quinquennium a bonus of 3s. per share, making in all 26s. per share. On the 22nd November last an interim payment of 8s. was made on account, and it is proposed to issue warrants for the balance, viz., 18s. per share, payable on the 23rd instant.

FUNDS OF THE COMPANY.

The funds of the Company will now stand as follows :—

Capital (paid up).....	£ 245,640 0 0
General reserve	£1,300,000 0 0
Fire re-insurance	570,000 0 0

(Received, 18th February, 1887.)

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31st DECEMBER, 1886.

(Abstracted from Directors' Report, Liverpool, England, 28th April, 1887.)

The net premiums of the year, after deducting those paid to other companies for re-insurances, amounted to £482,110 12s. 0d., against £490,012 8s. 2d. in 1885.

The net payments for all fire claims occurring during the year, including full estimates for such as were not adjusted at the time of writing this report, amounted to £298,849 11s. 3d.

After deduction of all commissions and expenses, bad debts, depreciations, and other outgoings, and including interest on investments and other receipts, a balance of £46,939 3s. 4d. results to the company's credit on the year's transactions.

LONDON AND LANCASHIRE FIRE—Continued.

The addition of this amount to the balance of £71,697 13s. 2d. brought forward from the last account, makes a total to be dealt with on the present occasion of £118,636 16s. 6d.

Out of this sum the directors propose to add £20,000 to the reserve and re-insurance fund, thus making that fund up to £300,000, to pay on 2nd proximo a dividend free of income tax of 6s. per share, or 12 per cent. on the paid up capital, which will absorb £22,224, and to carry forward the balance £76,412 16s. 6d. to the next account.

The financial position of the Company will then stand as follows:—

Capital (fully subscribed).....	£1,852,000	0	0
Of which is paid up	185,200	0	0
Reserve and re-insurance fund	300,000	0	0

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1885.

(Abstracted from Directors' Report, Aberdeen, 11th June, 1886.)

FIRE DEPARTMENT.

The premiums received last year amounted to £577,330 19s. 7d., showing an increase of £4,141 0s. 6d. over those of the previous year. The revenue generally failed to show the elasticity which characterized the years 1883 and 1884, but it would have been considerably greater had not the directors continued the policy of curtailment in some of the branches of the Continental section of the business referred to in last year's report, and applied it also in one or two branches of the Colonial section.

The losses amounted to £345,214 1s. 9d., or 59·81 per cent. of the premiums, a ratio which is almost exactly the same as the general average of the Company's experience from the beginning (59·85 per cent.).

The expenses of management (including commission to agents and charges of every kind) came to £183,439 13s. 5d., or 31·77 per cent. of the premiums. This is fractionally higher than the ratio of the previous year.

The result is that, after reserving the usual 33 per cent. of the premiums to cover liabilities under current policies, a profit was earned of £47,296 17s. 7d., which sum has been transferred to the credit of the profit and loss account. (See annexed account, Fire.)

PROFIT AND LOSS.

The balance of the Profit and Loss Account amounts (as per Profit and Loss Account) to £131,196 3 4

Made up as follows:—

Amount brought forward from last year, after payment of balance of dividend for 1884	£ 51,373 9 0	
Interest on investment, after deducting the portion belonging to the life and annuity funds respectively	54,755 16 3	
Profit on fire account for 1885	47,296 17 7	
Profit on investments realized and sundry credits	15,962 14 9	
LESS:—		
Interim dividend paid in December last	£ 30,000 0 0	169,388 17 7
Sundry amounts as detailed	8,192 14 3	
		38,192 14 3
		£131,196 3 4
To this has to be added the sum proposed to be transferred from the Non-Participation Fund	37,500 0 0	
Making a total to be dealt with of	£168,696 3 4	

Out of this the directors propose—

To add to the fire reserve fund (which will then stand at £600,000)	£ 50,000 0 0	
To make good the deficiency in the annuity fund, before referred to	2,895 0 0	
To set aside a sum to form the nucleus of a staff pension fund of..	5,000 0 0	
To pay a further dividend on account of the year 1885 of £1 per share, absorbing	30,000 0 0	
To set apart specially the sum transferred from the non-participation life branch for the purpose of paying, in 5 yearly instalments, a "shareholder's life bonus" of 25s. per share, being 5s. for each of the years 1885 to 1889	37,500 0 0	
To pay a second bonus of 5s. per share in respect of the year 1885, absorbing	7,500 0 0	
		132,895 0 0

Leaving to be carried forward..... £ 35,801 3 4

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1886.

(Abstracted from Directors' Report, London, Eng., 5th April, 1887.)

In the financial year, ending 31st December, 1886, 2,444 proposals were received, amounting to £1,170,287, resulting in 2,048 policies for £973,886, the new annual premiums payable thereon, exclusive of single premiums, being £33,662 0s. 1d.; 396 proposals for £191,401 were declined or not completed. In consideration of £3,402 17s., eight annuities have been granted for an annual payment of £150 8d. 6s. Three annuitants, in receipt of £34 16s. 3d., have died during the year. In the course of the same period 265 policy-holders died, on whose lives 313 assurances have been effected; the claims thus arising, with bonuses, amounted to £32,584 1s. 6d. The surplus income of the year is £34,533 15s., out of which £6,638 0s. 8d. has been paid to the policy-holders as cash bonus, and £1,899 allowed in reduction of premiums, leaving £75,996 14s. 4d. as the net addition to the accumulated fund, which now amounts to £1,136,846 16s. The securities are of the highest class, yielding interest exceeding £4 7s. 6d. per cent.; the total gross income from all sources is £240,287 12s. 2d.; the number of policies in force is 18,000, assuring £5,800,000. The mortality experience still continue to be favorable.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31st MARCH, 1886.

(Abstracted from Directors' Report, Edinburgh, 6th July, 1886.)

During the year ended 31st March last, the amount of the assurances proposed to be effected with the Company was £615,156. The number of policies issued was 1,017, and the amount assured thereby, £566,153. The new premiums connected with these assurances amounted to £22,734, of which £4,237 was by single payments. Of the total amount assured, £96,400 was re-assured with other offices, so as to limit the amount of risk incurred by this company in individual cases. The premiums on those re-assurances amounted to £3,152.

The sum of £32,714 was invested with the Company in the purchase of 53 annuities, amounting to £2,823 per annum. On the other hand, 19 annuities terminated during the year, relieving the Company of annual payments amounting to £563.

The premium income of the year (after deducting the premiums paid for re-assurances) was £204,602, and the income from interest and dividends was £36,547. Both items show a satisfactory increase, and the total income of the Company, £291,252 (exclusive of annuity purchase money), was larger than that of the preceding year by £12,719.

In a growing business it is to be expected that the claims will show a tendency to increase from year to year. During the past year, the additional bonus has also increased the amount payable on policies which have fallen by death or survivance. The total amount of claims for the year is £174,384, as compared with £161,938 in the year preceding.

As usual, after a declaration of bonus, the Company has been relieved of a good deal of liability by surrenders, many policy-holders having availed themselves of the option of taking their bonuses in cash, and others having delayed the surrender of their policies until after the profits of the seven years had become available. The total amount paid for the surrender of policies and bonuses during the year was £35,171.

Notwithstanding those heavier payments, the accumulated funds have increased by £58,610, and they now amount to £2,119,190, after providing for outstanding liabilities. Including that provision, the assets of the Company at 31st March, 1886 amounted to £2,169,265.

During the year, the directors had under consideration the rate of interest for loans on security of the Company's policies, within their surrender values, and, having regard to the character of the security in those cases, they decided to reduce the rate from 5 to 4½ per cent. for loans of £100 and upwards.

NOTE.—The number expected was 564.

The invested funds at the close of the year yield a return at the rate of £4 3s. 6d.

While these results are so thoroughly satisfactory, the directors are glad to be able to report that the position of the Association at the close of another period of five years is no less so. The following statement, contrasting the position of matters at 5th April, 1881, the close of the last quinquennial period, and at 5th April, 1886, the close of the present one, will illustrate this clearly:—

	5th April, 1881.	5th April, 1886.

Total assets on hand, exclusive of the value of re-assurances.....	2,507,433	3,146,679

INTEREST ON INVESTMENTS.

The rate upon which all the assurance calculations of the Association proceed is $3\frac{1}{2}$ per cent. While for some years past the interest upon all good investments has had a marked downward tendency, the average rate realized during the past quinquennium has been no less than £4 6s. 6d. per cent.

MORTALITY.

The total number of claims under the Association's policies during the past five years has been 2,314, while the expected mortality by the Institute of Actuaries' H.M. table was 2,660. Very satisfactory evidence is thus given of the care with which the directors have selected the lives assured.

INVESTMENTS.

At former quinquennial investigations the investments of the Association were carefully considered. They have now again been subjected to a searching scrutiny by a special Committee of the Board. That Committee obtained fresh rentals, and in some cases new valuations, of heritable properties, forming the security for advances. In like manner the English securities were thoroughly investigated by two members of the London Board, who have fully reported upon them. As the result of their labors, the special Committee of Directors have submitted a detailed and exhaustive report of a most satisfactory character.

At the present time attention is very naturally directed to loans on Irish securities, and, therefore, many insurance companies have given, in recent reports, particulars in regard to this class of investments held by them. It is gratifying to

LIFE ASSOCIATION OF SCOTLAND—*Continued.*

the directors to be able to state that the Association is in an exceptionally favorable position in this respect. Altogether the Association has sixteen loans in Ireland, representing a total amount of £116,096, 17s.; twelve of these loans are over valuable subjects in Belfast and other parts of the country, and interest has been regularly and punctually paid. These do not cause the directors the slightest uneasiness. The remaining four loans are not quite so favorably situated, on account of rents not having been fully paid, but the directors are advised that, even in present circumstances, the security for three of those is sufficient, and that only in the case of the fourth is there any probability of any loss being sustained. Keeping, however, these loans and all the other investments of the Association fully in view, the directors have satisfaction in stating that the enhanced value of many of the Association's investments, beyond the sum at which they stand in the books, affords a most ample cover for any possible depreciation in others.

VALUATION OF LIABILITIES.

As formerly, the table of mortality used in the valuation of assurances was the Institute of Actuaries' H.M. table, with $3\frac{1}{2}$ per cent. interest. The net premiums of that table only were valued in all cases, except in the older series of class A, which has been closed for many years, and in which the premiums valued were the original net premiums in use at the time the policies were effected. There was thus unvalued the margin of £83,977 of the annual premiums payable. This margin, which is available for future profits and expenses, is equivalent to a present value of about £1,050,000. Annuities were valued by a special table of the late Griffith Davies, nearly identical with the "Equitable" table, with 4 per cent. interest.

SURPLUS.

The surplus which has arisen since the previous valuation in 1881 has amounted to	£471,175	1	11
From which there has already been taken the annual cash bonuses allocated to the older series of policy-holders in Class A	216,580	7	10
Leaving unappropriated	£254,594	14	1

DISTRIBUTION OF SURPLUS.

For some years past the participating policy-holders in the older series of Class A have received annually cash bonuses varying from 20 to $42\frac{1}{2}$ per cent. of their premiums, according to the date of entrance to the class. The bonuses paid to them during the past five years amount to no less than £216,580, 7s. 10d. The directors are glad to be in a position to still further increase the benefits which this class has already received, and they have resolved to allow the following cash bonus on the premiums for the year commencing 6th April, 1887:—

- 45 per cent. to entrants on or before 5th April, 1855.
- 35 per cent. to entrants between 6th April, 1855, and 5th April, 1860.
- 30 per cent. to entrants between 6th April, 1860, and 5th April, 1865.
- $27\frac{1}{2}$ per cent. to entrants between 6th April, 1865, and 5th April, 1871.
- 25 per cent. to entrants between 6th April, 1871, and the close of the class.

These are, as usual, the rates for ordinary whole-life policies, by premiums payable during the whole of life.

The third series of policies in Class A (A_3) has been in operation since 1877. At last investigation the class had been so short a time in existence that the directors then only declared an interim bonus addition of £1 per £100, to be payable with the sums assured under such policies as might become claims before the present division

LIFE ASSOCIATION OF SCOTLAND—*Continued.*

of profits, after having been five years in force. The directors have now resolved to declare a bonus addition of £1 5s. per £100 to all whole-life policies, and £1 per £100 to all endowment assurances now in force, for each year from their commencement, but vesting only after the policies have been five years in existence. To those policy-holders who have selected that the bonus of £1 5s. so declared should be applied in ultimate extinction of premiums, notices will shortly be sent stating the date at which the present bonus will enable the Association to dispense with further premium payments thereafter. The directors have further resolved to pay an intermediate bonus of £1 per £100, along with the sum assured under those policies, which, having been five years in force, may become claims before next division of profits. The results in this class have been very satisfactory, but looking to the short period since its commencement, the directors have thought it better on the present occasion not to divide the whole available surplus.

The directors have resolved to declare the following bonuses on all participating policies in Class B as at 5th December, 1885, viz.:—

I. To whole of life policy-holders who have attained, during the five years ending 5th December, 1885, the average expectation of life of persons of their ages at entry—

(a.) A reversionary bonus addition, payable with the sum assured at death, at the rate of £4 per £100 for every year's premium paid from last division of profits, *until the date when the expectation was reached.*

(b.) A reversionary bonus addition, payable with the sum assured at death, at the rate of £1 10s. per £100 for every year's premium paid *from the date the expectation was reached* until 5th December, 1885.

II. To whole of life policy-holders who had not attained at 5th December, 1885, the average expectation of life of persons of their ages at entry.

A reversionary bonus addition, payable with the sum assured at death, at the rate of £4 per £100 for every year's premium paid since last division of profits, contingent upon their attaining the average expectation referred to.

III. To endowment assurance policy-holders—

Bonuses of equal present value to the above and proportionate in amount.

Keeping in view that at four previous divisions of profits the same contingent reversionary bonus of £4 per £100 has been declared, it is gratifying to the directors to be again able to announce such a very large bonus. Policies that have been only twenty-five years in force, where the expectation of life has been reached, are now doubled in amount, a result which cannot but be extremely satisfactory to the policy-holders.

In class B₂ the declaration of bonus is deferred until the lives assured attain their expectation of life. None of the assured having as yet attained their expectation, the surplus, which is considerable, has been carried forward.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1886.

(Abstracted from *Directors' Report, London, Eng., 6th April, 1887.*)

New Business.—The proposals received during the year were 2,027 for £745,223; deducting those declined and not completed, 330 for £136,353, the policies issued were 1,697 for £608,870, yielding a new premium income of £22,013 8s. 3d., slightly in excess of that of the previous year, which was reported to be the largest amount the Company had done.

The average age of the new lives assured is under 32 ($31\frac{3}{4}$).

The total premium income for the year amounts to £131,871 2s. 7d., and deducting premiums paid to other offices for re-assurance, the net amount is £127,412 7s. 10d., showing an increase of £10,364 8s. 5d.

The claims by death with bonus additions. and those matured under endowment assurances, amount to £39,655 1s. 11d., less by £6,219 10s. 11d. than those for the previous year, and much within the expectation shown by the tables.

The audited accounts are in accordance with the Insurance Companies' Act. After providing for dividend and bonus to the shareholders at the rate of 15 per cent. per annum on the original amount paid up, and the payment of claims, surrenders, and cash bonus to policy-holders, and all other outgoings, there is a balance on the year's working of £63,618 18s. 9d., from which, however, a deduction of £1,335 9s.

LONDON AND LANCASHIRE LIFE—*Continued.*

6d. is made to meet the depreciation consequent on the diminished value of the rupee, the reduction being likewise applied to the corresponding liabilities under the Company's Indian policies.

The total funds as at 31st December last amounted to £476,772 18s. 3d.

The directors desire to remind all connected with the company, that the next division of profits takes place at the end of the present year. During the four years of the current quinquennium the net premium income has increased from £95,669 to £127,442, and the funds from £300,325 to £476,772, the new assurances having averaged during the same period £565,895 in sums assured, and £19,795 in new premiums.

*To meet the request of the Board of Trade, the expenses of management have been apportioned by an arbitrary process between the marine, fire and life departments, instead of being charged (as previous to 1874) in one sum in the profit and loss account. The portion of such expenses thus allotted to the life department has been deducted from the Corporation's share of the profits of that department: the assured, therefore, continue exempt from this charge.

*GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31st DECEMBER, 1886.

(Abstracted from Directors' Report, Edinburgh, 15th April, 1887.)

LIFE BUSINESS.

During the year 1886 there were issued 876 policies, assuring £683,633, the new premiums on which amount to £24,623 0s. 3d. In 1885 the number of policies was 1,009, the sums assured were £897,290, and the new premiums were £32,756 11s. 3d.

The net amount insured in 1886, after deducting sums re-insured, was £648,639. The new premiums, after deducting those paid to the re-insuring offices, were £23,515 19s. 6d. The net amount insured in 1885 was £754,600, and the new net premiums were £27,102 2s. 9d.

The income of the life branch, from premiums and interest, amounted in the year 1886 to £488,815 14s. 2d.

During the year 294 deaths, by which 357 policies emerged, were proved, and 19 endowments matured. The sums which thus became payable amount, with bonus additions, to the sum of £294,439 14s. 4d., after deducting re-assurances.

It will be seen from the balance sheet annexed that the life assurance fund now amounts to £3,645,719. At 31st December, 1885, after deducting the share of profits then appropriated to the shareholders, the amount of the life assurance fund was £3,552,936 3s. 3d. There was thus an increase during the year of £92,782 16s. 9d. The whole of the fund is separately invested, and, by Act of Parliament, is set aside to meet the claims under this department of the company's business.

ANNUITY BUSINESS.

In the annuity branch 171 bonds were issued, securing the sum of £7,671 16s. yearly of immediate annuities, and £1,721 5s. yearly of survivorship annuities, for which the company received the sum of £86,165 9s., by single payment, and £105 6s. 9d. by annual premium.

During the year 67 annuities have fallen in, relieving the company of the sum of £5,277 3s. 2d. yearly of immediate annuities, and £245 5s. 2d. of deferred and survivorship annuities.

 GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1886.

(Abstracted from the Directors' Report, London, England, 26th April, 1887.)

Proposals have been received for assuring the sum of £446,657. These have resulted in the issue of 446 policies for £270,707, the new premiums being £9,071 11s. 2d.

The claims have been less than those of 1885, and are within the expectation. By death they have arisen under 153 policies upon 136 lives for £55,112 16s., and

RELIANCE MUTUAL LIFE—*Concluded.*

endowment policies have matured amounting to £2,168 6s., making a total of £57,281 2s.

The total premium income for the year was £89,508 16s. 2d., of which £4,745 1s. 11d. has been paid away for re-assurances. Interest and dividends amounted to £25,610 10s. 1d., and the entire net revenue was £110,568 0s. 7.

The sum of £27,298 10s. 6d., being the excess of receipts over all outgoings, has been added to the accumulated fund, raising it to £656,494 4s. 1d.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1886.

(Abstracted from Directors' Report, Glasgow, Scot., 5th May, 1887.)

The directors have to report that during the year ending 31st December last, they received and considered 876 proposals for assurance, amounting in all to £545,768. These applications resulted in 736 policies being issued and taken up, assuring the capital sum of £440,168; the new premiums on which—including £7,052 13s. 3d. of single payments—amounted to £19,223 17s. 7d. In addition to this, the sum of £11,339 14s. 4d. was received for annuities granted during the year. The number of deaths in 1886 was 256, and the consequent claims, including bonus additions, and after deducting re-assurances, amounted to £167,805 0s. 5d. The Society has also paid the sum of £7,275 under policies which became claims by survivorship. By the death of 8 annuitants the Society has been relieved of payments amounting to £318 8s. 6d. per annum. The accounts hereto appended show that the total income was £337,968 13s. 7d., and the total outgo £224,689 17s. 5d., resulting in the sum of £113,279 1s. 2d. being added to the net funds, which at 31st December, last amounted to £2,775,247 5s. 9d. The total assurances on the Society's books at 31st December last amounted to £3,005,976 18s. 8d., under 14,745 policies. The general committee of management, in terms of the powers entrusted to them, have ordered payment of a bonus at the rate of $1\frac{1}{2}$ per cent. per annum on all participating policies of not less than five years' standing that may become claims by death before 31st December, 1888. Such bonus to be computed for each complete year since the declaration at last septennial investigation.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1886.

(Abstracted from Directors' Report, Edinburgh, Scot., 30th March, 1887.)

The directors have the satisfaction of reporting a continuance of the even course of prosperity which has hitherto attended the Institution. The result of the past year's transactions is in all respects satisfactory.

The new business is slightly over the amount in the previous year, 1,861 assurances, for £1,020,154, having been completed out of 2,077 proposals, for £1,150,412 received. The new premiums were £37,629 2s. 1d.; of which £4,117 7s. 2d. was by single payment. And a further sum of £41,332 1s. 1d. was received for purchase of annuities. The rate of mortality has continued to be remarkably low. The claims, by the death of 369 members, were 485; the sums payable, including bonus additions, and under deduction of a portion re-assured, being £303,455 18s. These additions averaged 36.5 per cent. on the assurances which participated. Endowment assurances of £8,456 have matured. The total claims were thus £211,911 18s. On the other hand, annuities for £1,351 10s. 4d. have ceased by the death of the annuitants. The premiums of all kinds received in the year were £508,463 18s. 4d., or, deducting those paid for re-assurances, £504,337 3s. The total receipts of the year, including interest, were £745,475 17s. 1d. The expenses, allowing a moderate rate on the price of annuities, were 9 per cent. on the premiums, and 6 per cent. of the total income. The realized funds, after deduction of claims admitted, but not then paid, amounted at December 31, 1886, to £5,728,162 11s. 10d., the increase in the year being £341,247 2s. 8d. The directors have continued to give careful attention to the investments, and more particularly to the mortgages on land. These have been subjected to renewed examination by a special committee; and the directors have much satisfaction in stating the result, as embodied in the committee's report—that "The sum of £5,800,577 15s. 10d., being the amount at which the invested funds are stated in the accounts as at December 31, 1886, is in their opinion amply secured, and that the amount would be fully maintained if realized."

SCOTTISH PROVIDENT—*Concluded.*

The next investigation—the sixth with division of surplus—falls to be made as at the close of the current year. The steady progress of the business during the septennium, and the great increase of the funds (due in large measure to the unusually low rate of expenditure), give good promise of a favorable result. The preliminary calculations are already well advanced. In all the arrangements connected with the ascertainment and allocation of surplus it will be the desire of the directors, as hitherto, while maintaining due regard to the equitable interests of the various classes of the members in accordance with the laws, to provide for the permanent prosperity of the Institution.

(Abstracted from Directors' Report, London, Eng., 9th March, 1887.)

NEW BUSINESS IN 1886.

During the year 2,965 proposals for assurance, amounting to £916,205 0s. 0d. were submitted to the Board; of these 351 were either declined or not carried out at the close of the year; and 2,614 policies were issued for the assurance of £729,870; the annual premiums on which amount to £25,216 19s. 11d.

The sum of £7,156 5s. 4d. has been received for the purchase of 16 immediate annuities, amounting to £756 19s. 9.

The total amount of assurances now in force is £9,150,806 7s. 9d.

MORTALITY.

The claims which have arisen during the year in respect of 501 policies, have amounted to £193,945 5s. 11d., including bonus additions of £21,802 16s. 0d. The number of policy-holders who have died is within the average expected and provided for in the Society's tables, as in previous years.

The total sum paid in claims (including bonus additions) since the establishment of the Society, now amounts to £2,751,330 18s. 1d.

ANNUAL INCOME AND INVESTMENTS.

The income of the society during the past year has amounted to £379,825 3s. 8d., derived from the following sources:—

Premiums on policies	£273,951	1	7
Purchase of annuities	7,156	5	4
Interest on invested funds	98,456	0	9
Fees and fines	261	16	0
	£379,825	3	8

STAR LIFE—*Concluded.*

After the payment of all expenses and claims, the balance of income over expenditure amounts to £105,674 16s. 11d. This sum has been added to the assurance and annuity fund, which now stands at £2,421,104 3s. 2d.

The average rate of interest realized on the investments of the Society during the year has been £4 7s. 0d. per cent.

* This item represents three claims which have been placed in suit since the date of the statement, and are resisted by the Company on the following grounds, viz :—

(1.) The J. S. McLachlan claim for \$10,000, on the ground that the deceased ceased to be insured at the time of his retirement from the firm of which he was a member, which took place on the 10th April, 1886, his death not occurring for several months thereafter. (2.) The Vidal claim for \$3,000, on the ground that the policy on the life of the deceased was issued in favour of his brother who had no insurable interest. (3.) The Wilson claim for \$5,000, on the ground that the insured died of erysipelas and not by accident.

THE EMPLOYERS' LIABILITY ASSURANCE CORPORATION (LIMITED).

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST MARCH, 1887.

(Abstracted from Directors' Report, London, Eng., 30th April, 1887.)

The premiums of the year amounted to £132,602 against £84,475 in the previous account, an increase of £48,127. This to a great extent is due to the development of the fire branch, which the directors consider a valuable addition to the business of the Corporation. Trade depression and competition still exercise an adverse influence on the other departments.

The total losses paid and outstanding amounted to £67,718.

The investments (at cost), loans, cash in hand, on deposit and in bank, with the premiums due, represented a total of £170,100. The market values being higher than cost price the depreciation in the value of the investments has disappeared.

The reserve made for unearned premiums is £49,062, and there remains a balance of £6,731, from which the directors recommend a dividend of 2s. 6d. per share.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1886.

(Abstracted from Directors' Report, London, Eng., 22nd March, 1887.)

Daring the year the policies completed assured £3,177,924, representing a new annual income of £16,759 10s. 5d.

Late in the year the directors decided to undertake insurances against employers liability under the Act of 1880, but a very small amount of business was transacted in this department before the 31st December.

The net income from premiums, after deducting re-assurances, was £42,912 18s. 11d.

The claims, including reserve for those then under investigation, were £20,090 17s. 0d.

The directors recommend the payment of a dividend of four shillings per share, free of income tax, and the transfer of £5,000 to the reserve fund, which will then amount to £18,000.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST DECEMBER, 1886.

(Abstracted from *Directors' Report, Manchester, Eng., 9th March, 1887.*)

The directors now beg leave to report the results of the business of the Association for the past year. The statement of accounts, duly audited, is annexed.

The Canadian branch, referred to in the last report, has been opened, and though sufficient time has not yet elapsed to admit of its adding largely to the revenue of the company, yet so far, the results have been quite satisfactory, and it promises to be a valuable source of income.

The net premiums for the year have reached £14,336 12s. 6d., being an increase of £893 11s. 8d. over those for 1885.

The losses of the year are under 43 per cent. of the premiums, and the expenses have been kept as low as, in the opinion of the board, is consistent with efficiency.

The balance of the year's working, including £1,171 1s. 3d. brought forward from 1885, is £3,244 0s. 4d., of this sum, £1,647 1s. 2d. has been paid to the guarantors, and £156 8s. 6d. to members, as interest on their share in the reserve fund. The balance of £1,440 10s. 8d. has been carried to the credit of profit and loss account. The directors, however, hope soon to be enabled to transfer an amount to the reserve fund account, which will be duly credited to the members.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING 31ST AUGUST, 1886.

(Abstracted from the Directors' Report, Norwich, England, 6th December, 1886.)

The statement of accounts submitted herewith shows that the premiums have amounted to the sum of £61,354 0s. 5d., and that, including the interest on the invested funds, the total income was £67,258 16s. 2d., being an increase upon the previous year.

The claims amount to the sum of £30,664 6s. 3d., which is somewhat below the general average; and the directors are enabled to report that notwithstanding an unavoidable increase in the working expenses consequent on the great competition now prevailing, the general result is satisfactory.

The directors have set aside one-third of the premiums for the year to cover the unexpired risks on current policies, and they have also added the sum of £5,000 to the general reserve, thus increasing that amount to £20,000, and after making this provision there remains an unappropriated balance of £14,673 4s. 4d., out of which they recommend that a dividend of eleven shillings per share (free of income tax) be paid to the shareholders.
